## **DEAR EDITOR**

In reply to Mr Roger Butler - June 2006 edition.

We sympathise with Mr Butler and other residents who have lived through the development of Lyttleton Brook. The site is now complete and your neighbours are mainly professional people with children of all age groups.

As part of the development, Bromsgrove Council deemed a play area must be sited in the locality. We police our own children, but we cannot be held responsible for other local children who visit the park unsupervised on occasions. Children playing and having fun will generate some noise, but as far as we are aware that is all it is – children playing.

With regard to the incident on 13 April when youths entered Mr Butler's garden, we appreciate this must have been a very nasty shock. However, as far as we are aware these youths do not reside at Lyttleton Brook.

We hope this incident is not repeated for all our sakes.

## HAGLEY PARISH COUNCIL

### **Park Road Planning Appeal**

The appeal by Pegasus Retirement Homes against the refusal by Bromsgrove District Council to grant permission to demolish 25, 27 and 29 Park Road and build 46 retirement apartments was held on 13th - 16th June. Parish Councillors put our objections to the Inspector and now we have to wait for the decision, estimated to be about five weeks after the hearing.

The Parish Council believes that we could not have been better prepared and represented. There was also representation made by Bromsgrove District Council, the District Councillors, CRPE, Hagley First School, residents and the committee of the Hagley Parish Plan.

Thanks to all residents who sent in comments and to those who attended the hearing. We will keep you informed of the decision.

### **Play Area**

The long awaited refurbishment of the play area is now completed and offers a wide range of colourful and imaginative play equipment. It was not without its problems, but the Parish Council now hopes that it brings a welcome benefit to the community. Thank you to all those who responded to our requests for suggestions. We hope you are pleased with the result.

Please look after it, it should provide a safe and enjoyable play environment for all for many years to come.

### **Dogs**

Dog fouling is still a problem in the village, particularly on the playing field. There are red bins provided for dog waste disposal, please use them. Under our bye laws the Parish Council are considering imposing a dog control order, which would result in fines being charged, as the culprits will be picked up on the CCTV. Make sure it's not you.

### **Litter**

The Parish Council is launching a campaign to deal with the problem of litter in the village. We are asking shops, businesses, schools and all the residents to join us in keeping our village clean, and a pleasant place to live and to visit.

Litter and dog fouling are aspects of anti-social behaviour and we can work together as a community to reduce this. Everybody can also help by reporting vandalism, under age drinking, drinking in the alcohol free zones, graffiti etc to the police. Call Crimestoppers on 0800 555111 (this is a free call and you do not need to leave your name) or call 08457 444888 and ask for Hagley or report an incident. Where possible the CCTV will be used to investigate reports.

Catherine Humphries  
Clerk to the Council

## NEIGHBOURHOOD WATCH

With the death of Desmond Ball in June, Hagley & District Neighbourhood Watch has lost a founder member who worked continually for the Watch. We are all indebted to him, his enthusiasm and dedicated persistence made Hagley Watch respected and admired with the division. He will be greatly missed.

August, a main holiday time when many members are out or away on holiday is a prime time for the thief. Let your neighbours know you are going away, secure garden sheds; check fences etc. If it is possible, get a neighbour to go in to your house to remove post, junk mail, anything to make your home look less unoccupied.

Enjoy the lovely summer but do take common sense security precautions with your home, possessions and car.

Kathryn Grocock

## CLUB REPORTS

### HISTORICAL AND FIELD SOCIETY

On Tuesday June 6th the Society welcomed Mr. Ron Moss to give his talk on "Wind And Water Mills". Mr Moss has travelled far and wide, including Europe, photographing the various types of mills and with the aid of his slides he described their mechanisms and functions. Being a keen member of the Black Country Society he was particularly interested in the water mills of the River Stour. The mills of the Stour were built, mainly, to power forges and they produced various metal products, from edge tools to gun barrels. At their peak, in the 19th century, there were numerous mills on the river; but technology slowly overtook them and by the 1950s very few remained. To show how it used to be Mr. Moss played a video of some rare archive film taken in 1956, of scythe making at Belbroughton; the work practices in use then would not be allowed today. Today there are no commercially operating mills on the river.

There is no meeting of the society in August; the next one is on Tuesday September 5th at which Mr. R. Key will talk about "The Clay Pipe Makers of Broseley". New members and visitors are all welcome at St. Saviour's church hall, 8.00 p.m. Visitors £1.50 including refreshments. Annual membership £7.00.

Malcolm James

### ART CLUB

We are now well into the year and the Programme is being planned for 2007-08. If you have ideas as to what subjects should be covered, members are at liberty to pass these on to our Secretary, Maree Brown.

Now to the present month; the Friday evening meeting on 11 August will be *Animal Art in Pastel* by Bob Elcock. I presume this will be a demonstration. Usual venue, St Saviour's Church Hall commencing at 7.30 p.m. We have a number of pastel artists who, it is hoped, will be attending. Even though we are in the high season for holidays, a good meeting is expected.

The following month, 8 September, is an important meeting as this is the time when Members' work is Appraised. It is from these appraisals that our skills and weaknesses are commented on by a visiting artist which this year will be Sally Brookes. Here is an opportunity of getting experienced opinion of our work. Please restrict the number of pictures to two so that all members present have a chance of being appraised. Pictures can be framed or unframed, in the latter case a mount will give a better presentation.

Alan Pritchard, President

### ROTARY CLUB

The Club has appointed Ted Rayment as its President for 2006/7, and he aims to build on last year's fundraising total of around £3,000, helping to support local and international charities.

Bill said "I have worked very hard and served the Club with pride. We have gained three excellent new members in Sue Mundie and Helen Davies from Rotaract, and Bert Maddock who has moved from Matlock. My favourite events included:- skittles night, greyhound and horseracing, Christmas party, cabaret dinner, theatre evening, ladies lunch, jazz concert, garden party and BBQ, and the weekend away at Tortworth Court Hotel.

I would like to wish Ted all the best for his year in office, which I'm sure will be both very successful and entertaining."

Ted said "Many thanks to Bill for his tremendous efforts and the considerable time he has put into the Club during the last year. We must actively seek some new and preferably younger members. Anyone interested in joining us should contact David Dewhirst on 07966 116612.

My main project this year will be raising money for Hagley Scouts to help refurbish the hut which they share with the Guides. We will continue with the BBQ, Christmas Party and street collections at Christmas, and we will resurrect the golf tournament. We will continue to be generous with our donations to local charities, also to support those individual hardship cases which come our way.

I'm looking forward to a superb and effective year, and trust that you will give me your full support and assistance."

David Dewhirst

### LADIES PROBUS CLUB

After luncheon at our meeting on 27th July, we did not have a speaker. Instead a lively discussion was held for members to put forward their views regarding the club, give new ideas and discuss any matters that they felt needed airing. It is the second year that this type of meeting has been held as last year's was felt to be very worthwhile.

We have a change of venue for lunch on 24th August when we visit the Granary, Shenstone, and members will have a free afternoon afterwards. Husbands and friends are invited to join us.

On 28th September our meeting will be held at the Talbot, Chaddesley Corbett, 12 noon for 12.30 p.m. The speaker will be member Mrs. Pat Smart, who will talk about her work with 'Families from Differing Communities'.

If you would like to join us as a visitor, please telephone our Secretary, Miss Katey Fletcher, on 01384 378182. Please allow sufficient time for her to order your meal.

Win Long  
President

## CLUB REPORTS

### AFTERNOON W.I.

After the business of the meeting, which included a report on the AGM at Cardiff, the speaker was Barbara Maskell – her subject “My Daughter Married a Japanese”. Barbara’s daughter was married in Japan and it was enlightening to hear how different the marriage ceremony and customs are when compared to those in this country. Her talk on the visits she has made to Japan to her daughter, son-in-law and now two granddaughters, was very informative on the way of life and its similarities and contrasts to life here. She had brought items from Japan and photographs and these together with other queries brought many questions from members which she was pleased to answer.

As previously reported Hagley Afternoon is celebrating its 85th Birthday with a Luncheon on 21st August. Many members have put their names forward to attend but the Committee are endeavouring to contact ALL members and would urge any who have not yet given their name to do so as soon as possible by contacting any Committee member.

Fifteen members had a delightful day at Arley Arboretum on 14th June. For many it was a first visit but will not be the last! All agreed that visits should be made every season of the year as Arley has so much beauty to be enjoyed.

11th September brings Mervyn Silcox on “Staffordshire & Worcestershire Canals”. Please join us at the Community Centre 2pm to enjoy what should be a very interesting talk.

Megan Bury

### TREFOIL GUILD

We had a sunny warm evening for the barbecue in June. Chris and Ray had taken a great deal of trouble to prepare it for us and we were very grateful. Thank you both.

Some of us went to headquarters at Droitwich to help prepare materials for mailing.

This was very relaxing since we were directed to our tasks - no thought needed. Following such mindless activity what could be better than a visit to the supermarket? It's surprising what odd things other people buy, isn't it? Needing to spend £10 to reclaim our parking fee of 50p, we managed to run up a bill for over £40. We must all go shopping together again sometime; it's a way of getting to know your friends even better, though it could be hard on budgets. We meet at 7.30 p.m. on August 10th for a Craft Session. The coffee lounge in the Free Church has been booked for this evening. It would be helpful if you could bring your own scissors.

Elizabeth Gingell

### MOTHERS' UNION

Mary Sumner Day on Wednesday 9th August will be celebrated at Amblecote Church starting at 7.30 p.m. For lifts, please ring Jean Pardoe.

Our August meeting is the coffee morning with a Bring & Buy preceded by Eucharist at 10.00am at St. Saviour's. We will also have a cake stall so please bring one along together with any items for the Bring & Buy.

## CLUB REPORTS

### THEATRE GROUP

Thank you to all those who came and enjoyed our production of the comedy "Forget Me Knot" by David Tristram performed at the Community Centre on Thursday 8th, Friday 9th and Saturday 10th June. The set comprised two Police interview rooms and the play moved from one twist to another that kept people guessing about the outcome until the end. The plot centred on a man claiming to be suffering from amnesia but hopefully, judging from the very favourable comments we received, the play will linger in the memory of our appreciative audience until the next production. This will be Disco Inferno to be performed by our Youth Section. This is set in a 70s night club and promises to be a high energy fast moving show. To get you into the spirit of things we intend to have an audience dressing up evening. So it's time to dig out the flares, the wide lapel jackets and the platform shoes. This will be staged at the community centre on 11th, 12th, 13th and 14th October, 2006 at 7.30 p.m. (doors open 7.00 p.m.) More details will follow in the next issue of the Village News.

For advance ticket bookings please ring the ticket secretary Corinne Fox on 01562 632484 or our chairman Paula Knight on 01384 894655. If you are interested in taking part or helping in any aspect of live theatre including acting, directing, lighting, sound, properties, front of house then please give Paula a ring.

### GARDENERS' CLUB

In June members enjoyed a beautiful summer's evening in the gardens at Tythe Barn House, Chaddesley Corbett. What more could one want? A glass of wine in hand enjoying a country garden full of the perfumes of old roses and honeysuckle accompanied by the ringing of the church bells and bleating of sheep.

**August 5th** to March House, a private garden outside Broadway and then on to Snowhill Manor. Information: telephone 01562 777014. Open to non-members.

**August 23rd** will be an evening with Toni and Ken Whittaker who will once again bring their own brand of humour to their travels around Cuba.

**September 2nd** Village Show – Don't forget to enter, we need as much support as possible otherwise it will disappear through lack of support.

**September 27th** is a very interesting Talk about Hill Close, Victoria Gardens just outside Warwick. They were restored by Monty Dom and Team some years back in a programme about historical gardens.

We always welcome new members and you don't have to be a gardener to join us. Information Tel: 01562 777014.

### EVENING W.I.

In June we welcomed Suzanne Owen, our WI Adviser to our meeting. As Hazel Smith our President and Kate Hodgetts our Treasurer were both on courses at Denman College Suzanne offered to come and take our meeting for us as she wished to get to know our members. Our speaker was Mr Townsend on Narrow Boat Cruise, an excellent speaker and interesting topic.

On 9th August 2006 we are holding a Tea-party, by kind invitation of Kate Hodgetts, at 83 Lodge Crescent, Hagley at 2.30 p.m. to raise funds for The Acorn Hospice in Worcester, all are welcome. There will be a cake stall, bring and buy and a raffle.

Our next meeting is our members' Evening on 20th September 2006. We meet at St. Saviour's Church Hall at 7.30 p.m. Visitors and prospective members are always welcome.

## HAYBRIDGE HIGH SCHOOL

The governors at Haybridge recommend that our school should become a Foundation School. Foundation Schools can become Trust Schools, and can be seen as a 'stepping stone' from one to the other. This status has many implications such as what happens to the land of the Park Road site. If Haybridge becomes a Foundation School, the school would own this land. The government's 14-19 education policy has a much greater emphasis on vocational subjects; we fully support this policy, but we need the space and facilities to deliver the new curriculum. We would like to develop a state-of-the-art Vocational and ICT centre, and make these facilities available to the wider community. By becoming a Foundation School, we would also have greater influence over the usage of the Sports Hall, and more control over any future school buildings at Haybridge.

In June we had two successful intakes for years 7 and 12. The Intake evening for year 7 was an important occasion where students got to meet their tutors and parents asked questions about the school. At the induction day for year 12 Summer Tasks were given in preparation for their courses.

We are now running workshops for parents of Haybridge students. The first meeting was about drugs and local issues and the idea is to form links within the community and to keep parents better informed.

## BREATHING PLACES

Haybridge High School is about to embark on a fabulous new venture. We are going to apply for a grant from the Big Lottery Fund to transform an overgrown spare piece of school land, into what will eventually become a wildlife haven for everyone to enjoy.

The BBC Spring Watch programmes announced that from October 2006 there will be 4 million pounds available for schools and groups which could help us with this project.

We will create a new wildlife pond, bird and bat boxes that students can adopt, and may even purchase a live webcam. The projects are called 'Breathing Places' and aim to provide conservation areas for both wildlife and people to enjoy. [www.bbc.uk/breathingplaces](http://www.bbc.uk/breathingplaces).

If you wish to help in any way or have any seeds, expertise, advice or equipment you can donate we would be very glad to hear from you.

## PLAYGROUP

What a busy but enjoyable end to the summer term! We had two visits from the local friendly Fire Service who proudly announced their arrival with several blasts of the siren (apologies to the local residents). The children were all allowed to practice their fire fighting skills with the giant water hose, in the park. Great fun had by all!

We also held a Charity Pedal Push in the park to raise much needed funds for Childline. Most of the children participated – cheered on by their mums – followed by picnics in the park. It was a super day for everyone.

We also held our annual Teddy Bears Picnics and Sports Days to end a wonderful summer term. Sadly, we said a fond farewell to our older children who are moving on, and wish them good luck but hope they will not forget us. Enjoy the summer!
