Dear Editor

We would like to thank our family, friends and neighbours for the invaluable help and support that we received following Graham's accident, which is greatly appreciated. Also, special thanks to the staff at Hagley Surgery, and the Intermediate Care Services from Kidderminster Hospital for their care and attention at home after discharge from hospital.

With grateful thanks,
Graham and Janet Payne.

Have you lost a cat?

There is a beautiful white, black and brown tabby male cat who has been visiting Lodge Crescent for about the last 16 months. It is now apparent to me that he is a "stray". I have taken him to the vet, he is neutered, very clean, not chipped, quite used to being around people and is VERY vocal. He has been sleeping in a box at the side of my house since before Christmas and I am feeding him. I have notified all the relevant missing cat web sites. He seems to be coming into the garden from the Hagley Cemetery side of Lodge Crescent and therefore could even live with someone on the main Kidderminster Road. I obviously do not want to re-home him if he does belong to someone. **Please ring Sue on 885799 if you have any information, or you think it may be your cat.**

Chatterbooks at Hagley Library

Your local library is starting a new readers' group for children between 7 and 11 years. It will be held in the library on the last Wednesday of every month from 4:30pm. Each month we will have a different theme to the meeting and children are invited to come along and meet others to discuss what they have read. It is an informal setting and everyone is welcome aged between 7-11 years. So why not come and join us?

HAGLEY RAMBLER SCOUT GROUP

Hagley Ramblers would like to say a huge thank you to the village of Hagley for supporting our Santa sleigh again this year. We managed to raise a substantial sum of money which we hope to put towards kayaking equipment and hut improvements.

We hope the children of the village enjoyed meeting Santa!

HAGLEY PARISH COUNCIL

CHANGE TO DON RICHARDSON MEMORIAL CUP

The Parish Council has decided to change the way in which it awards the Don Richardson Memorial Cup. As you will know it has been a tradition for the cup to be awarded during the Christmas period to the most decorative shop window in Hagley.

The Parish Council will now award the Cup to the most deserving group or individual as recognition of their community spirit or achievements during the year. The Cup will continue to be awarded during the Christmas period.

It is with great pleasure that we announce that the recipient of the Don Richardson Memorial Cup for 2009 is the Hagley Fête Committee. Mrs Janet Richards has accepted the Cup on behalf of all the members of the 2009 Committee in her capacity as chairperson.

Our congratulations and heart felt thanks go out to them for all their hard work and we hope that they will continue to work towards bringing the fête to Hagley during the coming summer.

LIGHTING

I hope you noticed the Christmas lights and tree displays again at Christmas. Additional lights were purchased which added to the intensity of colour along Worcester Road. The late night shopping in Hagley went well and was enjoyed by many. The Hagley Business Association combined their Christmas activities with the Parish Council lights to make a very pleasant evening. We look forward to this year's event.

During recent months and the early part of 2010 concrete lighting columns throughout the Parish will be replaced with galvanised lighting columns. This is part of a planned upgrade of lighting columns.

Please report any failed or failing street lamps to the Clerk at the Parish Office so that they can be corrected by the appointed contractor.

TREES

The Parish Council recognises that trees are an important part of our environment and a characteristic of the Parish. A number of trees in the playing fields have been replaced along with new trees being planted in the cemetery. The Parish Council has limited land on which to plant trees but will ensure that where trees need replacing they will be done so at the most opportune time.

DRAINAGE

A number of long standing drainage issues in the playing field changing rooms, outside the changing room, in the cemetery driveway and in Victoria Passage have been completed. These were outstanding issues that required an extensive repair and maintenance programme.

WAR MEMORIAL, PARK ROAD.

The Parish Council has been happy to support the addition of a special plaque to record the lives of five Hagley residents lost in World War II and previously not recorded on the War Memorial in Park Road.

This followed extensive research into the soldiers' history by Mr Don Freeth (Hagley resident and member of the Hagley Historical Society). Some of the surviving relatives have been contacted and will be invited to an official adoption service to be organised in the coming months. Please look out for more details in the near future.

For more information there is a very interesting official book (The Hagley War Memorial by Don Freeth) in the Library which is well worth reading.

HAGLEY YOUTH PROJECT AND SCOUTS ETC

We are used to hearing comments that there is little for the youth to do, not just in Hagley but nationally. How nice it was to hear news which reflected positive "can do" attitudes.

The Parish Council received a visit from the youth worker and representative of the Hagley Youth Project who reflected on how the Hagley Youth Club has continued to grow over the last two years. It was refreshing to hear how they have organised themselves into a very active group.

The members of the Parish Council discussed how the Scout, Cubs, Beavers and Girl Guides movements in Hagley have also grown and all maintain a healthy membership. In addition there is a youth club at the Free Church, youth participation in the Hagley Theatre and of course Hagley Colts Football Coaching sessions.

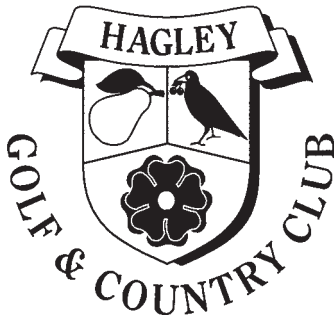

The Play Area continues to be used by many visitors both from Hagley and from outside the Parish.

PLANNING DECISION

As many residents will be aware "Our Plaice" appealed to the planning inspectorate against the decision by Bromsgrove District Council not to remove the condition preventing Sunday opening. This appeal was dismissed and the chip shop will not be open on Sundays.

CLENT PARISH COUNCIL

Lilian Griffiths, a Clent resident, celebrated her 100th birthday on December 19th 2009. Friends and relatives flocked to her cottage of 70 years, to wish her many happy returns, including the Chairman and Clerk of Clent Parish Council with a bouquet of flowers.

POWER OF WELL BEING

The Parish council has undertaken Power of Well Being training. Power of Well Being is a statutory power under Local Government Act 2000, s2, amended by Local Government and Public Involvement in Health Act 2007, s77. It enables a local council to do anything that it considers likely to achieve the promotion or improvement of the economic, social or environmental well-being of their area, for example a village shop for the community.

Policing in Hagley

Vehicle Crime is still the highest crime offence we record for Hagley and it seems that people are still leaving expensive items such as lap tops and Sat Navs in cars. We have also seen a trend where no damage has been caused to vehicles to gain entry suggesting that people are also leaving their cars unlocked.

Just prior to Christmas we received information from West Midlands Police at Stourbridge that they had arrested a young man in possession of an ipod. It was found to have been stolen from a car in Hagley but hadn't been reported. After making enquiries the owners thought the car had been tampered with but didn't realise that is how the ipod went missing.

Intelligence suggests that as well as breaking into cars, offenders are walking around areas and finding more and more unlocked. This may be forgetfulness or a deliberate ploy to avoid the damage a break in involves and that would be fine if no property were left in the car. However if the property is stolen from a vehicle with no obvious signs of entry then insurance claims may not be honoured.

The only way to avoid a break in is not to leave property on view in your car including cables for lap tops, Sat Navs etc and to wipe the circle off the window that the Sat Nav holder makes. These are all clues that there may be property worth stealing and make sure your car is locked.

WYRE FOREST NATIONAL TRUST

ANNUAL GENERAL MEETING

Wednesday 10th February 7.30pm
Baxter College, Habberley Road, Kidderminster.

Followed by "In Anticipation" an illustrated presentation on our forthcoming summer outings by Eric Greenwood.

HISTORICAL & FIELD SOCIETY

For our final meeting of the year, members of the Society welcomed the return of Graham Sutherland with a fresh presentation, entitled 'From Drainpipe Trousers to Rock 'n' Roll'. In his own inimitable style and using photographs and advertisements from the 1950s, our speaker brought back many happy memories for his audience. Reflecting the nation's mood following the War, we started with adverts for the Territorial Army before moving on to CND, the Civil Defence, the Festival of Britain and the Coronation. Well and truly transported back in time, we then savoured the life-changing introduction of Formica, washing machines, National Savings and Brylcreem. Graham's eclectic mix went on to include slum clearance, holidays, wireless and television, teddy boys, cars and that boys' favourite comic, The Eagle.

This was a fascinating and highly entertaining evening that allowed us to wallow in the nostalgia of a world not that long ago in years but an age away in attitudes and values.

Our next meeting is on Tuesday 2nd February when Graham Fisher presents 'Jewels on the Cut'. All will find a warm welcome at this and our other meetings at St. Saviour's Church Hall at 8pm on the first Tuesday in each month.

Alan Atkinson

Heritage Matters!

Those taking part include;

Churchill Forge
Hagley Hall
Hagley Free Church
St. John's and St. Saviour's church

CLUB REPORTS

TREFOIL GUILD

The Christmas Party was a huge success. We must thank Ray for his usual musical quiz; this time he chose women singers. It bemused many of us that there were indeed 20 different female songsters of note. Many of us lost the plot and fell to discussing how it would be if we were all in a residential home, and what roles each of us would play.

Our February meeting is at the Free Church on Thursday 11th at 7.30pm and will be a craft evening. Being so near Valentine's Day we are planning to make cards on that theme, so please let me know if you are coming so I can make enough kits. Also March 11th is the annual dinner and please let Jackie know numbers.

Elizabeth Gingell

THEATRE GROUP

Triffids have made a comeback and with Spielberg's recent revival of *The War of the Worlds* there seems to be much interest in alien life forms having a healthy appetite for a bit of Homo sapiens. This theme is also explored in the Theatre Group's latest production, of the modern classic *The Little Shop of Horrors* by Alan Menken and Howard Ashman. But there's much fun to be had with this comedy musical about a failing downtown florist's shop which acquires a strange looking plant. The shop's hapless worker, Seymour Krelborn, tries to nurture the plant which he names Audrey II after his fellow shop worker Audrey who he is secretly in love with. The plant seems to be dying despite Seymour's efforts until he discovers that the plant seems to respond to drops of blood after he accidentally pricks his finger on a thorn. Seymour keeps the reasons for the plant's revival a secret. As Audrey II grows, the plant becomes an attraction and as the florist's business grows so too does the plant's appetite. How can Seymour satisfy the plants vocal demands to be fed? Could Audrey's abusive boyfriend Orin Scrivello, a sadistic dentist, provide the answer? The lively music keeps the pace racing along with several show-stoppers including *Skid Row (Downtown, Somewhere That's Green, Suddenly, Seymour)*.

The production will run from Thursday 11th to Saturday 13th February 2010 at the Community Centre. Tickets cost £7 and £5 concessions and are available from the Co-op Pharmacy, Paddock Butchers or from Susan Dean on 01562 884906. The show will commence at 7:30pm with doors opening at 7:00pm.

Please let Susan Dean know if you are interested in helping stage any aspect of live theatre.

The Parish of Hagley
St John the Baptist with St Saviour

FEBRUARY 2010

Lent 2010

Lent begins on Ash Wednesday, which this year falls on 17th February. There will be the traditional service of Holy Communion with the Imposition of Ashes at 8.00 pm in St Saviour's, which will be both penitential and reflective.

Lent Course

The 2010 Lent Course from "York Courses" is entitled "When I Survey ... Christ's cross and ours". 'According to the Bible, the death of Jesus is not the end of a track – it's the gateway into life. His crucifixion gives rise to many key themes'. The course aims to explore some of these, including the place of silence in our noisy world, despair and hope, a suffering world, and the challenge of living as disciples when Christianity is no longer mainstream. Participants on the course CD include John Bell, a music specialist from the Iona Community; General Richard Dannatt, Chief of Staff and head of the British Army until last August; and Dr Christina Baxter, Principal of St John's Theological College, Nottingham. Details of groups will be published in our weekly Pewsheets.

The Weddings Project

Worcester Diocese has been asked to be a pioneer diocese in "The Weddings Project", a national initiative set up to promote marriage and enrich the experience of couples being married in the Church of England. As Hagley is among the parishes doing the largest numbers of weddings in Worcester Diocese, our Rector Richard has been invited to take part in the initial events which form the launch of this project this month

Hagley Catholic High School

The visual and performing arts specialism continues to give our pupils an extensive range of opportunities and wonderful experiences.

Hagley is one of four schools in the County to be selected for a very exciting “boys dance project” in conjunction with **People Dancing**, the West Midlands’ Culture Programme for London 2012 funded by legacy Trust UK and Arts Council England. **People Dancing** uses the inspiration of the London 2012 Games to get as many people as possible dancing in the West Midlands. We have a male dance artist coming in to work with the school throughout the Spring term. There will be a final showing in Pershore’s Number 8 Theatre on Monday 29th March.

Students from across the ContinU Consortium attend Hagley on Fridays to undertake the Diploma in IT which will lead to 7 GCSEs at A*–C. Applied and work-related learning is a key feature of the course which makes it stand out from existing qualifications. Students started the year with a visit to Alton Towers, including the opportunity to explore how IT is being used in the operation of rides and attractions.

At the beginning of December we teamed up with Aspire Consortium (Worcester) to take part in a visit to the European Headquarters of Mazak based in Worcester. Students found IT has led to a wide range of developments and improvements in manufacturing. This included a tour of the factory and customer showroom. It was amazing to see what impact IT has had on industry over the past decade.

In December students were invited to Carrot in Stourbridge to prepare for their January examination which is centred on a Fitness Centre. Students were able to question the Manager on how he currently uses IT to support his business and also what plans he has for the future. It was really interesting to hear how modern technology has made business more competitive and profitable.

Hagley Primary School

We were very pleased that Hagley Primary School was judged good with outstanding aspects in our recent Ofsted inspection. The Inspectors were with us for two days and praised the children’s behaviour and the school’s close links with parents and the community. The School’s international partnerships were also considered to be outstanding.

Eight members of our teaching staff will be travelling to The Gambia during February half term to visit our partner school in Jan Jan Bureh. While there we will develop our work in sustainability and run a series of workshops for our link school staff.

Stourbridge Speakers Club

Sweaty palms, shortness of breath, blurred vision? No, you aren't having a heart attack. You're giving a speech! So commenced an article in Forbes Business Magazine. On Monday February 1st undoubtedly there will be one or two experiencing the above symptoms, as it's the club's annual speaking competition. But competitions are a very small part of what we do at Stourbridge Speakers Club. The Forbes article went on to list top tips from 28 experienced speakers. We may not have that many speakers but we have sufficient to be able to provide help, advice, guidance and encouragement to anyone wanting to improve their speaking skills, whatever their current level of experience or confidence.

Here's a good tip: breathe! It is instructive sitting close to the lecturn when a nervous speaker is performing. You can hear them gasping for breath, which does nothing to help their performance. There are some simple fixes for this. Settle yourself before you speak—the audience will wait—and take a deep breath. Don't speak too quickly. Use frequent pauses to allow the audience to absorb what you've said and to allow yourself time to breathe. Watch the likes of Barack Obama or Tony Blair to see this in action.

For more tips, come along to our fortnightly meetings at the Talbot Hotel in Stourbridge High Street. For more information about the club and what we do visit our website: www.stourbridgeasc.org.uk or phone 01527 835161.
