Dear Editor

My husband and I would like to draw attention to the problem of dog fouling, particularly on the public footpath that crosses the field between Sweetpool Lane and Stakenbridge Farm. What was, until recently, a very pleasant walk has now become an exercise in dog mess avoidance!

Your eyes cannot stray from the ground; otherwise you run the risk of stepping in an offending "mound" left by thoughtless dog owners who are using this area as a dog toilet. It must be of particular concern to parents of young children.

Dog owners need to be reminded that failure to clear up after your dog is contravening the Dogs (Fouling of Land) Act 1996 Chapter 20.

Thank you

May I, through your magazine thank all the kind friends and neighbours who through all the recent bad weather made sure that we, who are not so sure footed, didn't go without essentials. A true spirit of the Good Samaritan and one more reason to be glad that I live in Hagley. God Bless You All.

HAGLEY PARISH COUNCIL

Please remember the Annual Parish Council meeting 15 March at 7pm in the Community Centre. All welcome to hear the Chairman's report on the Parish Council's annual activities and take the opportunity to ask questions of the Parish Councillors on local issues and concerns.

Just a reminder that our formal Parish Council meetings are held on the 2nd and 4th Mondays in the Parish Council Meeting Room (74a Worcester Road) starting at 7pm. All welcome to observe the meeting. The agendas are always on the Parish Council notice boards a few days before the meeting.

Don't forget that we are always looking for new members to join the Parish Council please contact me or the Chairman for more information.

PLANNING

In December and January, the council looked at the following applications. There were no objections to 09/0831 51 Sweetpool Lane and 09/0849 15 Harberrow Close.

09/0894 4 Meadowcroft: 4 bedroomed detached house. **OBJECTION** on grounds of the number of houses in that area and the presence of the watercourse.

09/0940 14 Sweetpool Lane: Front and rear extension and conversion of roof space. **OBJECTION** as this is turning another bungalow into a house; it is a very large extension which looks as if it may be over 40% and will overlook neighbours.

09/0964 37 Western Road: **OBJECTION** although this is Clent, the proximity to Hagley will have an impact on Hagley. It is against the sustainable communities strategy and may impact on land currently in an area of development restraint (ADR).

Full details of all planning applications can be viewed via <http://appuview.bromsgrove.gov.uk>

DOG FOULING.

This is continuing to be a serious issue on Centenary Field. Under the Clean Neighbourhood and Environment Act 2000 Parish Councils could act, if they so wished, and issue fines. Clent Parish Council has no plans to implement this Act at this time, but is monitoring the problem and if the situation does not improve we will have to start implementing.

HAGLEY AND RURAL LOCAL NEIGHBOURHOOD PARTNERSHIPS.

This group will fold at the end of the financial year. It has been decided that five parishes; Hagley, Clent, Romsley, Hunnington and Frankley will split £20,000. Half will be used to purchase speed guns which would be rotated around the parishes and the remaining would be split between the parishes for projects of their choice (£2000 each).

HISTORICAL & FIELD SOCIETY

Ray Porter opened the February meeting by welcoming visitors and new members, detailing the outing to the Morgan Factory and Malvern Priory on 27th April, inviting members and friends to the Social on 21st May and advertising the ramble around Halesowen on the following Sunday.

Our speaker was Graham Fisher, from the Broadfield House Glass Museum, presenting *Jewels on the Cut*. Graham took us on a journey along the Stourbridge Canal Town Arm, starting at the Bonded Warehouse. We looked at the remains of the numerous glass factories that lined its banks, some pre-dating the Canal's opening in 1779 by over 150 years. We saw other factories that opened after the Canal came and were surprised that most Stourbridge glass was made in Wordsley! As we worked our way along the towpath, Graham explained the significance of the various ruined buildings and bridges. Not only did we learn something of the individual factories, but a little about the building of *Agenoria* and *Stourbridge Lion* at Foster and Rastrick's and of the Kinver Light Railway. However, the main theme was glass and so we saw remains of such works as Dovey's, Holloway End, Platts, New Dial, Audnam and, of course, Stourbridge Glass. All too soon we arrived at Wordsley Junction and the 'main line': our 'walk' was over, leaving further exploration for another day.

The next meeting of the Society is on Tuesday 2nd March when John Aitken will present *Prince Albert and the Crystal Palace Exhibition*.

On Tuesday 6th April, Irene Oliver will present *Louisa Ryland: a 19th Century Business Woman and Philanthropist*.

Alan Atkinson

ART CLUB

At the March 12th meeting we have a return visit from Lyn Bailey on Unusual Techniques in Watercolours. Looking ahead to the April meeting on Friday evening 9th April the subject will be **Pen and Wash** by Alan Yates. Some attractive work can be produced by this medium. An Artist-Architect that used this method in various book illustrations was Hugh Casson.

We meet, as usual, in St Saviour's Church Hall, Hagley at 7.30pm. Members should be renewing their membership at the March meeting for the year at the fee agreed at the AGM in February.

CLUB REPORTS

AFTERNOON W.I.

The January meeting had to be postponed because of the snow but there was a good turn out the following week—when fortunately the snow and ice had cleared—to hear Jacky Smith’s wide-ranging and stimulating talk on *New Zealand and the Hagley Connection*. She spoke of the geology, geography and settlement of New Zealand, and of her own introduction to the Maoris and their history and culture. With her slides of archive photographs, newspaper articles and early settlement documents, and the beautiful photographs from her visit to the South Island—including Christchurch, Lyttelton Harbour and Hagley Park—it was a fascinating afternoon.

Looking ahead to the coming months, Graham Sutherland will talk at the meeting on Monday 8th March on *Wicked Women* and on Monday 12th April Dave Smith will demonstrate how to plant Hanging Baskets in preparation for the summer. In addition to our regular meetings, on Saturday 17 April there will be an indoor Car Boot Sale in the Community Centre.

Our meetings are held on the second Monday of each month at 2pm in the Hagley Community Centre—we are very happy to welcome visitors.

Rosie Wynne

EVENING W.I.

2010 started with a lot of snow, thank goodness we can now look forward to spring. Our meetings have had very varied content to keep us on our toes and our speakers are vary varied. January’s was no exception and was very thought provoking as to the way we look after our bodies. March 17 is on *Corsetry* by Rod Quilter. We can only surmise what it is all about; the mind goes back to our childhood watching our mother get dressed!!

You will find a very warm welcome at our meeting, so do come along and join us for a nice cup of tea/coffee. The nights are drawing out now; Spring is on its way! I hope by the time you read this it will be here. If you want to know more about us please ring 882875 or take a look at the notice board by the chemist for more information about our outings etc.

CLUB REPORTS

ROTARY CLUB

Our Cabaret Evening in mid February was a great success raising over £1,000 for local charities. Dave Huband, the comedian, was very amusing and over 120 friends of Rotary enjoyed our annual event at the Hagley Community Centre.

Rotary International is helping to ease the suffering of hundreds of thousands of people affected by the Haitian earthquake. We are all collecting and donating money which will be given directly to Rotary Clubs in Haiti to cut out the middle men. Also to pay for the Shelter Box Charity Scheme which is in full swing, giving practical relief to the devastated communities. Shelter Box was used to good effect in the Indonesian Sunami, Hurricane Katrina and the Burma Flood disasters.

Humanitarian aid is delivered in iconic green boxes which each contain a tent for up to 10 people, a stove, blankets, a water purification kit and other items essential for survival. Each box costs £490, including all materials, storage, transport and distribution; this equates to less than 30p per person per day. Nearly 300 boxes were flown in at the end of the first week and a further 1,000 delivered after a fortnight. This will continue as long as necessary.

If you would like to find out more about Rotary please call me on 07966 116612, and come and visit us one Monday evening at the Stone Manor Hotel.

CLUB REPORTS

Girl Guiding Walton District

Our Centenary Celebrations are well under way and the girls will be involved in special events at Regional, County and local levels. In our unit meetings in Walton District, activities have been planned so that all girls achieve the 'Adventure 100 Centenary Challenge Badge'—a specially commissioned badge for Centenary Year. To achieve the badge, girls undertake challenges and activities from ten sections; each activity carries a number of points and the aim is to gain at least 100 points in the Centenary Year—a number of girls are already on their way to their total.

Some of the activities undertaken so far have been:

- **Rainbows**—making dream catchers and looking for constellations in the night sky.
- **Brownies**—completing the 'Brownies Traditions' badge, having a 'Sausage Sizzle' in the dark at Kinver Scout Camp and making chocolate hedgehogs as part of a 'nocturnal animals' theme evening
- **Guides**—composing radio jingles that were broadcast on Bridge FM and holding a Promise Ceremony at the Centenary Exhibition in Hartlebury Museum

This is a special year for us and for all the girls involved in Guiding in Hagley, Walton District. You never know when you are making a memory and we hope that the girls will have many happy memories of this Centenary year.

Di Kennedy
District Commissioner.

TREFOIL GUILD

We may not have been all together as a group these last inclement months but we certainly have been in contact with each other with many flowers, phone calls and 'Get Well' cards passing back and forth. That may sound dreary but it's not meant to be; it just shows that we're there for each other when needed.

March 11th is the date for our Annual Dinner. Jacky has the details (remember how well she organised it last time?) and waits to hear from you. Later in the month, on the 28th we are promised a 'Gang Show' and many of us will be there to support other members of our Guiding Family.

CLUB REPORTS

Stourbridge Speakers Club

Free! Speaking in Public Taster Evening

Following on from the successful event held back in October, we will be hosting another evening where there will be a chance to Look, Listen and Learn and try for yourself if you wish. This is an opportunity for anyone who wants to improve speaking and presentation skills, confidence and career prospects.

Join us for the Taster Evening in the Windsor Room, Talbot Hotel, Stourbridge High Street on Wednesday 24th March at 7:15pm for a 7:30pm start. Given that most people are nervous about speaking, we try to put everyone at ease as soon as they arrive. Feedback from attendees last time included, "Very helpful, interesting and entertaining" and "Welcoming, put at ease".

Julia Tolson is a 'convert' from our previous Taster. Julia said, "Like many people, I find public speaking quite a challenge. To overcome this, I've recently taken the plunge and joined Stourbridge Speakers Club. In the short time I've been with the club my own speaking skills have improved; it's been great fun and very entertaining at the same time."

You can just turn up on the night for the Taster event but if you can't make it, come along to one of our regular club meetings in the Talbot. In March they are on 1st, 15th and 29th. For more information about the club and what we do visit our website: www.stourbridgeasc.org.uk or phone 01527 835161.

SCHOOL NEWS

Hagley Primary School

After winning the girls and boys teams Wyre Forest and Hagley under 11s school football tournament, both teams went forward to the Worcestershire finals. We were very pleased that the boys won the Worcestershire competition and will now represent the county in the Midlands finals. Well done to our girls' team for getting so far.

Kevin Bailey, head teacher, was delighted to accept an invitation to a celebration from the Academy of Culinary Arts. Hagley Primary School is fortunate to host regular visits from Idris Caldora to encourage wider participation in cooking. The event was attended by its Patron the Prince of Wales, and the Duchess of Cornwall.

We are pleased that our office and Children's Centre extensions have started and we look forward to the work being completed in the summer.

Hagley Catholic High School

As part of our Arts College Status, we had the opportunity to give our guests from 'Halas House' another enjoyable event in February. Thirty plus members of the Gateway group came to Hagley to take part in an art evening to design and make a fabric cotton bag. A professional artist was employed to teach our guests and they were ably assisted by our students.

In February, Year 11 had the opportunity to work with artist Jennifer Collier to produce a variety of different pieces of work, experimenting with found and recycled materials. They spent half a day learning new and exciting techniques.

A group of students have visited Oxford University already this year as part of our Aim Higher project which encourages students to make full use of their abilities.

The Challenge Team visited school to present drama and activities designed to develop a chaste attitude to sex and relationships for students in years 9 and 10.

The school's Eco group has begun work on the construction of a school pond which will adjoin the Eco-Garden. Vegetables grow well in this sunny spot. They are bought and enjoyed by staff so that the money can be used to develop the project. Students benefit in a variety of ways and learn the importance of sustainability and respect for the environment.

Haybridge High School and Sixth Form

Haybridge High School and Sixth Form will be presenting the all singing all dancing classic 'Half a Sixpence', from Wednesday 17th to Saturday 20th March 2010 at 7:30p.m. To order tickets and join our exciting cast, please email: halfasixpence@haybridge.worcs.sch.uk or call the main school office on 01562 886213.

Two Sixth Form students Matthew Hedar and Jess Sidaway have joined forces with five students from Hagley Catholic High School to increase the communal link between Hagley village, the community and the schools. The delegates have realised that currently local businesses have to telephone the schools with any comments or concerns they may have regarding students. The proposal is to visit businesses in the village on a weekly basis, where they will monitor and record all comments. However, we will also welcome positive feedback, good ideas and noteworthy praise which we can relay to our students.

Our congratulations go to Daniel Allford of Year 13, who achieved 89% and a Gold Award in the Senior Maths Challenge.

Next year marks the 65th anniversary of the end of World War Two. In order to commemorate this important event, we would like to hear from anyone who has any memories, stories and anecdotes etc from this period. We are particularly interested in hearing about how the war affected peoples' everyday lives, especially those of women, but we would welcome any information. If you feel you can help in any way, please contact swhiley@haybridge.worcs.sch.uk or leave your contact details with our reception.
