EDITORIAL

Autumn is starting to draw in as I write, with that definite coolness in the early mornings. By now, we will have glorious colours and fresh sunny days hopefully. This year we will have a bonfire, run by Hagley Rambler Scouts, see the cover and page 47. What a great Autumn event a bonfire is and with an exciting firework display!

The Village Show was a great success, with excellent exhibits in spite of the weather, thank you for your support. Full report next month.

Dear Editor

District Councillors Steve Colella and Chris Scurrrell are supporting the call for the removal of the land identified for housing known as the Hagley ADR (along the A456 rear of Brook Crescent and Western Road up to the traffic island at top Hagley). The whole area could result in the building of an additional several hundred houses which we believe to be totally unsustainable and damaging to the character of Hagley. Such a development on this scale will adversely affect the schools and doctors as well as causing additional pressure on the local road systems and adding to the already poor air quality. In order that we can make a strong case we need as many residents of Hagley and Clent to write or e-mail us ASAP with your support.

HAGLEY PARISH COUNCIL

Hagley Parish Council is pleased to report that Bromsgrove District Council's Planning Officer had recommended refusal of the application for 39 houses rear of Brook Crescent and Western Rd. At the time of writing the hearing is due to take place on the 6th Sept. We expect the members of the planning committee to agree with the recommended refusal. The Parish Council objected to the application and was very well supported by Hagley and Clent residents along with Clent Parish Council, the elected District Councillors Steve Colella, Chris Scurrell and Margret Sherry.

Well done to the organisers of the residents' objections and to everyone who took the time to also object. Some may know Hagley Parish Council objected to this area being identified as future housing land, which has the potential for several hundred houses. We believe this to be unsustainable and highly destructive to the character and out of keeping with the environment. To stop any similar applications we need to formally request that this is removed from future housing plans and returned to greenbelt status. Therefore **we need your support**, even if you don't live directly next to the site. Additional houses will adversely impact upon the road infrastructure, air quality, schools, doctors, general amenities and general degrading of the local character. Please write with your support to "remove the ADR" to Hagley Parish Council or to the District Councillors (S Colella and C Scurrell). We will collate them to present to the planners. **Your village needs you.**

The Parish Council is once again supporting this year's Christmas event organised by the Business Association – lookout for more details.

The Parish Council is also very pleased to report that after two or three years of trying we have finally got a flashing speed sign! The sign will be rotated throughout Hagley. We will continue to ask the Police to support the enforcement of the speed limits on our roads. The speed signs are currently on the Worcester Rd opposite Middlefield Rd.

STOP PRESS: The application was refused. Well done everyone.

Catherine Humphries, Clerk to the Council

In Memoriam

"John Lynda and Chris would like to thank you for the love and support given to us since the loss of David. The kind words, messages and attendance at Stourbridge Crematorium have given us strength and although he will be greatly missed he will be forever in our hearts. Thank you also for the generous donations to JDRF in David's memory."

VICTORIAN HAGLEY

A night out in Victorian Hagley

Stephen Roberts, who is Head of Humanities at Hagley Catholic High School, describes a favourite recreation of our Victorian forebears ...

Just like us, the Victorians enjoyed an evening out. The agricultural labourers of Hagley and Blakedown had pubs such as the Fox to visit; the more well-to-do would attend soirees in each other's homes, where there would be food, drink and music. One destination that the Victorians greatly enjoyed in an age when there was no cinema or television was the public meeting. We do not attend such events now, but in the nineteenth century speakers in favour of political reform, peace, teetotalism or mesmerism commonly appeared in towns and villages.

One such public meeting took place in one of the barns of Hagley Hall in January 1879. Lord Lyttelton himself and the Revd. W. Kipling Fox spoke on behalf of the Church of England Temperance Society. There was 'a good attendance' as Lyttelton and Kipling Fox spoke of 'the torrent of drunkenness in this country' and the 'very great movement for the suppression of drunkenness'. There was indeed a powerful campaign throughout the nineteenth century to promote teetotalism. This was the age of self improvement, and one way to better yourself was to abstain from alcohol. Lyttelton was optimistic: the ruling class could 'now ... not be charged (with being) addicted to strong drink' and amongst working people 'the drunkard was coming to be viewed with opprobrium'. Lyttelton hoped that working men could be persuaded to patronise coffee houses instead of inns. He helped fund the establishment of such a coffee house in Bromsgrove and hoped that another might be opened in Hagley. However, no such coffee house opened, and the Fox and other pubs in the vicinity continued to do good business.

Berrow's Worcester Journal, 25 January 1879.

AFTERNOON W.I.

It may be brilliant sun as you read this - but there was wind and rain rather than sun for our Garden Party - which became an Indoor Party! In spite of this, we had a very enjoyable afternoon - good company including guests from the Evening WI, interesting stalls and great food.

On Monday 11 October, we are looking forward to hearing Brian Draper's talk on the River Teme - from its source in the Kerry Hills to the River Severn at Worcester - at 2pm in the Community Centre.

The Book Club and the Craft Group are meeting again after the summer break.

The Spring Fashion Show by Debut of Hagley was such a hit that we are delighted that later in the month they will be showing their Autumn and Winter Fashions. The date for your diary is Wednesday 27 October at 2pm in the Community Centre - and of course there will also be tea and cakes. Do join us.

CLUB REPORTS

Art Club

As the year progresses we come to events that involve all the membership. October is the month of our appraisals which will be given by Malcolm Brooks (RBSA), Friday evening 8th October in St Saviour's Hall at 7:30pm. Members who wish to have an opinion should bring two paintings, framed or unframed, of recent work. Appraisals are important as the comments made by the visiting artist will indicate the strengths and weaknesses in our pictures, in a sense they can be more instructive than a demonstration.

The other event in our calendar is the Annual Exhibition, November 19th - 21st at the Hagley Community Hall.

Alan Pritchard
Hon. president

ROTARY CLUB

Last month the Chernobyl Children's Lifeline charity brought 24 children from Belarus, Russia to stay for a month with host families in Hagley and Kinver. Their homeland was devastated by the terrible accident at the nuclear power station, with many still suffering from radiation contamination.

Ian Robinson of Robinson & Sproson Opticians gave them all an eye health check and free spectacles where needed. Philip Paddock the butcher supplied the meat for a BBQ for the children and helpers, and we also assisted with some of the air fares.

Each year there is a Rotary District Quiz. We had a good evening of fellowship at Redditch R.C. and easily beat them in the quiz. We look forward to our annual golf match against Stourbridge and Hasbury & Cradley Rotary Clubs.

Last month David Butler, District Governor, and chief Rotarian in the West Midlands, visited our club and gave an interesting and inspiring speech about the impact of Rotary's work, in the local community and internationally. After 20 years of hard work and fundraising, we are on the verge of eradicating polio worldwide. We need to raise £130m this year to complete this, our biggest international project. Also, over 10,000 Shelterboxes have been sent to Haiti, and 3,000 to Pakistan. David encouraged members to spread the message of Rotary's good work and persuade more local people to come and join us. If you are interested, please call me on 07966 116612, then come for a free meal with us at the Stone Manor Hotel.

Hagley Cricket Club

The cricket season is now over for Hagley Cricket Club and the ground has been put to bed for the winter. Hagley's 1st and 2nd teams have remained in their respective leagues and Hagley's 3rd team may achieve promotion depending on movement in leagues above.

Everything is now quiet at the club for a few months whilst the players will be busy watching England's trip to Australia. Many of the committee members will be preparing for the 2011 season with setting the club up and finalising who will be taking on roles at the club next season.

Early next year, work will begin on preparing the ground and facilities for the new season, and any help would be appreciated. We are looking at revamping the clubhouse and external area in front of the club over the winter.

Hagley are still in desperate need of a scorer for their 1st team every Saturday when the new season gets underway in April 2011. A small fee would be paid and food and drink provided. If anyone would like to get involved and help out a local team, please ring Rus Andrews on 07811405891.

If any new members would like to join please contact Rus Andrews or come to winter training, for which dates will be announced nearer the time. Any juniors aged between 9-16 who would like to join our youth set-up which trains on Mondays or Fridays depending on age please contact Ian Watt on 07886483737. For any further details see our website <http://hagley.play-cricket.com>

Stourbridge Speakers Club

We're well into our new season at Stourbridge Speakers Club and have several new members setting out along the road to develop their speaking skills. Most newcomers improve very quickly and benefit enormously from just a few months of attending our meetings. However, most soon realise that there is much more to giving a memorable speech or making a riveting presentation than is at first apparent. After early fears have been overcome, the whole experience becomes enjoyable as well as a stimulating challenge.

In addition to the more formal prepared speeches, we also practise impromptu speaking. The benefit of being able to speak confidently off-the-cuff was demonstrated at a school enterprise day that I supported with a fellow club member. With no warning or preparation time she was asked to talk for a few minutes about her businesses to an audience of 100 or more 14-15 year-old girls. These are the opportunities that a confident and practised speaker can enjoy rather than fear. The key word there is practice. You will only become a good speaker by practising whilst receiving constructive advice on areas for improvement. And, of course, by listening to a range of other speakers you will pick up ideas for further improvement.

We always try to make visitors feel very welcome, so come along to experience what we do at our friendly club. For more information, visit our website: www.StourbridgeSpeakers.org.uk or phone 01527 835161.

Book Club

Off we go on our vicarious travels - our theme this month is adventurers and explorers. The world is our oyster!

We meet at 9 Oldfields at 8.00p.m. Wednesday 13th October. Details 884469

TREFOIL GUILD

The August outing to the peony factory at Newton Abbott was very interesting and enjoyable. To say that they make imitation flowers does not give the whole story; their products are absolutely beautiful and a joy to see. So thanks must go to Barbara who arranged a visit which was so pleasurable for all.

The date for our October meeting has been changed to 7th; this is so that we can see (to quote our very own Village News) 'Our talented Youth Theatre in a production of Disney's Beauty and the Beast' in the Community Centre. One of our members has invited us all for coffee and cakes to round off the evening, so bring your torches for a walk across the park. Pauline is booking the tickets for us all, so let her know in good time, remembering the change of date to 7th October.

Elizabeth Gingell

Walton District Girl Guiding

This month Janet Richards leader of 2nd Hagley Guides describes her experience at the Girl Guiding Centenary Camp this summer.....

"Camp like you have never camped before said Girl Guiding UK - we certainly did!

The first week of August saw 5000 Guides and Leaders from all over the world congregate for a camp at Harewood House, Leeds to celebrate the Centenary of Guiding.

"Wow" was the expression we used as we walked across the fields towards the camp - it was huge. There were massive tents erected already for catering, disco, retail and cinema activities- and that was before our own tents were put up.

The week was filled with activities celebrating Guiding from the last 100 years, today and the future. There was even an artificial snow slope that was particularly enjoyed by some international guests who had never seen snow before. Guides and Leaders enjoyed craft, sport and outdoor activities throughout the week with opportunities to try activities that we had not done before.

We met with old friends and made new ones-the camp demonstrated the very best of what Girl Guiding has to offer for both girls and Leaders and a truly once in a lifetime experience....."

Finally a plea for help from me - to ensure Girl Guiding can continue in Walton District we need new leaders. If interested in volunteering and joining in the fun please contact me to discuss further. Thank you.

Di Kennedy, District Commissioner.

At Artrix, we are committed to programming a wide range of Visual and Performing Arts. Some forms, such as Comedy and Live Popular Music, attract good audiences, and often the shows sell out.

Other forms, such as Classical Music and Drama, are not as popular. This is disappointing because the quality of these Programmes is very high.

Bromsgrove Concerts provide the core of our Classical Music Programme. Their concerts take place on about eight to ten Friday evenings from October to May and the visiting musicians are mostly young highly talented performers, playing a mix of well and lesser known pieces. The pianists love playing our Steinway !!

Our Drama Programme is provided by visiting companies or individual performers. The range of work is very varied, but in the five years of staging drama at Artrix, the reaction of the audience as they leave the theatre has been very favourable – invariably the comment is “what a good show – what a pity there wasn't a bigger audience!”

Full details of these Programmes can be found in the Brochures or online at www.artrix.co.uk We hope that you will join us for one of the performances.

The Parish of Hagley
St John the Baptist with St Saviour

OCTOBER 2010

www.hagleycofe.co.uk

Centenary of St Saviour's Organ

St Saviour's Organ was installed in 1910 – only two years after the church's dedication, and before many of the building's other "fittings", such as the pulpit and choir-stalls. We shall celebrate this with an evening of music on Sunday 10 October – beginning with Compline at 6.00 pm and ending with refreshments.

Annual All Souls Service – Sunday 7 November

All Souls' Tide gives an opportunity to remember those who have died, especially in the recent past. Everyone is warmly invited to a service at St Saviour's on Sunday 7 November at 6.30 pm to remember a loved one and to light a candle.

Ex Cathedra, Carols by Candlelight – Tuesday 14th December

Tickets are now available for Ex Cathedra's Christmas Concert in St John's. Prices are £17, £15 and £12, from Mercian Travel, 884216.

Christmas Holiday Club

Following the very enjoyable holiday clubs we've run during the last year – at Christmas, Easter, and in the summer – we will be organizing another this Christmas time, on Tue 21, Wed 22 and Thur 23 December.

U3A

Hagley U3A started its new term on Wednesday 1st September with a talk given by Paul McGuire who worked for 15 years as a BBC warm up man. Not a job that normally gets much limelight, he told us about the changes in the role over the years as radio gave way to TV and as the participation of an audience became increasingly necessary and complicated. Having previously worked as a "Redcoat" this was a very humorous as well as an interesting account of the various shows Mr McGuire had worked with over many years, which included The Black and White Minstrel Show and The Goon Show. We heard that The Black and White Minstrel Show was the first programme where the singing was pre-recorded and the performers mimed.

We were also given a small insight into what some of the famous stars were like and it was surprising to learn how insecure and nervous so many were.

Nowadays the warm-up man has to work very closely with the production team as shows are very technical and fast moving. It is no longer a case of holding up a board that says "Laugh". And of course things are made more complicated when a performer doesn't keep to the script!

This talk was well received by members and was an excellent start to our Autumn programme.

During the August break we held a very successful Quiz Evening and supper, and a visit to Cambridge, including a private tour of Jesus College, in late September.

Hagley Catholic High School

Our GCSE results reached a record high of 86%. Outstanding performances came from Benedict Campbell, Sarah McGuinness, Ceri Savage, Thomas Speakman, Emma Woods, Heather Taylor, Jared and Adrian Kramer and Harley Jeavons who all achieved ten or eleven subjects at A or A* while Gemma Bagnall, Jenny Matthews and Charlie Dickens attained nine A*s with A grades in their other subjects.

A level results were similarly impressive with an average point score of 332.

We look forward to an eventful year with good opportunities, many funded by our specialism in the Visual and Performing Arts and which reflect our Catholic ethos. The visit of Pope Benedict XVI has been an outstanding opportunity for us to express our faith through music. The school choir left at 4am on 19 September to participate in the final rehearsal before the Papal Mass. Students were prepared in lessons to appreciate the importance of this wonderful occasion and to be inspired by the vision of John Henry Newman who was beatified during the celebration. The whole school benefited from hearing Pope Benedict address the youth of the United Kingdom from St Mary's University College, London, in what has been termed "The Big Assembly" on 17 September.

Many exciting activities and events are planned including ski trips, sports fixtures, displays, demonstrations, theatre visits, concerts (including a performance by Hagley with feeder schools at Birmingham Town Hall), a dance production, a musical as well as arts evenings which will involve Sunfield School and the Halesowen Gateway club.

V. Greer-Spencer

Haybridge High School and Sixth Form

Haybridge begins the year with high expectations after another fantastic set of results in the summer examinations. Haybridge students raised the bar again, both at GCSE and A' Level. Our Year 11 did exceptionally well, with a superb 97% of students achieving the gold standard of 5 A*-C GCSE or better, with 85% achieving A*-C GCSE or better including English and Maths, a further increase on last year's excellent results. Impressively, 71% of students gained an A*-A grade, placing them at the very highest level of achievement. This is an outstanding success for the students and the school and one which puts the school in the top few percent nationally.

Individual successes at GCSE include students Emma James, Laura James and Caroline Hazel, who achieved 10 or more A*.

Similar success was enjoyed at AS and A' Level. This year the percentage of A and B grades achieved has continued to improve to 48% with 48 students achieving the equivalent of 3 As or higher at A-Level. Alice Pilborough achieved an outstanding 3 A* grades at A-Level and will be studying Molecular Cell Biology at The University of York. James Howell has secured a place at Oxford to study Chemistry and Caroline Busst who achieved 2 A*s and an A will be studying Radiotherapy at Birmingham City University.

12 Year 12 students achieved 4 A grade passes at AS level with two students achieving an outstanding 5 A grade passes.

Congratulations to students and staff alike on this fantastic achievement.
