EDITORIAL

There are some interesting talks and events planned for this month as you will see from the editorial pages.

Rotary are seeking new members; see page 17 and also their Cabaret Night notice on page 47.

The Parish Council will be looking for your support in the consultation period following publication of the District Council's Core Strategy which will outline future development in Hagley and the district.

We also have advance notice of this year's Music Festival in May – it's nice to have something to look forward to!

HAGLEY PARISH COUNCIL

Planning

In December we looked at three planning applications.

There were no objections to 10/1105 3 Brook Crescent and 10/1207 41 Worcester Road.

We objected to 10/1117 81 Sweetpool Lane – outline permission for 5 dwellings, renewal of 2002/1477, as before on the grounds of unnecessary and difficulty of access.

Recycling

A reminder that the recycling bins on the Worcester Rd car park will be removed shortly due to the provision of kerb side recycling throughout the village.

The Richardson Trophy

The 2010 award of the trophy was to Mr Don Freeth for all his work on the Hagley War Memorial. On behalf of the whole of Hagley, the Parish Council was delighted to show appreciation of Don's efforts.

The **Annual Parish Meeting** will be at the Community Centre at 8.00pm on Monday 21st March 2011. All are welcome. Please look out for more details on posters and the next Village News.

The publication of Bromsgrove District Council's core strategy has been delayed whilst the district planners consider the impact of the newly published 'Localism Bill'. This is important as it will show how the core strategy intends to listen to local opinion and what housing development is planned across the district as well as here in Hagley. The Parish Council will consider the strategy once it is published and continue to oppose over development. There will be a period of consultation at which time it will be important for as many objections as possible to be submitted to the council. The Parish Council will continue to act as the central consultees but it will be important that individual objections are raised.

At the time of writing the Hagley Hall Mews application is yet to be presented to the planning committee. This application has been objected to by the Parish Council as it is not sustainable, there is no demonstrable need and it represents an overbearing adverse impact on the local infrastructure, air quality and quality of lives of those living directly in the Hall's vicinity.

Catherine Humphries, Clerk to the Council

HISTORICAL & FIELD SOCIETY

The Society's December meeting took on a wartime look as we welcomed Paul Harding and Helen Lee from Discover History. Appropriately dressed for the part, Paul took us on an entertaining journey as he described a 1940s Christmas. This was no ordinary talk, nor was it illustrated with pictures of the time but instead we were treated to an exhibition of artefacts from the period. The shortage of traditional Christmas fare prompted those on the Home Front into some often bizarre substitutes for those articles no longer available and Paul showed us home-made Christmas cards, decorations and toys. Shortages of food led to some of the most inventive alternatives, like cardboard Christmas cakes and goose-shaped spam (complete with bones) for the Christmas day meal! Although far too young to remember the period, Paul is a professional historian and his research was sufficiently thorough to satisfy his audience, several of whom had been through the period he described and could readily identify with the shortages. The evening closed with some seasonal refreshments which were thankfully not on the ration!

The December walk took in Hagley Park and there will be a tour of the Hall for Society members and guests in March.

The next meeting is on 1st February, when John Hemingway will present 'The Pass of Pedmore'.

All will find a warm welcome at St. Saviour's Church Hall at 8pm at all meetings.

Alan Atkinson

Hagley Wives & Women's Fellowship

On February 8th we have a talk by Neil Roberts entitled The Secret life of a Magician, when Neil will lift the lid on magic clubs and societies.

Following this on 25th February we have Eugene & Margaret Schellenberg will be giving an illustrated talk about the Ifakara Bakery Project, this is a highly recommended talk not to be missed.

Please join us all on these occasions at St Saviour's Hall at 7.45pm. 884079 for information

CLUB REPORTS

AFTERNOON W.I.

At the Christmas Party in December, we welcomed visitors from Hagley Evening W.I. and from Blackwell and Burcot, our 'twin' W.I. After a minimum of business, the party commenced – with home-grown entertainment – hilarious games, challenging quizzes and amusing or moving readings. All this was followed by a delicious tea.

We were able to take a varied and beautifully knitted collection of blankets and bonnets to the Neonatal Unit at Russell's Hall Hospital recently. It was very interesting to visit the ward and a privilege to see some of the babies and talk to their parents.

The Craft Group will continue to meet and, among other activities, will knit more bonnets, blankets and jackets for the premature babies.

Almost to continue with this theme, David Chatterley will talk about the History of Teddy Bears at the meeting on Monday 14 February. Do think about coming along – you are assured of a very warm welcome.

Rosie Wynne

EVENING W.I.

When you are reading this I hope that the snow we had over Christmas

will just be a memory. But I do have to tell you that Hagley Evening had a lovely Christmas

Party and members from the Afternoon W.I. joined us in our celebrations.

We now look forward to 2011; our speakers are all booked and they are a very varied list of subjects. Our thanks go to our speakers' secretary Katie for the last few years.

If you would like to join us, our meetings are on the 3rd Wednesday in the Month 7.30pm in the Free Church Hall, Look forward to meeting you there.

Policing in Hagley

Thankfully this Christmas and New Year was a quiet period for Hagley possibly because of the weather. There have been no house burglaries and only two crimes against vehicles and neither were residents but were passing through and parked in lay-bys over night. One, a broken down car, was stolen before the owner came back to it and the other, a lorry, had diesel removed from it's tank.

There were no incidents of disorder reported and only a couple of minor anti social incidents, one prior to Christmas with snowballs being thrown and one in the early hours of Boxing Day with noisy revellers probably returning home after an evening out.

Now is the time to keep a note of all the serial numbers for all the new gadgets you received for Christmas and marking with your postcode and house number any valuable items that don't have them. Marking kits are available at most stationary stores and records can be kept on computer with hard copies as back up. However, there is now a secure website www.immobilise.com where this information can be uploaded, it is endorsed by the Home Office and Police Forces including West Mercia. The site includes a property search facility for the Police so they can locate owners of stolen property found through enquiries, please have a look at it if you can and see what you think.

Stourbridge Speakers Club

We all know that the stereotypical Frenchman cannot speak without waving his arms around don't we? Although based on my own observations this isn't a particularly accurate picture. However, put many of us behind a lectern and you might be forgiven for thinking we were French, as we tend to wave our arms around for no particularly good reason. I worked with one chief executive who gave a more than passable impression of a seal when making a speech. His arms used to flap in and out in the way that a seal appears to be clapping with its flippers. Once this idiosyncratic behaviour was spotted it was impossible to concentrate on what he was saying because the audience became mesmerised by his performance and was sitting there just waiting for someone to toss a ball onto the stage so that he could balance it on his nose!

So what to do with hands and arms? Hands in pockets – no, far too sloppy looking. We could hold the lectern, but then the audience may spot the whites of our knuckles as we hold on grimly. The answer is to come along to Stourbridge Speakers Club and we'll show you how to use gestures to enhance the words you are using rather than to impersonate a Frenchman or a seal.

For more information, visit our website: www.StourbridgeSpeakers.org.uk or phone 01527 835161.

THEATRE GROUP

As the Village News goes to press we are trying to arrange two musical evenings on the 11th and 12th February at the Community Centre. Our intention is to engage the services of a former member of the Group's Youth Section, Ian Fox, who is now a professional entertainer. These evenings will act in part as fundraisers for the Theatre Group. Ian and his invited guests, who may include members of the Theatre Group, will perform many songs from hit musicals from the stage and screen. These promise to be really entertaining evenings so please put a note in your diary. Performances will take place at 7.30 pm with doors opening at 7.00pm. For more information and tickets please contact Susan Dean on 07989 835736.

We are forming our programme for the year which will include a musical from the Youth Section in October. One exciting development is that one of our members has written a play and we had a first read through in December and this went very well. We are looking to potentially perform this later in the year.

If you would like to join us and take part in any aspect that live theatre can offer you, including stage management, acting, directing properties and wardrobe then please let Susan Dean know on 07989 835736.

TREFOIL GUILD

We said 'goodbye' to Centenary Celebrations with a very enjoyable Christmas Party. As requested, members brought along items 100 years old and some interesting stories were told.

Many groups nowadays have a scheme to ask members to donate to charity rather than give Christmas cards to one another. However, because we had made no mention of this, but thinking that we may have, some members brought along their cards, unsigned and not addressed, just to see how the land lay. Since there were cards being exchanged this resulted in the kitchen table being monopolised by card writers. In fact, at one stage, people were choosing the card they would like. Should we, next year, have a 'no cards' rule, or should we all bring our unwritten cards and have a free for all? Probably an item for the A.G.M.

The February meeting is on Thursday 10th, in the Free Church at 7.30p.m. A craft evening is planned, so come and be creative. Or just come and chat, if your creativeness is at a low ebb.

The January meeting kicked off to an excellent start with one of our own members giving an interesting and entertaining session, sharing with us some of his own, and some of his friends' audiovisuals. We were taken around orchid gardens, Padstow May Day Festival and spectacular snow scenes in Scotland (many of us wish it had stayed up there!) followed by very good animations.

The 2011 Programme was announced; we have a great year ahead, beginning with a Wild West Social and Supper in March, followed by lots more, including several outings.

HAGLEY ARTS CLUB

ART CLUB

February is the month when we review the past year's activity with the New Year ahead. The Club is now entering its **Twenty Second Year** since it was formed. This month is the Annual General Meeting when all officers and committee stand down for re-election.

Whilst there is no art demonstration, the AGM is an important meeting, so please attend if you can. The date is Friday evening 11th February in St. Saviour's Church Hall, Hagley at 7.30pm.

After the business session there will be a silent auction, an opportunity of disposing of surplus art materials or to buy items that would be useful.

Looking ahead to March there is a talk "Implementing Public Art in Dudley" by Steve Field, member of the Royal Birmingham Society of Artists.

A Pritchard
Honorary President

The Half Term Holiday sees a variety of entertainment for children of school age, as we pursue our policy of trying to make the venue of interest to all age groups.

At 7.00.p.m on Monday, February 21st London's world famous Science Museum is "Live on Tour" and takes to the stage with a spectacular live show, suitable for children aged 7 years and above, letting you experience spectacular science, dangerous demonstrations and extraordinary experiments.

On Wednesday, February 23rd at 2.30.p.m, "How the Koala Learnt to Hug" is the show. Written by Steven Lee especially for parents to enjoy with their children, it is a charming tale about the magic of family and, of course, the importance of a nice warm hug! Before the show, between 1.00 and 2.00 p.m, there is an "Aussie Craft Workshop in the Artrix Foyer.

And at 2.00.p.m on Thursday, February 24th, CBeebies presenter Andy Day and his comedy partner Mike James create the hilarious, slapstick and chaotic "Andy and Mike's Big Box of Bananas", a show suitable for 4-11 year olds and their entire families.

Tickets are available from the Box Office on 01527-577330 or online at www.artrix.co.uk

Hagley Catholic High School

Our students continue to benefit from a range of experiences. In November Year 12 students and staff attended the 6th Form Conference at Worcester Cathedral. Guest speakers included Robin Walker Conservative MP for Worcester, Tony Hull representative for the Electoral Reform Society and the MEP representative. A lively debate took place in this beautiful and interesting place.

At the end of term a Dance Showcase was performed which was an evening of high quality A level and GCSE Dance. One of the items was an example of the work of Spark which has developed into a strong company during the Autumn term as the dancers have been privileged enough to be taught by professional choreographer and practitioner Maria Blundell-Palethorpe.

In the Spring pupils will have the opportunity to see Matthew Bourne's production of Cinderella at the Birmingham Hippodrome. GCSE and A level students will be able to enjoy a residential trip where they will be attending the London Extravaganza 'Move It.' Pupils will take part in Dance Classes of all different styles and watch performances from their favourite dance acts. They will also be going to watch 'Chicago' at London's West End!

Our annual Christmas Concert, a liturgical celebration, took place in December. The Orchestra played well known carols while performances from Dance and Theatre Studies students, the Jazz Band and soloists were enjoyed by all. Afterwards a Christmas Fayre took place in the gym. There were a variety of stalls, including, Jewellery, Fair trade, refreshments, hot chocolate, tea coffee and mulled wine.

Following on from our successful toothbrush drive last Advent to support Crisis at Christmas, this year we collected donations of men's socks which will be given to the homeless in our country's major cities. Our Advent collection on the last day of term will also be for Crisis at Christmas. The pupils have been introduced to the work of Crisis which is a charity offering shelter, health checks and education to those who are homeless. They are encouraged to think about the real meaning of Christmas and to reach out to others with compassion and generosity.

Playgroup

We have had an enjoyable start to the new term and our new recruits have settled in well. We are busy organising lots of new activities, both indoors and outdoors, in the hope that we may soon enjoy some sunshine.

If you would like to know more about us, feel free to ring Sharon on 01562 882433 at any time.

Haybridge High School and Sixth Form

January saw the launch of Haybridge's very own radio station. Students in Years 8, 9 and the Sixth Form have been enjoying training sessions with professional broadcasters during the autumn term. The first 'live' show was broadcast at the start of this term and a podcast prepared by the Sixth Form will soon be available to download.

We are delighted that Haybridge High School has been re-accredited with the prestigious NACE Challenge Award for excellence in provision for able, gifted and talented students. Re-accreditation of the Award is given for sustaining high quality work throughout the school and in challenging all students, including those with high abilities, to achieve their best ever. Haybridge is only the third secondary school nationally to be re-accredited.

Grace Mullet and Scott Cooper were the winners of the 'Design an Olympic Wenlock'. This competition was set by our Year 9 Olympic Committee for all Year 7 and 8 students. Well done to them both, their designs have been forwarded to the GetSet website to be entered into the National competition.

Finally, January saw the re-launch of the Hagley Youth Project. Some of our current Year 12 students have undergone training and under the guidance and support of qualified Youth Workers from Phase trust will be delighted to welcome any young people aged 11-14 to come along each week to the Community Centre on a Wednesday evening from 6.30pm onwards to socialise with friends old and new.
