EDITORIAL

Thank you for the excellent attendance at our A.G.M. in September! It was so encouraging to see so many people who are interested in what is happening in our village; you really made a difference for us and we hope you enjoyed the evening, especially the refreshments!

The Village Show in September was very well attended again and with a high standard of exhibits. I particularly liked the vegetable caterpillar! We also thought the effect of the collection of 'circles' photographs was very striking; the coffee and cakes were an added bonus of course. Thank you to everyone who worked so hard.

HAGLEY SURGERY

HEALTHY AFTERNOON FOR OLDER PEOPLE

Hagley Surgery welcomes patients to attend its annual event specially aimed at meeting the needs of older people. It will take place on **Monday 3rd October at Hagley Community Centre between 2-4pm.**

Various organisations will raise awareness of the valuable services they can offer to people at home. We hope to have representatives from Age Concern, Arthritis Care, Macular Disease Society, Pensions Service, Osteoporosis Society, Worcestershire Association of Carers, Wyre Forest Community Housing, our local pharmacist, Nurse Advisors and many more will be on hand to advise.

The event is all about supporting older people to maintain healthy, active and independent lives. Please call in and see what is available.

Dear Editor

Today I collected and binned 8 sweet wrappers, a beer bottle, 1 beer can and 1 Fanta can, a complete pizza carton, 1 cigarette packet, and a fast food carton.

I did not pick up a condom packet, several small packets of tomato sauce, blue plastic cutlery and innumerable cigarette ends.

All this in a 200 yard walk along Hagley High Street when collecting my newspaper.

The fare varies each morning, sometimes a glass, Spar receipts, and McDonald's cartons. Today's bonus item was a large empty carton addressed to Forward Thinking Training Solutions of Stone.

The answer is simple: apply a special tax on each product category, to be paid by the manufacturer, importer or distributor. The tax might be 1p on a packet of sweets, 2p on beer cans or bottles and 2p on a packet of cigarettes. **BUT EACH PACKET OR CONTAINER MUST CARRY THE HIGHLIGHTED WORDS LITTER TAX OF Xp ADDED TO PRODUCT COST.**

This ensures that the section of the public causing the litter pays for dealing with it. The tax could be passed onto Councils dealing with the problem.

The method of allocating the cost would be based on analysis of litter from 30 random sites. 10 town centre, 10 suburban and 10 rural, selected at random and without prior notice; changed each 12 months and the tax applied on the updated analysis.

The printing on packaging would be a legal requirement irrespective of country of origin.

Yours faithfully
Ray Tungate

HAGLEY PARISH COUNCIL

Wassell Grove Car Boot Sale

There has long been a problem with on street parking outside this event causing an obstruction to traffic. The double yellow lines will therefore soon be extended up to the island and probably into Wassell Grove Lane. This will mean that the police can then issue tickets to anyone parked on the double yellow lines.

It is also hoped that the sequence of the lights at Station Road / Worcester Road will soon be altered following complaints about the current timings. We understand that the Highways Authority will also be putting new white zig zag lines at the crossing in Park Road.

Christmas Window Competition

It's back! It will now be organised and run by the Hagley Business Association so hopefully we will see the village shops and businesses nicely decorated this Christmas. The Richardson Trophy will still be awarded to the winner.

Reminder

As we are now into the autumn season (did we have a summer?) please consider your fellow villagers and make sure any hedges and trees bordering the pavement are cut back to make passing easier and reduce the number of slippery leaves. Thank you.

Planning

In August, the council looked at three planning applications:

No objections to:

11/0646/7 The Old Woodyard, Hall Lane, for change of use to an educational facility,

11/0639 Hagley Hall, New detached single storey building to provide multipurpose room, disabled toilet/baby change, toilet and shower room. No demolition. In fact the Parish Council highly recommends this development as necessary for St John's Church.

11/0651 58 Middlefield Lane. There was no objection to this in principle but the new dormer windows proposed are disproportionate to the rest of the building and slightly overbearing.

Catherine Humphries,
Clerk to Hagley Parish Council

APPEAL

Hagley Community Association

This is the group that runs the Village News and the Community Centre in Hagley and of course, the yearly Fete. The members work very hard at keeping the Community Centre open and in good repair.

There are monthly meetings with reports from the Maintenance team, the Village News, Bookings, Finance and Affiliation, but we are now 'doubling up' on some jobs and need more members!

If you want to keep the Community Centre open and keep seeing the Village News drop through your door each month, then consider whether you can help for a few hours each month. Without some more help, HCA cannot guarantee to keep going as we are all pressed to the limit already.

Wouldn't you be sorry not to see the Village News again? How does it get to your house by the way...?

We Need You!

Policing Team

With the nights drawing in this is a good time of year to check your outside and security lighting to ensure it is in good working order. In the case of security lights it's also good to check they are still pointing the right way and covering any vulnerable areas such as side passages and patios. In addition check and change bulbs on porches and driveways so that they produce good quality light and trim any shrubs or trees around them if necessary.

There have only been 6 offences classed as house burglary in Hagley since the start of the year and I believe one of the contributing factors is good security. We know Hagley is not a high crime area but time spent on maintaining good security around your property is time well spent.

Out of those 6 offences, only three involved a physical break in, two were opportunist sneak in type offences where a door was left open or unlocked. One involved property stolen from an open and unlocked integral garage and one was an empty unoccupied house where alarm wiring was damaged. So if three of the houses had been secured we may only have recorded 3.

CLUB REPORTS

ART CLUB

The Appraisal month is upon us when members bring two paintings for comment. 'How am I progressing?' you would like to know; here is an opportunity to find out when we have an experienced artist to give guidance on our work.

Members should attach importance to these appraisals, not just technique but also composition and presentation. The meeting will be on Friday evening 14th October at 7.30pm in St Saviour's Hall. The visiting artist will be Keith Turley.

In November we have both a Club meeting on 11th 'Landscape and Flowers in Oils' and a week later our Annual Exhibition over the weekend in Hagley Community Centre 18-20th November.

A Pritchard, Honorary President

HAGLEY ROTARY CLUB

Last month Ted Rayment was awarded the Paul Harris Fellowship, which is the highest honour in Rotary for long service and dedication. He has been our Club President twice, Sergeant at Arms for six years and Secretary for three years. He has done a considerable amount of valuable work for the Hagley community and been a leading light at the club, also a wonderful entertainer and raconteur.

Our 1060 District Governor, Brian Kimberley, visited and talked to us about current developments in the West Midlands, Warwickshire and Worcestershire. He explained the international motto for this year "Reach from within to embrace humanity" and invited us all to the District Conference in Llandudno. He also stressed the importance of finding new members.

We were delighted to inform him that two new members joined the Club in August. The husband and wife team have moved from a Rotary Club in Sheffield to live in Hagley with their six children. Dr Hassan Paraiso is Head of the Acute Medical Unit at Russell's Hall Hospital and manages over 120 staff. His wife Ann is training to be a doctor at Leicester University.

We all look forward to lunch at Stourbridge Rugby Club and a trip to Malvern Theatre to see the musical Annie. If you would like to find out more about our Club, please call David Dewhirst on 07966 116612.

The choir and orchestra, with Paula Downes (soprano), will be performing choruses and arias from Handel's Solomon and Haydn's Creation, and the orchestra will also be playing music by Bach, Mussorgsky and John Williams.

New instrumentalists would be welcomed too. If you are interested in taking part in these concerts with us, please telephone Cynthia Downes on 01562 886625 (orchestra), or Wendy Pettit on 01562 730248 (choir).

In May members also visited the Jaguar manufacturing factory at Castle Bromwich to see the construction of cars from start to completion.

CLUB REPORTS

AFTERNOON W.I.

Our 90th Birthday Celebrations continued with a 'Garden Party' in the Community Centre in August, with guests from the Afternoon WI and our 'twin' WI, Barnt Green. People were suitably elegantly attired and everyone enjoyed Pimm's followed by a delicious tea.

There was an amazing display of art and crafts made by members. The designs and needlework were varied and beautiful including embroidery, applique, knitting, patchwork and quilting. There were two patchwork quilts – one finished and one a 'work in progress' - made by the Craft Group for Project Linus, which provides quilts for children who 'need a hug' – who are ill, or in hospital, homes or hostels.

There was also a display of knitted bonnets, matinee jackets, blankets and tiny booties that will be given to the Premature Baby Unit at Russell's Hall Hospital.

The monthly meetings are held on the second Monday at 2 pm in the Community Centre. On Monday 10 October, Bill Davies will talk about his 'Pilgrimage to Santiago on a Bicycle' and on Monday 17 October we have a 90th Birthday Lunch. On Monday 14 November, there will be the Annual Meeting.

Do come and join us – you are assured of a very warm welcome.

Rosie Wynne

Hagley Wives & Women's Fellowship

By October 11th our new house groups will have been formulated, so come along to St Saviour's Hall to find out whose company you will be enjoying throughout the year. Then it will be a time for you to plan with your group the activities of your choice.

We have Brian Boyce coming on October 25th to present his Black Country character 'Bri'. I imagine that his will be an evening of humour which we shall no doubt enjoy.

Looking forward to our first meeting in November, we have Alan Atkinson coming to tell us about the History of Post Boxes. Alan explores the story of this everyday object.

We do hope to see you all, members, friends and visitors. Everyone is most welcome. We start our meetings at 8pm promptly.

Do phone 884079 if you need more information.

Toni Allison

Flower Arrangement Society

This month's meeting will be held at the Community Centre on Monday 31st October commencing 7.30p.m. and our demonstration will be by Jayne Edmonds and entitled "For the Beauty of the Earth".

If you are new to Hagley or have thought about giving us a try we are always pleased to have visitors at our meetings and you will be most welcome.

THEATRE GROUP

A few days remain for you to get your tickets for our production of *Guys and Dolls*. This wonderful show will be performed mainly by our Youth Section at the community Centre on the 5th, 6th, 7th and 8th October, 2011.

The Youth Section will be trying hard to emulate the success they achieved last year with *Beauty and the Beast* when they won the West Midlands Region Youth Award presented to them by the National Operatic and Dramatic Association. Our young members have been helped on the songs and choreography for this show by Lynn Fox as they have been for a number of years. But Lynn has now left for pastures new and we wish her all the best for the future. I will look back at Lynn's outstanding contribution to the Group in the next issue of the *Village News*.

Guys and Dolls has some great songs and humour. Trying to make the next girl you see fall in love with you is hardly a sensible move but that's what New York gamblers Sky Masterson and Nathan Detroit decide to have a bet on. Unluckily the next girl that comes along happens to be Miss Sarah Brown, a pure-at-heart Salvation Army-type reformer. What follows is a series of hilarious complications.

All performances start at 7.30pm with doors opening at 7.00pm. We have a licensed bar each night, serving from 7.00pm and in the interval. Tickets at £8.00 and £6.00 concessions are available from the Ticket Secretary Susan Dean on 07907 457217 and Paddock's Butchers. Please contact Susan if you are interested in joining us and bringing live theatre to Hagley audiences

TREFOIL GUILD

Our thanks go to Kate for hosting the African evening in August. The main course was very authentic, meat with various spices and rice with salad. There was more of a problem with puddings and in the end we settled for Safari Mango Pavlova and Kenyan Coffee Cake. Of course, the wine was South African! The quiz proved more difficult than the setter had expected, but isn't that always the case? It was certainly hard to place the 53 countries in their current places on the map. Some of us still can't remember where Burkina Faso is. You'll see none of us on Mastermind – chosen subject 'Africa' that's for sure. However, should anyone like a really party-halting, rather depressingly difficult quiz, you know where to come.

Members, please note the change of date for our October meeting; we go to watch Hagley Theatre Group in '*Guys and Dolls*' on Thursday 6th. After the show we will share coffee and cake at 42 Summervale Road. It's just across the park, you can't miss it – unlike Burkina Faso.

HEARING DOGS for DEAF PEOPLE

This unique organisation trains dogs to assist profoundly deaf people, thus transforming their lives. Demand for hearing dogs is growing all the time as this Charity becomes recognised - in fact we have a waiting list of people who could benefit right now! Therefore funds are much needed to create more life-changing partnerships well into the future.

In the Hagley Branch we work together as volunteers, organising fundraising events in and around Hagley, raising awareness too.

Our next event is a "Paws for Coffee" morning! There will not be any fireworks, but there will be cakes, a Raffle, and the Charity's Christmas goods will be on sale. You will also be able to meet a hearing dog!

"Paws for Coffee" is on Saturday 5th November in Hagley Free Church Hall from 10am until noon.

Stourbridge Speakers Club

Public speaking isn't just climbing onto any available soapbox and spouting to the world. In fact, we tend to prefer the term, speaking in public. The differences are subtle but speaking in public sounds less grand and maybe more relevant to the majority of us.

People often say to us, "I get nervous when I speak to an audience ... I'm OK with one or two (or three or four) people but ...". That's the thing. What's the difference between a conversation with a few people and speaking to an audience? It will vary from person to person. And when does a conversation become a speech or presentation? If I talk to two or three people and illustrate my point with a couple of visual aids, is that a presentation? And what's the difference between a speech and a presentation?

Whilst most of us may say we don't do public speaking, the reality is that most of us will speak 'in public' at some point in our lives. And many will do it on a regular basis. So if we are speaking regularly, why not learn how to do it effectively and confidently by joining us at Stourbridge Speakers Club? To find out more, visit our website: www.StourbridgeSpeakers.org.uk or phone 01527 835161.

WESTERN BADMINTON CLUB

Summer seems a long way off now and the dark nights are upon us, but you don't have to hide away watching the telly every night! Wednesdays at least could be different. Come and play badminton at Haybridge Sports Hall between 8.00pm and 10.00pm.

We enjoy playing 'social' badminton, nothing too serious, but it's a great way to keep fit and have fun at the same time. If you fancy coming along, just contact Neville Smart on 01562 883433.

It beats watching all those repeats!

PUGIN & HARDMAN- A PASSION for GOTHIC.

-an illustrated talk by Father Michael Fisher, Archivist to John Hardman & Co.
of Birmingham.

In the Annual Survey of Visits to Visitor Attractions in 2010 carried out by "Visit England", Artrix was in the Top Twenty of "Paid for Attractions" in the West Midlands, with 61,000 visitors paying to come and see a Show or take part in a Workshop.

Naturally we are pleased to see that we are in the Top Twenty for the first time. The number of people visiting Artrix is increasing all the time and it shows that our policy of providing a wide range of entertainment and workshops in the Performing Arts and our involvement in the local community is bearing fruit.

By the time this piece is published, our Autumn Season will be in full swing and full details of our October and November programmes are in our brochure or on our website – www.artrix.co.uk

A highlight for the late teens / early twenties among our audience will be the show by Corey "S-Man" Campbell. We think of Corey as one of our own, as he studied drama at N.E.W College and was an outstanding and memorable "Titus Andronicus" in the College's production in 2009. On the strength of that performance, he won a scholarship to Drama School and, subsequently widening his range, has since toured with the teenage sensation Justin Bieber. He brings his own musical show to the venue on October 21st and tickets are available from the Box Office on 01527-577330 or online.

Nick Taylor, Artrix Publicity Officer

U3A

Our monthly meeting was held at St. Saviour's Church Hall on 7th September with a very good attendance to start the new term. Our Speaker was Mr A Chapel and his talk was on Featherstone Prison; not very interesting you may be thinking, but it was most informative and enjoyable, although a very difficult subject. Things in prison have certainly changed - no bread and water diets anymore! He read us out a menu for the day which sounded very good.

All the groups are now in full swing after the Summer break. Forthcoming events were read out, wait for it – the Christmas Lunch date was announced. Still plenty of garden visits arranged. Hope you all had a good Summer!

Hagley Catholic High School

Thanks to the combined hard work of students and staff Hagley's A level and GCSE results have shown an improvement this year. This places us as one of the highest performing schools in Worcestershire and the Archdiocese with increasing numbers of students reaching their full potential.

At GCSE level, 162 students completed their Key Stage 4 programme of study and 144 of these hard working young adults achieved five or more GCSE passes at grades A* to C including English and Mathematics. This performance represents over 85% of the cohort and smashes our previous record performance of 73% achieved in both 2009 and 2010. The school is delighted to report that this performance is quite comfortably the highest performance of any school in Worcestershire.

At A-level we are equally proud of the performance of our students' successes. The students broke the critical 300 UCAS points per student for the sixth year in succession and a score of 335 was the second highest in the history of the school. This wonderful performance places the school second in the Worcestershire performance table and the highest in the ContinU partnership. In a year of tumbling records the key performance record that was broken at A-level was the percentage of entries that were awarded a grade A* to C. This year 65% of the A-level entries secured this standard.

V. Greer-Spencer

Haybridge High School and Sixth Form

The Autumn Term began with Haybridge on Daybreak Television, following Adrian Chiles' July visit to the school. We were thrilled by the tribute he made, recognising how hard staff and students work meeting the challenges of education today.

We celebrated outstanding A level results with a pass rate of 99.1%. The percentage of A* to B grades achieved has leapt by a gratifying 9% this year to 57.4%.

Rachel Moore, 3 A* grades and one A grade plus an A at AS, and is off to Oxford to study Classics. Reuben Adams, 3 A* grades at A2 to go with his two As and a B at AS; he will study Maths at Oxford. Tom Wardley, 2 A* and 3 A grades, will study Geography at Durham University. Kuljit Bhandal and Conor Paterson each achieved three A* grades; Kuljit will study dentistry at King's College London, and Conor will study International Relations at Nottingham.

At GCSE students' achievements also remain excellent. A superb 97% of students achieved the gold standard of 5 A*-C grades at GCSE or better, with 71% of students achieving 3 or more A/A* grades. 26 students gained 6 or more A* grades. Olivia Carter achieved a wonderful 11 A* grades. James Joyce, Kathryn Lewis, and Ben Maybee attained an outstanding ten A* grades; Helen Bates achieved 9 A* grades and Eleanor Potter, Peter Keighley and Liam Bastable all achieved 8 A* grades.

Our Sixth Form Open Evening will take place on Thursday 13th October, and our New Intake Open Evening on Wednesday 19th October.

Warmest congratulations to all students on your success.

AUTUMN ART & CRAFT ACTIVITY IDEAS
NATURE TRAIL PRINTING

You will need:-

- Collect leaves, twigs, pine cones and other natural objects from outdoors
- paper or cards
- brushes/sponge
- paint

Activity:-

Pick some different shaped leaves and paint the leaf, twig or cone etc. and use them to print onto paper, see what shapes they make. Try painting both sides of the leaf and pressing it down. Do remember it doesn't have to look like a leaf when it is printed. If you really want it to look like one – cut out your own!

Children love the printing action and are not worried about making it look perfect! (It's good for their confidence to just have a go and enjoy it).

Print them onto card, you could even give them personalities with a face and maybe googly eyes and add some glitter, write on the card with a gold pen and save yourself a fortune on Christmas cards!

PRESCHOOL CLASSES

Award winning term time 'Little Explorers' sessions for 1-5 year olds are held on Friday afternoons at the Hagley Community Centre during term time. Sessions last 50 minutes and cost just £5 for the first child and £2.50 for any siblings.
