Appeal - Hagley Parish Magazine

Have any residents got any copies of the old church magazine, Hagley Parish Magazine? The Parish Archivist has found that many copies are missing and would be grateful if anyone with old editions, complete or otherwise, could be lent to be copied for the archives.

Hagley Historical Society is helping complete the collection and have forwarded an image for information – this can be seen on our website www.haglevillage.org

If you can help, please contact Peter Bloore 882210. Thank you.

Dear Editor

People Do the Funniest Things

I live in Worcester and from my sitting room window I see parents and carers walking towards the school in the mid-afternoon. Imagine my pleasure, one frosty January day when I saw a 'Grandpa' riding briskly by on a micro-scooter!

Mrs Connie Barnes and daughters would like to thank everyone for the beautiful get well cards and kind enquiries after my nasty fall in Hagley on Tuesday 3rd January. Special thanks to the proprietors of Happy Families and the gentleman and lady in the shop at the time who came to my aid. Thanks also to Marj who contacted my family.

I am now home and slowly improving. Thank you all.

HAGLEY PARISH COUNCIL

Hagley Parish Council would like to thank Clent Parish Council for their continued support in our objections to the Cala Homes development plans. Both Parish Councils recognise the importance of residents having a say in what happens in their community and how they see the overriding damage such a proposal will have on the local and wider community.

HPC also recognises the impact that the proposal will have on people in Blakedown, Romsley, Upper Clent and Belbroughton who wish to send their children to Hagley Schools or the Hagley Doctors' surgery. Significant development on this scale will result in the outer reaches of the catchment areas having no automatic entry into the schools and doctors.

For these reasons, and many more, the Parish Council will continue to object to applications which threaten the sustainability of the wider community around Hagley itself and support the needs of local people and amenities.

Catherine Humphries,
Clerk to Hagley Parish Council

CLENT PARISH COUNCIL

Twenty six people attended the meeting in Hagley Free Church on 16th January.

The initial presentation of the modified 'pavilion' plans provoked a lively debate. The Cricket Club's temporary changing rooms adjacent to the pitch will enable Cricket to be played from April.

Then, at appropriate stages prior to building the permanent pavilion the Council will obtain professional advice on costs and procurement of grants. We will clarify matters of ownership and maintenance, seek support from other sporting groups, and continue to take account of Parishioners' views.

Comments and suggestions should be sent to the Clerk at clent.parish@btconnect.com

We resolved to approve quotations for removal of the temporary access, and construction of the new entrance to Centenary Field along the Belbroughton Road. Work will commence in the near future.

The Budget for 2012-13 was agreed. The Precept for the year remains the same as previous year.

The CALA homes development plan for West Hagley has been withdrawn, but we remain watchful; it will shortly be re-submitted. Clent and Hagley PCs continue to work together to oppose this development.

Discussions continue with Worcester Highways on the installation of a flashing speed sign in Newfield road and we are asking all residents in the road to express their views on where to place it.

We received encouragement from the audience for our plan to establish a Youth Parish Council in the near future.

Full minutes can be seen on Parish notice boards and at our website www.clentparishcouncil.gov.uk

Hagley Surgery: Waiting times

Patients are sometimes frustrated when they are kept waiting, especially when they have an appointment.

The reception team do their best to advise patients when doctors are running behind but sometimes the receptionists may be busy and not notice.

People generally come to see the doctor because they have a problem. Fortunately the problem is not always serious and when this is the case the doctor can run to time. When things are not quite so simple, which is impossible to predict, doctors will inevitably run over.

Computers do not help the situation in this case, doctors will never disengage from the patient who is in tears, has received terrible news or is presenting with urgent symptoms simply to let everyone know how the land lies. It would be totally insensitive and is not a realistic expectation.

More time allowed for each appointment would be ideal but is not feasible as the practice already struggles to meet demand for appointments.

The doctors naturally prefer to run on time, it makes the whole day run more smoothly. Prescriptions can be signed and delivered to the chemist, results can be checked, letters read, home visits undertaken etc., all under far less pressure if everything is on schedule.

However a single event can, frequently does, throw out the whole day.

HISTORICAL & FIELD SOCIETY

The Society's 2012 programme got off to a flying start when a packed hall gathered in January to listen to Sylvia Beardshaw talk about Chaddesley Corbett.

Sylvia, from the Chaddesley Corbett Local History Society, had set herself the daunting task of covering 1000 years of the parish's story in an hour! The combination of her erudite talk and a fabulous digital presentation with maps and photographs of various eras, ensured that we reached 1900 having had a tantalising glimpse of the rich history the Society had uncovered. From burial mounds, via the Roman hoard, Lady Godiva and Domesday, we heard about the Norman church, Harvington Hall and the Throckmorton family, the latter commissioning some exquisite maps of which Sylvia brought copies. The talk concluded at the end of the nineteenth century with a look at the numerous mills that once used the power of the many streams in the area. How close to 'our' patch but how much we learned and enjoyed: we must go and seek out the 77 Grade 2 or better listed buildings in the parish!

Details of our 2012 programme of talks, visits and walks will be found on our website, www.hhfs.org.uk.

Our next meeting is on Tuesday 6th March, when Paddy Hannigan will talk on Boom or Bust: the USA in the 1920s and 1930s. Visitors will find a warm welcome at our meetings held at St. Saviour's Church Hall at 8pm.

Alan Atkinson

THEATRE GROUP

I will review our production of the Social Circle (9th-11th February) in the next issue of the Village News and provide details of the next Youth production scheduled for October. If you feel you would like to take part in any aspect of theatre including back stage for lighting, props and stage management, front of house and/or fancy acting and directing we'd like to hear from you. Please phone 07907 457217 and leave a message for Susan Dean should you wish to take part and bring live theatre to Hagley.

CLUB REPORTS

HAGLEY ART CLUB

ART CLUB

The March meeting of the Club is our Annual General Meeting. In our Constitution all officers and committee stand down and can offer themselves for re-election. There will be two Committee vacancies at this meeting, for Secretary and Treasurer. The AGM will be on 9th March in St Saviour's Church hall, Hagley at 7.30pm. After the business session there will be an Introduction to Digital Art by Sean Counley.

Looking ahead to April 13, our Programme Secretary Pascale Bigot will be giving a demonstration **Provence in Pastel** a medium that has not featured very often in our programme; we meet usual time and place as the AGM.

A Pritchard, Honorary President

HAGLEY ROTARY CLUB

We've had some good speakers over the last few weeks. Last year's President, David Coller, gave a talk on British Coinage from 1800 to the present day. His family were coin collectors and he brought many coins which were beautifully displayed. He told us about the Soho and Icknield Street Mints in Birmingham, the first of which was the biggest mint in the world at one time. It was interesting to learn about how the size of the coins diminished in relation to the value, and the variety of metals used.

Neil Mitchell spoke about his main career in the West Midlands Police Force. Starting in 1985 he worked his way up through the Firearms Squad, then Armed Response Unit and latterly the Manager of the VIP Protection Team. He described some of his experiences protecting the Pope, The Queen Mother, the Queen, Prince Charles, Jimmy Carter, Bill Clinton and all our Prime Ministers since John Major. Neil is also the part-time Director of Rugby at Stourbridge RFC, so he touched upon this and gave very interesting answers to our many questions.

Our annual Cabaret Night was a great success, as ever, and we raised around £1,500 for local charities. Over 140 people attended the Hagley Community Centre and David Huband, the excellent comedian, provided the outstanding entertainment, this year with a French Flavour. We now look forward to the President's weekend away, this year at Wells.

If you are interested in finding out more about our club, please call me, David Dewhirst on 07966 116612, then come and have a free meal with us at the Stone Manor Hotel.

David Dewhirst

CLUB REPORTS

AFTERNOON W.I.

Asante Sana!* We started the New Year with an inspiring talk by Eugene Schellenberg about being asked to start a bakery in Ifakara, Tanzania – which used his and his wife Margaret’s knowledge and business expertise. The Ifakara Bakery Project provides training and employment, and the loaves produced have far-reaching benefits for the local community, the local hospital – serving an area the size of Wales – kindergartens and schools. He spoke of bread being the Staff of Life and the ongoing support necessary for the development of the Project.

David Berry will talk on a topic of interest to us all eventually – ‘Humour in Retirement’ - at the meeting on Monday 12 March. On Monday 16 April, Liz Hughes will give a Cookery Demonstration, and on Monday 30 April we will have what has become an annual event – a Fish and Chip Lunch.

The meetings take place in the Community Centre on the second Monday (excepting Bank Holidays!) of the month at 2.00 pm. We extend a warm invitation to anyone who would like to visit. You will be made most welcome.

* Thank You in Swahili

Rosie Wynne

From our opening in April 2005, Cinema has been an integral part of the programme at Artrix, and yet always it has had a lower profile than comedy and live music, so much so that many people in the Bromsgrove District, including Hagley, don’t realise that it has a cinema !

We have a total of over 200 screenings every year of about 60 / 70 different films. The films range from blockbusters like “Mamma Mia”, “Slumdog Millionaire” and “The King’s Speech” to the more thoughtful or foreign language films which are well reviewed but which are at the multiplexes for only a week or often not at all.

We are seeing increasing numbers of people coming to see films at Artrix – our attendances were up by 29% in the last quarter of 2011 compared with our long term average – and we are introducing initiatives in 2012 both to encourage our existing audiences to come more often and to attract new audiences to come for the first time and so become a regular visitor.

So, if you haven’t been before, please look at our film programme in the brochure (if you haven’t one, ring the Box Office on 01527-577330 and request one be posted to you) or on the website – www.artrix.co.uk - and come along to one of our screenings. Free parking and a café / bar add to our attractions!!

CLUB REPORTS

Hagley Wives & Women's Fellowship

On March 13th we have Jean Draycott coming to talk to us about the restoration of Castle Bromwich Hall Gardens.

The gardens are a unique example of an English Baroque Garden and are being restored as near as possible to the period 1680 - 1762 by Castle Bromwich Hall and Gardens Trust .We are hoping to make a visit there in June.

John Yates will be joining us on March 27th to give us an insight into The History of Civil Registration and we shall be looking at some of the funny entries in the registers.

The Easter holiday means we won't have a meeting on April 10th but on April 24th we welcome again Monica Price who will talk about nutrition.

A wide variety of subjects to enjoy, we hope you will join us. We meet at St Saviour's Hall at 8pm. Do phone me if you need more info. 01562-884079

Stourbridge Speakers Club

Hagley resident wins speaking contest! Back in January Melvin Evans won the club's annual speech competition. Again! When he won it in 2010 Melvin then went on to win the West Midland Area and the Midland District contests on his way to the national finals. Let's keep our fingers crossed that he makes it all the way again this year.

Stourbridge Speakers Club has a great track record in individual and team speaking competitions. The reason? Because the combined talents, wisdom and enthusiasm of all of our members helps us all to develop our communication skills and, particularly, our confidence to take on challenges.

For the accountants among you, a year's membership works out at less than £3.50 a meeting. Where else could you have an evening's entertainment and good company AND develop a skill for less than £3.50? What a return on investment! So even if the day job is about numbers, why not try your hand with words every second Monday evening?

Some of us struggle to speak in a straight line, especially when under pressure. And when the spotlight falls on us there is always pressure. Being a member of a speakers' club helps to deal with pressure and get our message across confidently and coherently.

For more information visit our website www.StourbridgeSpeakers.org.uk or call David Wike on 01527 835161. You can also follow us on Twitter at www.twitter.com/StourSpeakers.

TREFOIL GUILD

March 8th is the date set for our annual dinner. Last year, at this time, we had all just been notified of the plans for the new houses to be built in Hagley. There was some desultory chat about it, when someone suggested it might be a good thing; going so far as to say there may be some new members for the Guild! Spirited discussion followed this remark. The meal was good too. What will come to the fore as this year's hot topic is anyone's guess.

Mary is making the arrangements and will be giving us details. We can look forward to a very enjoyable evening.

Hagley Cricket Club

After a successful and enjoyable 2011 season for Hagley Cricket Club, pre-season indoor nets at Hagley Roman Catholic School on a Tuesday night from 6-8pm are already going on, with work preparing the ground progressing nicely.

Hagley 1st XI was promoted from Division Two of the Worcester County League and has returned to Division One; the team look forward to testing themselves at this higher level.

Hagley 2nd XI finished 8th in Division One for 2nd teams and look forward to trying for a better finish this season under a new captain.

Hagley 3rd XI was also promoted from Division Nine and looks forward to the test of a higher level next season.

The club has also decided to enter a local Sunday League for more competitive cricket, and a local midweek league playing on a Wednesday night to encourage more members to join the club and have more cricket on offer in the season.

Our junior section continues to thrive with winter nets ongoing at Haybridge School on a Friday night and we would welcome any new juniors and particularly parents keen to get involved on the organisation or coaching side.

If any new members would like to join please contact Rus Andrews on 07811405891 or come along to the winter nets listed above. Any juniors aged between 9-16 who would like to join our youth set-up, or parents happy to get involved please contact Ian Watt on 07886483737. For any further details see our website <http://hagley.play-cricket.com>.

Hagley Catholic High School

During the Spring Term there were numerous opportunities for students. The Dance Production focussed on The Grimm Fairytales and enabled students to perform their exam pieces. The Challenge Team were invited to school to give relationships education to Year 9 some of whom were also taken to the Holocaust Memorial Ceremony in Bromsgrove. Another group of Year Nine pupils were chosen to represent the school in the 2012 Big Physics Quiz. A group of children in Year 7 enjoyed a retreat to Alton Castle which allowed them to grow spiritually as well as socially. Year Ten experienced Geography Field Trips in Birmingham City Centre and the Science Conference at the Birmingham Symphony Hall. A group of A level students attended a Philosophy Conference in Manchester.

The Hagley Pyramid of Schools Celebration of Music was held at Birmingham Town Hall. This wonderful event is the culmination of the work of the Hagley Music Department and our eight feeder schools over a period of eight months. The evening focussed on the Beatles as it is 50 years since the release of their first single, "Love me Do". The raffle was a huge success too thanks to the contributions of prizes from The Granary Hotel and Restaurant, The Hippodrome, Phil Paddock's Butchers, Our Plaice, Happy Families, Edward-Brooke, Crazy Daisies, Hagley Cafe and County Sports. Their generosity helped us to fund this memorable evening.

The U14 netball team represented the County at the Regional Netball Tournament on Saturday 28th January. The girls trained very hard with 7.30 am sessions to help with their fitness and ball skills in order to gain victory. They will now be competing in the National Netball Finals on 17 March.
