Hagley Surgery

Home visits are immensely time consuming for doctors and are not always best for the patients. When we ask if patients can attend surgery, or could they be brought down to the practice by someone, it is not because our doctors cannot be bothered to call.

There are significant advantages to being seen at the surgery:

- The doctor has access to the patient's full medical record
- Have there been past episodes?
- Is the patient allergic to anything?
- Are there contraindications to whatever is about to be prescribed vs current medication?
- Course of action can be entered into record immediately
- If ambulance is required other staff can look after patient while doctor continues surgery
- The doctor can be assisted by a medical colleague if the condition escalates, or can ask for a second opinion
- The doctor can examine the patients more efficiently in the surgery environment; there is access to
 - ✓ A medical couch
 - ✓ Diagnostic sets
 - ✓ ECG machine
 - ✓ Nebuliser
 - ✓ Dermatoscope

The doctor can see four or five patients at the surgery in the time it takes to see one patient at home.

Hagley Helpline

The Office will be closed for the Queen's Diamond Jubilee celebrations on Monday 4th June and Tuesday 5th June.

If you have appointments during this week and need our help, please try to phone us before we close on Friday 1st June at 12.00p.m.

Anne Garth, Liaison Officer

Thank you

Mrs Sheila Rees would like to say a huge thank you to everyone for the many cards and flowers received during her recovery from shoulder replacement surgery, also to the Admittance Prevention Team who were so cheerful and efficient in the care provided. Thanks also to the Co-Op Pharmacy for their delivery service and finally, to the many folk who volunteered to walk her labrador.

CLENT PARISH COUNCIL

Sixteen parishioners attended the Parish Rooms on 16th April and contributed fully to the debate.

Communications

The April Newsletter was hand-distributed and concentrated on publicising the Annual Parish Meeting/Annual Parish Council Meeting and on the programme for the Queen's **Diamond Jubilee**.

New website We aim to have this running soon. Four newsletters a year and up to date reporting of Council and other Parish activities will be shown. Parishioners' photographs and reports of events are welcome. Please send them to clent.parish@btconnect.com.

Cala Homes and Neighbourhood Planning

A recent meeting with Bromsgrove planners indicated that, whether or not the still-awaited new Cala plans obtain approval, the Parish needs to produce Neighbourhood Plans. Parishioners will be invited to get involved in creating these plans which nevertheless have to 'fit' within Bromsgrove DC's evolving District Plan.

Recreation and Culture

The Council is drafting an addendum to the Cricket Club Lease, allowing match-day parking in a defined area of Centenary Field. This will be discussed with Cricket Club representatives.

Volunteers will continue to plant trees, hedge-whips and wildflowers in selected places throughout the Parish.

Law and order

A Police report indicates a low incidence of reported crimes. However an aggressive gang may be involved in sheep stealing, and the local informal 'Rural Watch' asks the public to avoid confrontation, but report suspicious activity via tel. no. 101.

Enjoy the Queen's Diamond Jubilee Celebrations!

Full Minutes of the meeting are available at www.clentparishcouncil.gov.uk

Policing In Hagley

Vehicle crime in our Policing area has always been one of the highest crime categories recorded; it's an easy crime to commit and leaving high value property on show in vehicles gives a good yield for the opportunist thief. So here are some crime prevention tips to reduce the risk of becoming a victim of this crime:

Firstly, take keys out of the ignition, shut all windows and lock all doors. Don't leave valuables or personal belongings on display in your vehicle: Sat Navs, MP3 players, iPods, mobile phones, laptops and hand bags. Clean Sat Nav sucker marks off the windscreen.

Secondly, securitymark all property which discourages thieves from stealing it as it is more difficult to sell items on and helps police return your valuables to you if they are found. Try invisible marking, forensic marking and taking photographs of your items. Register most items on the national property register (www.immobilise.com)

On a lighter note, over the last 12 months theft of motor vehicles has gone from 18 incidents to 15 which is a 16% decrease and theft from motor vehicles has gone from 73 incidents to 59, a 19% decrease. Over a two year period theft of motor vehicles has dropped by 21% and theft from motor vehicles has dropped by 34% in our area. Keep up the good work by continuing to take preventative measures.

HISTORICAL & FIELD SOCIETY

What history society could let April 2012 pass without recognition of the 100th anniversary of the sinking of the Titanic and who better to tell the story than renowned raconteur and Titanic expert, Andrew Lound? Andrew's take on the story was to look at the Midlands connections to the ship and the disaster; this he did with tremendous effect, dressed in White Star uniform and using a sophisticated digital presentation.

Set against the well-known story of the building and ultimate sinking of the 'unsinkable' ship, Andrew took us on a journey of the Birmingham and Black Country craftsmen such as Hingley's, Avery, Stuart Crystal, Hudson whistles and countless others engaged in manufacturing lighting, locks, interior fittings, heaters and cutlery. It was moving to see these products photographed lying at the bottom of the ocean. For his next Midlands connections, Andrew turned to the stories of some of the passengers from the area. Through extensive research, he had pieced together their history leading up to that last fateful voyage and was able to share some of their personal tragedies. This was a poignant presentation by someone who is a renowned expert on the subject.

Our next trip is to Witley Court and Abberley Hall & clock tower. To cater for demand, this is being offered twice in June and July.

Our next meeting is on Tuesday 5th June, when Mike Miles will present "The Canal Boatwomen". Visitors are most welcome at our events – details are available on the website, www.hhfs.org.uk.

Alan Atkinson

HAGLEY ART CLUB

ART CLUB

At our meeting on 8th June we have Fiona Peart giving a demonstration: 'Seascapes in Watercolour'. Also in June, we are holding an exhibition of paintings and crafts at Kinver Country Fayre on Sunday 17th June (see separate notice). There will be framed and unframed paintings for sale.

Looking ahead to our meeting on 13th July we have Julie Tonkin as our visiting artist and her subject will be 'Canal Art'.

Anne Garth

Broome Village Diamond Jubilee Fayre on Saturday 30 June in the grounds of Broome House, 12.30-4.30pm, £1 entry for adults

THEATRE GROUP

The Theatre Group's Youth Section is now hard at work on their next show, the award winning musical *Jekyll and Hyde*, based on the original story by Robert Louis Stevenson. A dark theme no doubt, but expect a lively performance from our talented youngsters. This will be staged at the Community Centre on 10-13 October. For advance ticket reservations please phone 07907 457217. If you feel you would like to take part in any aspect of theatre including back stage for lighting, props and stage management, front of house and/or acting and directing we'd like to hear from you. Please phone the number above and leave a message for Susan Dean.

Tony Forrest

HAGLEY ROTARY CLUB

We've had some good speakers over the last few weeks: Pastor John Rogers is a young Baptist Minister, at Chapel Street Church in Brierley Hill who has worked there for the last 9 months on a new initiative to raise money and establish a Community Support Centre in conjunction with other local churches, achieving rapid success in this depressed area. The services include parent and toddlers learning, café, IT equipment, women's group, youth club, keep fit, healthy eating, food bank, homework classes and a job club.

Dave Berry spoke about Birmingham Law Courts. He explained their foundation in 1887 in one of the finest Victorian buildings in the country; now the largest in Europe with 23 court rooms. He explained how the different types of courts operate and described his current job, providing a very helpful service and support to witnesses and victims.

Mike Preston, a Geology and Geography teacher at King Edwards School Five Ways gave an excellent illustrated talk on local geology. He brought along rocks, stones, crystals and minerals from his own collection, most found in the North Worcestershire area. He also showed fossilised creatures and hand axes found in the fault line which runs through Hagley.

One of our members, Dr Hassan Paraiso, gave an illustrated talk explaining the principles of medical ethics: respect for autonomy, duty to do good, duty not to harm and a fair distribution of resources. He also discussed legal issues such as consent, capacity, confidentiality and medical negligence, giving difficult examples which raised many questions.

CLUB REPORTS

AFTERNOON W.I.

It may not seem like it but our interests are wide-ranging – because yet again – there seems to be a marked focus on food! In April we had the first Cookery Demonstration for years. Liz Hughes prepared a selection of vegetarian dishes – great new ideas, both for those who are regularly cooking meat and fish free meals or for those who have to cater for occasional veggie guests - and the results tasted really delicious.

Continuing with the culinary theme, members recently enjoyed a Fish and Chip Lunch and we are planning to celebrate the Queen's Diamond Jubilee with a Barbecue on Wednesday 6 June. And we are looking forward to a return visit to Barnt Green Cricket Club for a Summer Lunch on Monday 25 June.

It really isn't all about food – the Craft Group continues to work on their own projects and together on a quilt for Project Linus and on Monday 11 June, Jill Salmons will talk at the monthly meeting on 'Costumes and Culture'.

The monthly meeting are held on the second Monday at 2.00 pm in the Community Centre. It's a friendly group with a wide variety of interests. Do come along – you will be warmly welcomed.

Rosie Wynne

EVENING W.I.

At our meeting held on 18th April, we were entertained by a cookery demonstration by 'Our Lizzi' cooking with a difference. It was mostly vegetarian dishes, very informative with a good selection of tasting afterwards.

Forthcoming outings were received with enthusiasm, all that is needed for their success now is good weather – we can hope!

Our monthly lunch club was held at 'The Sun' at Romsley; the venue id different each month. Some of our future outings will be to gardens etc. If you would like to come along to one of our meetings, we meet on the third Wednesday each month at Hagley Free Church, 7.30pm. You will receive a very warm welcome.

Should you require any further information please ring me on 01562 883744.

Iris Holden

Flower Arrangement Society

Our June meeting will be held at the Community Centre on Monday 25th June commencing 7.30 p.m. Our demonstration is by Jackie Beard and is entitled "On My Travels". Visitors are always welcome.

1st Hagley Guides

1st Hagley Guides took part in the County Challenge “Making a Difference” in which units planned and undertook projects to make a difference in their communities. After much discussion we decided to have 3 community projects: an environmental project, and 2 activities working with others in the area. For the former we planted daffodil bulbs in the grounds of Hagley Primary School, which have come up this spring to be enjoyed by children, teachers and parents. The Guides were keen to do something to help the older residents of Hagley, and so we attended the Senior Citizens’ Group for an afternoon meeting and entertained them with some musical offerings and a game, as well as preparing and serving the afternoon tea. The Guides enjoyed chatting to the ladies and we hope to return to another meeting later in the year.

Our final project was an outdoor cooking day to which we invited a group of children who are being supported by Barnados, as they have a parent who is an addict. The day was enjoyed by all the participants, but importantly it challenged our preconceived ideas about this group in society, and for the Guides it led to a greater understanding of the difficulties faced by some of their peers. We entered this project for the Hagley Division Guide Challenge 2012, and we won! We will now go forward to the County Finals next month.

Hagley Wives & Women's Fellowship

Come along and be enthralled by a talk by Keith Horsfall entitled 'Leaps and Bounds - It can't be done.'

Bet you can't guess what it's about so you must join us on June 12th to find out.

We have our outing to Castle Bromwich gardens on June 26th, a coach has been booked and a guided tour with refreshments, further details can be obtained from Ann Pagett 882692 who is coordinating the trip.

Our AGM will be on July 10th when we all recall our past year and discuss what we shall be doing for our coming year which will begin in September after the holiday period with a whole new programme.

Our twice monthly meetings take place at St Saviour's Hall 8pm.

Stourbridge Speakers Club

As I'm writing this report my mind is turning to this evening when I'll be evaluating the club's most experienced speaker, someone who has been speaking in public for most of his life and has held a number of roles in the Association of Speakers Clubs, including national president. What can I say that could help him to become an even better speaker? Probably very little. However, what I can do is to highlight what he does well and how he does it. Hopefully this will be of benefit to the rest of us who haven't reached quite such exalted levels.

Watching and listening to others performing offers an opportunity for learning if we pay attention to what they are saying and how they are saying it. Try observing TV presenters. All have a different style; all do some things well but generally have areas where they could improve. An easy one to spot is when they are feeling under pressure. You'll see them rubbing their hands together as though washing them. That's a clear sign of nervousness.

For a brilliant demonstration of using voice variations and body language to enhance the effectiveness of the message she's conveying, there's probably no better exponent than the BBC's weather presenter, Laura Tobin. Take the time to watch her presentations and you'll see what I mean. And learn how to be a great presenter by coming along to Stourbridge Speakers Club. For more information visit [www. StourbridgeSpeakers.org.uk](http://www.StourbridgeSpeakers.org.uk) or call David Wike on 01527 835161.

Blakedown & Hagley Branch

(Tel. no. 01562 886556 phollis100@gmail.com)

The Branch raised £8,261 during the Poppy Appeal last November. The sum collected wThe Branch has been acclaimed in both Worcestershire and nationally for its modern approach to recruitment and success in persuading nearly 40 people to join in the past twelve months; tripling Membership numbers in that period. This recognition has included invitations to speak and advise other Branches in Worcestershire and further afield on recruitment, and the publication of an article in the Charity's 'The Legion' magazine, outlining our achievements.

Nearly 60 Members, Poppy Collectors and friends from the Community attended a celebration dinner at The Granary Hotel on St. George's Day, in honour of Her Majesty's Diamond Jubilee. I am pleased to report that it was a great success.

The Branch will be present at the planned Jubilee event in Blakedown on Tuesday, 5th June, where it will support the local Community in its celebrations and continue its recruitment drive. We will also attend this year's Hagley Village Fete on Saturday, 7th July. Please come and see us at both events so we can tell you about the 'real' Royal British Legion, the nation's leading military charity, and the tremendous welfare work it does in aid of our serving troops and veterans.

Finally, this is a call to anyone aged 16 or above to become Poppy Collectors during the Poppy Appeal. This invitation is open to anyone. Those interested should contact me by phone or email (details shown above).

JUNE 2012

2-5 June: a Flower Festival at St Saviour's, on the theme of "Family", to celebrate the Queen's Diamond Jubilee and the centenary of Hagley Mothers' Union.

The programme for June at Artrix typifies the mix of entertainment which we stage at the Arts Centre – both shows from well known professionals and shows in which we engage closely with the local community.

The comedian John Bishop leads the professionals' line-up with his show on June 6th (sorry – all tickets sold) and on June 7th The Manfreds return, but this time with both the lead singers from the 1960s line up, Paul Jones and Mike d'Abo – a real bonus. Then on June 9th Ruby Turner is on stage with her own band.

Our close links with N.E.W. College come to fruition with its 2012 Arts Week from Monday, June 11th – Thursday, June 14th, with the 7th Annual Student Film and Video Awards, A Music Showcase,

“ New College's Got Talent “ and the always outstanding Fashion and Production Arts Show.

More information on all these shows are on the website – www.artrix.co.uk - on which also you can buy tickets, or you can ring the Box Office on 01527-577330.

Hagley Catholic High School

Students continue to benefit from a range of opportunities. Over the Easter holidays there was a ski trip to Austria and a trip to Rome. Year 10 and 11 pupils were able to visit the Vatican, Coliseum, Pantheon, Forum and many other famous landmarks. They returned exhilarated from the experience.

The PE department continue to celebrate successes including the Under 14 Basketball team who won the School League, the District play-offs and then went on to win at County so that they represented Worcester in the regional finals which they won. They represented the West Midlands in the last sixteen schools in the country before travelling to Essex for the finals of the National Competition where they were among the last eight schools in the country.

The Year Nine Boys 5-a-side football team have won the District and the Halesowen and Stourbridge League and the Halesowen and Stourbridge Cup.

The spiritual life of the school is enhanced by the retreats which are enjoyed by staff and pupils. In April staff relaxed in the beautiful countryside of Crothorne near Pershore where Father Stephen Fawcett from Soli House in Stratford led them in prayer and contemplation in Holland House. Year Eight pupils travelled to Derbyshire for a retreat at the Briars where they were able to examine choices and decision making in the light of their faith.

Staff and pupils were able to put their faith into action by entertaining members of the Halesowen Gateway Club for a Disco and Buffet. This was an evening enjoyed by all.

Playgroup

We are proud to announce that we have received an award from Worcestershire County Council, in recognition of our commitment to quality, in early years education for preschool children. This is due to the hard work and dedication of the team, to the quality of care given to our children here at Playgroup.

If you have a young child and would like to hear more about us, please do not hesitate to ring Sharon Gould on 01562 882433 or 07899846669 at any time.

Although we are now in the Summer Term, as I write this the weather does not seem to have caught up with this fact! Hopefully the traditionally sunny weather of the exam season will soon be with us, and we wish all students taking exams the best of luck. The sun was certainly shining on our Maths students when results came out this term – a record 94% of Year 11 students achieved grades A to C, 65% achieving grade A or A*, with 64 students achieving A* grades. A fantastic 28 Year 10 students achieved this gold standard a year early.

Recently we welcomed Robert Rigby, the officially designated 'Olympic Author', to school to talk to Year 7 students from Haybridge, together with students from Hagley Catholic High School and Hagley Primary School. Robert talked about all the work he has done ranging from TV, film and radio. He spent 45 minutes answering perceptive questions from the students; a very memorable event.

In Sport we are delighted that Miles Starks in Year 8 recently won the Under 13 Worcestershire County Badminton Championships in both the singles and the doubles: an outstanding achievement. Meanwhile our Year 8 tag rugby team celebrated winning all four games in a recent tournament at Worcester. Their reward for winning the tournament was the opportunity to watch the Women's England v Ireland Six Nations match in London where they witnessed real rugby at a high level. Thanks to Miss Brightmore for making this possible.
