## **CHRISTIAN AID WEEK IN HAGLEY AND DISTRICT**

Thanks to everyone who helped in any way during the week 13 to 19 May. Most of the houses in Blakedown and Hagley were covered but, due to a shortage of collectors, only some in Broome, Churchill and Clent. Despite the difficult economic climate a superb total of £5,063 was raised. In addition Christian Aid will be able to reclaim over £330 in tax as a result of Gift Aided donations.

Martin Heathcock – treasurer

Dear Editor

May I commend to you the pupils and staff of Haybridge School? Being fairly new to the area, I attended for the first time the Jubilee Tea Party at the school and what a treat it was! The pupils so friendly, polite and helpful, they entertained us royally and the afternoon tea was delicious. My friends and I had a wonderful afternoon and what was also so pleasing was that they were bridging the so often gap between 'teens' and 'pensioners'.

Thank you Haybridge and very well done.

Mrs M Maddock

# HAGLEY PARISH COUNCIL

## **Hagley Matters**

The first edition of our newsletter was delivered to all homes in the parish. Thank you to our volunteer and also to those who have offered to help deliver future editions. These will be coming out quarterly so the next one will be in September. We would still welcome more volunteers to deliver these and also any comments on items included or that you would like to see included in future editions. If you did miss it for some reason, a copy can be seen on the website.

## **Councillors**

Thank you to those who have responded to our appeal for more councillors. We have had some expressions of interest so we hope to be able to do some co-option soon. Our meetings are usually held every fortnight at 74a Worcester Road (details monthly in the Diary in this publication) and are open to the public to observe.

## **Planning**

In June the council looked at three planning applications. The first two, 12/0368 and 12/0457 were from Hagley Catholic High School relating to the provision of a path to provide access from the northbound railway platform to Station Road, associated fencing and security measures for the school. We support this application as long as the school provides access for people using the train when the school is closed.

# CLENT PARISH COUNCIL

### **Clent Parish Council Meeting 18th June 2012**

Around twenty-five Parishioners attended the Parish Rooms for this lively meeting.

The Jubilee committee received much commendation for the events of the weekend.

### **Recreation**

There was some distress expressed about the quality and frequency of grass-cutting, particularly in Centenary Field and recreation grounds. Bad weather and Contractor difficulties have led to Councillors and Maintenance Man having to carry out interim work. Different Contractual arrangements are being explored.

The purchase of more benches for Centenary Field was agreed. Their precise position will be determined by trial and error over time.

Following the first, and well-attended cricket match, there was discussion about the 'visitors parking facility', which will extend along the pitch fence from the new access, as far as the end of the pavilion.

### **Street lighting**

A survey has revealed that of 87 street lights in the Parish, 24 will need either replacements or repair over the next five years. It may be possible, with local agreement to reduce the numbers of lights required.

### **Policing**

A councillor who attended a CALC meeting was informed that for cost-saving reasons Police Officers will no longer attend Council meetings. This is regrettable but unanswerable.

### **Youth Council**

Eight nominations have been received from young people to sit on this. Meetings will precede and liaise with the Parish Council meetings.

Full minutes of the meeting can be seen at [www.clentparishcouncil.gov.uk](http://www.clentparishcouncil.gov.uk)

# HISTORICAL & FIELD SOCIETY

Members and friends of the Society have had another busy month, with a meeting, walk and two visits. The June meeting saw the welcome return of Mike Miles with a presentation on “The Canalboat Women”. Using archive photographs, Mike started with a history of the narrow boat operations on the canals between Birmingham and London, explaining how the coming of the railways led to wages being cut and causing the men to take their wives and families on the boats. Our speaker went on to look at the work of the women on the canals – largely cooking, cleaning and washing – and how family life went on. By the early 1960s, the advent of lorries had ended long-distance canal traffic and a way of life had disappeared. This was a fascinating presentation on an unusual subject, made more poignant by Mike knowing many of the women’s names, and was much appreciated by a large audience.

24 members and friends visited Witley Court and church, followed by Abberley Hall and Clock Tower (with its 166 steps!). A second group will visit in July to cater for demand. We eventually had three trips to Hartlebury Castle to allow for numbers and illness – June saw the last one, with participants greatly enjoying their access to the treasures of the Hurd Library.

There is no meeting in August, the next one being on 4th September. Visitors are most welcome at our events – details are available on the website, [www.hhfs.org.uk](http://www.hhfs.org.uk).

## ART CLUB

At our meeting on 10th August we have local artist Paul Nash who will be demonstrating in ‘Mixed Media’.

At present we have an Exhibition at the Red House Glass Cone, Amblecote, Stourbridge. Unfortunately we didn’t know in time to advertise in July Village News, but it is on until 8th August so there is still time to visit. (See separate notice)

Looking ahead to our meeting on 14th September, we have Paul Hipkiss and his subject is ‘Printing Techniques’.

## HAGLEY ROTARY CLUB

### **Presidential handover**

On the 1st July 2012, we had our presidential handover. The ceremony took place at the Stone Manor Hotel and was attended by over 50 people. Our new officers are: David Santus (President), David Dewhirst (Vice President), Derry Millington (Treasurer), Ted Rayment (Secretary) and Hassan Paraiso (Marketing, PR and Communication).

### **Past events**

Sunday 1st July: Ladies Lunch and Presidential handover

Saturday 7th July: Hagley Village Fete

23rd July: Council meeting

### **Dates for your diary**

November 2012: Cabaret night

Summer 2013 (date TBC): Concert in the park

### **Charity of the month**

We are helping to raise funds for new state-of-the art equipment at the University Hospitals Birmingham. The CyberKnife® is a new painless treatment solution for those who suffer from tumours and other medical conditions that have previously been considered inoperable or untreatable. It enables very high doses of radiation to be targeted directly at the tumour with pinpoint accuracy, without damaging healthy tissue.

### **End Polio now**

After 25 years of hard work, Rotary and its partners are on the brink of eradicating this tenacious disease. Since 1988, Rotary and its partners have prevented 5 million instances of paralysis and 250,000 deaths, reducing the incidence of Polio by 99 percent. Your help is needed to completely eradicate Poliomyelitis.

To help us raise funds for our charities or if you would like to hear what Rotary is all about, please visit our website [www.hagleyrotary.org](http://www.hagleyrotary.org), call Ted Rayment on 078649636224 or e-mail [ted@tedrayment.co.uk](mailto:ted@tedrayment.co.uk)

We meet every Monday, 19:15 for 19:30 at the Stone Manor Hotel, Kidderminster.

## CLUB REPORTS

### AFTERNOON W.I.

It was a real thrill at the June meeting to examine at close quarters - and even try on - the most beautifully made and embroidered clothes from a remote province of China. In her talk entitled 'Costumes and Culture', Jill Salmons told of her path from studying Art through Art History, periods researching in Venice and Africa to her developing interest in textiles. Her recent visits had been to China. She was able to bring back many exquisite examples of the local textiles and explained their dyeing techniques and the significance of the clothes' design and their embroidered motifs. We hope she will return to share more of her enthusiasm and collection.

Monday 18 June was World Wide Knitting Public Day and members of the Craft Group were in the Library all day talking and demonstrating to adults and children. There was also a display of the tiny garments made for the Neo-natal Unit at Russells Hall.

We hope for sun for the Garden Party with a My Fair Lady theme on Monday 6 August. But whatever the weather we will enjoy the cream tea and the Pimms!

At the next meeting, on Monday 10 September, we look forward to hearing Diane Campbell talk about Her Life in Television.

The meetings are held on the second Monday of the month at 2.00 pm in the Community Centre. The topics are interesting and varied, the group is friendly - and we'd love to welcome you there.

Rosie Wynne

### EVENING W.I.

What a busy month we have had! Our monthly meeting was held and enjoyed; the title of the talk was 'From Kennels to the Palace'. PUPS was the organisation and most interesting it was too, with the lady who started it all still at the helm with no other help. We had to contact her at short notice due to the booked speaker being unable to be with us due to illness.

The group walk took place, 65 members attended, though not all walked, some joined us for supper, on one of our few pleasant Summer evenings.

The evening garden visit was most successful, Seechem Manor was our venue, a delightful garden followed by coffee and cakes outside, how lucky can you get, another rare Summer's evening.

I will report further about our outing to Warwick - 'Lord Leycester Hospital' next month.

## CLUB REPORTS

### TREFOIL GUILD

Our 'Fish and Chips' party in June went down really well in all senses. And the quiz this time was very simple, all about royalty, our nod to the Jubilee celebrations.

In August we depart from our rather food centred programme and have an evening of craft, though a little 'smackeral' of something will no doubt be found.

We meet at 42 Summervale Road on Thursday August 9th at 7.30p.m.

E.O.Gingell

### THEATRE GROUP

As we reach the summer break our Youth Section members will have really got the format of the next show, the musical *Jekyll and Hyde*, under their belts. No doubt our Youth Section leaders will, however, have impressed upon them about song and line learning so that we are raring to go in September when they return. The show is no less a challenge than many of the previous musicals that the Youth Section have accomplished so well. This will be staged at the community centre 10-13 October. This award winning musical is based on Robert Louis Stevenson's 1886 novella *The Strange Case of Dr Jekyll and Mr Hyde*. Professional versions have entertained audiences on Broadway and the West End over the last 15 years and there was a tour throughout the UK last year. Tickets cost £ 8.00 with concessions at £6.00 and are available by phoning 07907 457217 or from Paddock's butchers. If you feel you would like to take part in any aspect of theatre including back stage for lighting, props and stage management, front of house and/or acting and directing we'd like to hear from you. Please phone 07907 457217 and leave a message for Susan Dean and help bring live theatre to Hagley.

The highlight of the August Programme at Artrix is the “Family Fun Festival”.

For four Fridays in August – 3rd, 10th, 17th and 24th – the Arts Centre is holding a Festival of Shows, Workshops and Activities especially for Families and Children.

There is not room in this article to detail the full range in the programme, but you can ring the Artrix Box Office on 01527-577330 and ask to be sent the “ Family Fun Festival “Leaflet, or you can go online at [www.artrix.co.uk](http://www.artrix.co.uk) to study what is in the programme and then book your tickets.

Also in August there is a full programme of films, both for adults and children, and a wonderful “Tribute to Whitney Houston“ show from Nya King on Saturday, August 4th.

Again, you can get a copy of the Summer Brochure from the Box Office or view it online.

### *Stourbridge Speakers Club*

The editor of this illustrious journal may consider me ill qualified to discuss timing, as I am a day late submitting this article. But as it is likely to be my last before handing over to Stourbridge Speakers Club's next Communications Officer, hopefully she'll be tolerant of this lapse!

If you're making a speech or giving a presentation, arrive early at the venue, especially you are relying on technology – a PowerPoint presentation for example. Turn up at the last minute and you can be sure the laptop and projector won't communicate with each other. And have a fall back plan – you'll find the projector won't work if there's a power cut or a blown fuse!

If you have been given a specific time slot and you overrun, it is the event organiser who will be blowing a fuse. In any case, it's good practice to tighten your presentation by taking out anything that doesn't make a significant contribution to your message. Keep it punchy. Unlike a presenter I saw a couple of years back who rambled aimlessly for an eternity. It was great good fortune that I had another commitment and had to leave early. As I stood up I noticed the chap next to me was sound asleep!

To find out more about timing and speaking, why not come along to the first meeting of our 2012-13 year? Monday 3rd September, 7.45 for 8.00pm. Don't be late! For more information visit [www.StourbridgeSpeakers.org.uk](http://www.StourbridgeSpeakers.org.uk) or call David Wike on 01527 835161.

## Hagley Catholic High School

The summer term saw many opportunities for students to develop spiritually, academically and physically. During the month of June the year 12 retreat to Soli House in Stratford upon Avon inspired students at the end of the exam period. Two outdoor education trips to Snowdonia were enjoyed by year 8. Both year 10 and year 12 benefitted from a Duke of Edinburgh expedition and year 12 biologists completed their two day fieldwork trip.

Our primary schools were privileged to receive two music tours this year (which gave young pupils the opportunity to see what our wonderful students have achieved in their time at Hagley and to give the children a glimpse of what Music is like at secondary school.

Once again, during the last week of term we held a 4 day Festival of the Arts, including opportunities for enterprise and enrichment. All pupils followed a dedicated art timetable to engage in creative and inspirational learning. An outreach team worked with Year 9, “Dreadlock Alien” enriched the English curriculum and “Living in Learning” took a creative approach to maths.

Trips included the Black Country Museum, the Safari Park, Alton Towers and Places of Worship.

During the same last week of term the Dance/Drama Department presented their production of The Wiz. This gave many opportunities for pupils to perform, work backstage and provide props.

The term ended with a wonderful celebration of Mass to mark the retirement of Mr Mohan, our much loved Deputy Head and Head of Sixth Form. Bishop David McGough concelebrated the Mass with priests from around the diocese to show our appreciation for all that Mr Mohan has done for students past and present.

# Haybridge High School and Sixth Form

In July students were involved in our Personal Challenge Week, participating in a wide range of activities including movie making, producing a play in a week, visiting Worcester Cathedral, and trips to Paris, the Ardeche and Spain.

Feedback from our recent Diamond Jubilee tea party for 160 senior members of the community has been sensational. All enjoyed the event and said they would love to join us again. Best of all, they mentioned how impressed they were with our students' courtesy and generosity. The whole event was funded by the Sixth Formers' fundraising ingenuity: decorations, tea, sandwiches, cake, raffle prizes and farewell token gifts. We value the link with our community very highly, and students gain so much from organising such events and meeting with their older neighbours. Despite a very entertaining programme, including a unicyclist, dancing, a poetry reading and an address from our local MP Sajid Javid, our guests mentioned that the best part of the afternoon was meeting and chatting with the students.

Congratulations this month go to Alex Pell who has been signed as a Birmingham City Player for 2012/2013. Congratulations also to our team of mathematicians, Benjamin Hole, Eleanor Gannon, Jonathan Lewis and Daniel Starks, who won the inaugural 'Maths Big Quiz' held at Birmingham University, beating a number of private and grammar schools, and to Amy Burr, Remy Bentley Georgia Cahill and George Rowlinson for an impressive win at the Modern Foreign Languages 'A Place in Europe' competition, making Haybridge the winners for the third successive year.
