EDITORIAL

Happy Easter! It's not often we can say that across two editions of the News! I hope everyone is enjoying the Easter holidays, truly the start of the good days, although it's pretty murky as I write.

This month we have the Music Festival on around the village, there should be something for everyone there!

Thank you to all the advertisers who have renewed their advertising for another year.

Hagley Community Association

The Community Association would like to celebrate that HCA was formed 50 years ago this year.

A great number of people have given many hours of their time to running the Community Centre and we would like to hear your stories.

We would also like to continue the tradition of the Fete and would like to hear from everyone so that we can gauge support – will you attend again this Summer and hold your stall? Will you bring the family along?

Please do get in touch, with any of the Committee, or email editor@hagleyvillage.org

Hope to see you there!

What's new at Hagley Library?

Hagley Library has launched a new adult book group that meets on the last Thursday of every month at 2:30pm in the Library. It is a lovely relaxed atmosphere for men and women and is going really well, so why not come along to the next meeting and join in? We would love to see you!

Also following on from the success of the family Spanish we will be hosting a family French course one lunch time a week from April, and also a conversational French course for adults. If you would like to book onto either of these call into the Library for more details.

HAGLEY PARISH COUNCIL

ELECTORAL REVIEW OF BROMSGROVE DISTRICT COUNCIL WARDS: FURTHER LIMITED CONSULTATION

A final reminder that there are a few days remaining to comment on whether or not you agree with changes made to proposed district council boundary changes. The closing date is 8th April. Please see Hagley Parish Council website or contact the clerk for more details.

Policing report (provided by Hagley and Rural Policing Team for January Hagley only)

- Burglary Year to date figures (compared to 2011/12).19.4% reduction on same time last year.
- ASB for Hagley area showed a 23.6% reduction. Year to date Figures (compared 2011/12) (ward report up to Nov 2012).
- Patrol activity: 24/7 patrols continue specifically in relation to burglaries, emerging crime and in disrupting offenders.
- ‘Operation Defend’ is a high visibility initiative providing crime prevention advice to households.

Pedestrian access from train station platform 2 (Stourbridge bound)

You may have noticed that a pedestrian access is being installed on platform 2. This will relieve the volume of students using the Station Rd footpath when coming off the trains. This will improve safety for both pedestrians and road users alike.

Cemetery works

During the spring the Parish Council will be carrying out improvements to the ground works in the cemetery and some additional tree planting at various locations.

We now have the full complement of 13 Parish councillors as we welcome Paul Johnson. All our council meetings are open to the public and the start of the meeting is open public question time when you can raise comments on issues within the village. Please make these questions known to the Clerk before the meeting starts. You can find the dates and relevant minutes on our website.

Planning

Applications looked at by the Parish Council in February include 13/0012 Middlefield Lane to which there was previously no objection but in the light of further information it was now felt that the pitched roof would affect the neighbours and cause land creep. We made no further comment on the detailed application for houses in Hoarstone (13/0051). The only other application looked at was 13/0113 - 20 Brook Crescent - Extension of time on 10/0158 to commence a 2 storey extension - No objection.

Dear Editor,

As West Mercia Police have announced the closure of Hagley Police Station, along with others, in order to ensure no more police officers are made redundant, the concern for many Hagley residents will be that police response times to reported incidents will increase as local officers will now officially be based at Rubery or Bromsgrove.

That is why it is vital that the proposed Hagley Police Community Post, to be based in a village community building, will be utilised more often than not by local police and CSOs.

This way, local police will be better located to deal with the daily policing problems that continue to affect the village such as illegal parking, speeding and anti-social behaviour, many of which have continued unabated for years, as well as continuing burglaries and vehicle crime.

With West Mercia Police also announcing that they will be recruiting police officers from April 2013, I look forward to the post of the Hagley Local Policing Officer finally being permanently filled, which has been vacant since the retirement of PC Lord in November 2012, as the Hagley area currently (as of February 2012) continues to share officers with the Rubery area.

With Hagley currently being swamped with proposed major housing developments, which may lead to a significant increase in local population, it is vital the village is served by proportionate increased policing resources.

HISTORICAL & FIELD SOCIETY

As part of its 50th anniversary celebrations, several regular speakers from the past have been invited back to contribute to the Society's 2012 programme. Who better to start the ball rolling than Roy Peacock who first talked to us in 1988 and who has made more presentations than anyone? Making his 15th appearance, Roy addressed the February meeting on "The Creation of the Foley Barony of Kidderminster". Using neither notes nor illustrations, our speaker took us on a fascinating journey from Richard Foley in 1580 to the creation of the first Lord Foley in 1712. This was a time of a banking crisis, increasing national debt, a coalition government and an on-going war: all this had a familiar ring! The Foleys made their fortune through the iron trade, by making some good marriages and by supplying cannon in the Civil War and numerous subsequent conflicts. Roy took us through three generations' parliamentary activities, the reasons that Queen Anne created Thomas III a peer and his ultimate fall from grace under George I. This was a fascinating talk that included connections to Witley Court and Oldswinford Hospital School but which ended all too soon.

Our meeting on 2nd April sees David Struckett talking on "Bells: a history and some local examples" and this will be followed on 27th April by a visit to St Mary's, Kidderminster for a tour of the tower and some practical experience. Visitors are always welcome to our events – details are on the website www.hhfs.org.uk.

HAGLEY COUNTRY MARKET

Please note that we have changed the venue on **19th April to Hagley Library, 9.30-11.30a.m.**

The other Fridays in April, 5th 12th 26th will be held at Hagley Community Centre, usual time of 8.45-11.00a.m.

We have gone back to the original time, for all markets held at the Community Centre

June Waine

AFTERNOON W.I.

A trial DIY meeting - an In-House Cookery Demonstration - was a huge success. Five members each created one course of 'a meal' while talking about the ingredients, their favourite kitchen gadgets and recipes etc. Then we were treated to a Taster Menu of Smoked Mackerel pate, a delicious wartime sausage dish, jam sponge pudding, a seriously alcoholic gâteau and meringues made in the microwave!

Shrove Tuesday saw the annual Pancake Lunch and Pancake Race with other local WIs. It is actually Pancake Tossing with the last person not to toss their pancake out of the pan as the winner - with a frying pan as prize.

At the next meeting on Monday 8 April, Dr Gillian White will be telling us about 'Mary Queen of Scots'. The following meeting, on Monday 13 May, is the Annual Meeting when we will also be discussing the Resolutions that will be discussed further at the National WI AGM in June.

If you would like to visit us or join us, we meet on the second Monday of the month in the Community Centre at 2.00 pm and you would be most welcome

Rosie Wynne

EVENING W.I.

This is written when we are still in the grip of the winter's cold – hopefully by the time this magazine is printed and distributed the sun will be a regular occurrence and the gardens and countryside will be well and truly into Spring. Our February meeting was enlivened by a very amusing talk from David Berry on his experiences supporting witnesses at the Birmingham Courts – he did warn us that some of his tales may be more reliable than others!

Arrangements are in hand for a summer's day out into the Shropshire countryside and also an evening visit to a local garden. The WIs own college, Denman House in Oxfordshire, has a range of short courses throughout the year and we hope to organise a visit their one weekend in the Autumn.

At this month's meeting on Wednesday, 18th April, we shall be having an illustrated talk by Andrew James on one of our local attractions, Bodenham Arboretum. Visitors are always welcome at these meetings which are held at Hagley Free Church Hall on the third Wednesday of every month.

For more information our contact numbers are Hagley 882875 or 720219.

2nd Hagley Rainbows (Mondays)

This year we celebrated World Thinking Day at Stourbridge Town Hall. Over 200 Rainbows, Brownies and Guides from across Hagley Division came together to celebrate this special day of friendship, advocacy and fundraising for 10 million Girl Guides and Girl Scouts around the world. We have been celebrating World Thinking Day since 1926 and it has been an important fundraising day since 1932. The theme for 2013 is based on Millennium Goal 4 – Reduce child mortality and Goal 5 – improve maternal health.

Each unit presented a continent –“around the world in 60 minutes”. Our Rainbows put on a marvellous show about Africa with singing, dancing and drumming!

TREFOIL GUILD

Our outing for afternoon tea in February was well attended and enjoyable. We will consider being ‘people who partake of tea’ for our programme next year, as we all thought it a convivial way of spending an afternoon. Linked as it was with a little retail therapy, what was there not to like?

Also in February was the Thinking Day Service in Stourport. Apart from one small hitch – the candle we had taken wasn’t big enough. But in the true spirit of the event we were given a bigger one. We put ours on the Bring and Buy stall so it didn’t make the journey in vain.

On April 11th we are having an evening of debate. Liz is our hostess and will be letting us know the subject or maybe subjects in the plural. This meeting is by way of being an experiment; since we’ve not tried it before, just as long as not too many feathers are ruffled – but maybe enough to make it interesting. We shall see.

Hagley Wives & Women's Fellowship

On April 9th Helen Coombs is coming to update us on the charity Edward's Trust, one of the charities we have supported in the past.

Edward Dent died aged seven years. Through the pain and grief of their loss his parents, Peter and Hilary Dent decided to try and help other families. Edward's Trust was set up in 1989 to fulfil that very personal mission.

Within two years of setting up the Trust, the first Edward House was opened in Stirling Road, Edgbaston. This provided accommodation for families whilst their child was receiving treatment at the Birmingham Children's Hospital. Efforts were then focused on extending services to families who grieved the death of a child. As a result, our bereavement centre was opened in 1993.

We have our Annual church visit on April 23rd, this year we are going by coach to St Chad's Catholic Cathedral in Birmingham and will have a comprehensive tour of the building designed by Augustus Welby Pugin. It should be a most interesting evening and we are to have a meal provided. Please contact Sheila Munden if you want to reserve a place (01562 636333)

Stourbridge Speakers Club

Blah blah blah blah blah blah errrrrrmmmm, blah blah blah, fidget, scratch, cough blah blah blah mutter mutter mutter 'something about rhubarb' blah blah blah blah.

Ever been subjected to a talk, lecture or presentation like that? Ones where you can easily drift off to the land of Nod without any trouble at all? I know I have, in fact I was at one the other night and the person next to me did fall asleep!

The thing was, the content of the talk was quite interesting, not my ideal way to spend what seemed an eon of time, but had it had a bit more oomph and polish on it then I am sure it would have kept my erstwhile colleague wide awake throughout!

If you want to find out how you can add oomph in oodles and a plethora of polish then pop along to Stourbridge Speakers Club at the Talbot Hotel.

Fine films and fine music make up much of the Artrix programme for April, which sees also the eighth anniversary of the opening of the Arts Centre, now an integral part of the cultural life of Bromsgrove and North Worcestershire.

Oscar nominees and winners “Lincoln”, “Zero Dark Thirty “ and “ Les Miserables “ are being screened and, bearing in mind our recent experiences of sell out audiences for our cinema, we recommend that you book your seats in advance.

And the Bromsgrove Festival presents “A Celebration of Benjamin Britten: Two Films by Tony Palmer “, two documentaries looking at the life and work of one of Britain’s finest composers.

On the music front, the highlights are the debuts at Artrix of Albert Hammond, whose songs have been responsible for the sale of over 360 million records worldwide, Graham Goldman from 10 CC, folk based The Fureys and Davey Arthur and, thirty years on, reggae music from Musical Youth - also a welcome return from the ever popular Albert Lee and Hogan’s Heroes.

Details of all the shows are in the Spring Brochure, which you can obtain by ringing the Box Office on 01527-577330, or you can log onto www.artrix.co.uk, at which also you can book tickets

Cat charity on the prowl for more volunteers!

Stourbridge, Dudley & Wyre Forest Cats Protection needs more volunteers so that we can help the growing number of unwanted and abandoned cats in this area.

- **Cat Fosterer:** This is a hands on role looking after cats and kittens on a short term basis until new owners can be found. If you have a spare room or some space in your garden where we can put one of our cat pens, we will provide everything else!

- **Trap, Neuter & Return Volunteer:** We provide feral cats with a healthier life by trapping, neutering and returning them to the life they know. Patience and a willingness to work in all weathers is required!

- **Home Visitor:** Can you spare a few hours a month to carry out home visits to match new owners with the right cat?

- **Fundraisers:** We need people to help us organise and run local events to raise funds for our work.

If you are interested in any of these roles please contact us on 0844 8848520 or email: info@stourbridgecats.org.uk

As ever, term was very busy coming up to the Easter holidays, with lots of activities for all the year groups.

As part of Fairtrade Fortnight, Year 7 food pupils were asked to research a recipe which included the use of Fairtrade ingredients and provide evidence of product Fairtrade wrappers. Both Year 7 food groups cooked and the two winners baked blueberry and white chocolate muffins and chocolate cupcakes decorated with white melted chocolate.

51 students and 4 staff from our French partner school Lycée Blaise Pascal spent the day with us on Tuesday 5th March. They toured the school, took part in History and Geography workshops and had a visit to Harvington Hall. The whole day was a great success and we hope to host more visits.

The whole of Year 12 attended a Higher Education Conference at Worcester University on March 22nd in preparation for their university applications and will attend a further Conference in June. Year 12 were also fortunate enough to have a motivational workshop in March which left everybody buzzing!

The Year 12 Silver Duke of Edinburgh Expedition departed in the rain during March and it was so cold on the first night that the tents were abandoned and a bunkhouse found for the second night! In spite of the arctic temperatures, the students were cheerful and did extremely well in their navigation and outdoor skills. A really successful practice expedition, ready for the real thing in June.

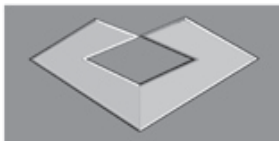

In April we will hold our annual Disco and Buffet for our guests from the Gateway Club, "Halas House" in Halesowen. Each year pupils provide generous donations of food, drink, decorations and money for the disco so that a memorable night can be enjoyed by all who participate. Our links with the Gateway Club help to break down some of the barriers of fear and prejudice which would otherwise exist as our pupils enjoy the company of people with severe learning difficulties.

V. Greer-Spencer

This term we were delighted to receive a letter from The Rt Hon David Laws MP, Minister of State for Schools, in which he congratulated the school on its achievements in the GCSE examinations of 2012, placing Haybridge amongst the top 100 best performing schools in the county, stating: 'Your school is exceptionally effective at educating its pupils'. Those GCSE students are now of course in Year 12 and already looking to the future. This term they have been attending a number of Master Classes and events to enrich their learning and give them experiences to support their university applications. Elise Williams, who attended a Masterclass at Aston University says: "My aim is to study International Relations at University; this Masterclass, and other workshops and conferences have given me a vital starting point for researching courses at university." Meanwhile Year 12 students interested in Engineering had the exciting opportunity to attend a lecture day at Millennium Point at Birmingham. Harvey Jones says: "During the day we heard about the experiences of world renowned engineers who worked with Formula One teams such as Ferrari, McLaren and Renault. We were particularly interested to hear from Joseph Katz, a leading aerospace engineer who explained the science behind Formula One aerodynamics." In school we recently held an information evening for Year 12 students looking to apply to Oxford, Cambridge or to study Medicine, Veterinary Science and Law, where parents/carers and students could speak directly to professionals and academics in these fields, including alumni of the school. Thanks to all those who attended our recent PTA event and Musical Masquerade Evening. Tickets are now on sale for the Spring Spectacular concert on 25th April.
