EDITORIAL

Thank you for all the kind messages from so many people upon moving into our new home, it is much appreciated. I'll just say that work is ongoing! Let's hope the weather keeps up!

At HCA, we have to say a very big 'thank you' and a sad 'goodbye' to two members, Dennis Anelli and Sophie Phillips, both of whom have worked very hard for the Community Association and the village during their time on the Committee. We have now an urgent need for more members; please see the notice on page 7 this month.

EMERGENCY GENERAL MEETING

Once again, Hagley Community Association finds itself in need of new members to help with the running of the Community Centre.

There is a real danger that if volunteers do not come forward to help

THE COMMUNITY CENTRE WILL CLOSE

This also means the Village News will stop being delivered

There will be a meeting on Wednesday 18th September at 7.30pm in the Community Centre

PLEASE THINK VERY HARD ABOUT WHETHER YOU CAN HELP

SUMMARY CARE RECORDS

Recent medications, any allergies you may have and any adverse reactions to a medication you have had in the past will be kept in a Summary Care Record (SCR). This is a new Health Record for all patients in the NHS. The Summary Care Record will help emergency doctors and nurses when you contact them when the surgery is closed.

Information will be extracted from practices such as ours and held on central NHS database.

As with all new systems there are pros and cons to think about. When you speak to an emergency doctor you might overlook something important and if they have access to your Summary Care Record it might avoid mistakes or problems, you will be asked to give your permission to view your SCR whenever a Healthcare Professional requires access, unless you are medically unable to do so.

On the other hand, you may have strong views about sharing information and may not wish to allow NHS Healthcare Professionals access, in which case you can Opt-Out of having an SCR created for you. If you are a new patient joining the Practice you will have the option to opt-out of having an SCR and should fill in the A4 sheet explaining SCR in your Registration Pack.

All patients can opt-out of having an SCR at any time, just inform your GP Surgery.

HAGLEY PARISH COUNCIL

Sweetpool Lane path closure

We can only apologise for the closure of this path. We were not advised by Worcestershire County Council that this was happening, despite it also restricting access to the Nature reserve, which we manage. We have asked why it has happened at this time, especially during the school term. We know it is in relation to neighbouring building works.

Planning

In May the Council looked at three applications. There were no objections to 13/0334 The Lodge, Birmingham Road and 13/0150 4 Meadowcroft. There were no comments at this stage to 13/0304 - land to the rear of the former Prince of Wales Pub on Stourbridge Road.

Western Rd application At the time of writing the Western Rd application was withdrawn from the June planning meeting at BDC. It is now scheduled for the July meeting.

McCarthy and Stone Park Rd This application is scheduled for the July meeting at BDC at the time of writing.

PACT meeting

For those of you that recently attended the PACT meeting to raise issues, any updates will be available shortly

Let's hope the sun keeps shining!

Catherine Humphries, Clerk to the Council

Local Policing

We all welcome the arrival of Summer, a time get those jobs done in the garden. Unfortunately, this time of year is also welcomed by opportunist thieves.

Although many people take steps to protect their homes and the property inside them, they leave valuable equipment in gardens and unsecured sheds, providing easy pickings for opportunist thieves.

Power tools, mowers, garden tools, mountain bikes and golf clubs are just some examples of expensive equipment left in sheds which could then be used to break into your house.

Around 1,500 shed burglaries take place every year within West Mercia.

Safe & Secure campaign

- Gates, fences and walls should be kept in good repair to stop intruders getting in.
- Grow prickly plants close to vulnerable areas such as windows, fences, boundary walls and drainpipes.
- Don't leave expensive equipment in the shed
- If you have nowhere else to store them, secure your shed.
- Don't leave ladders and tools lying around – these could be used to break into your home.
- Mark your garden tools and equipment with your postcode.

For more information or a leaflet outlining this information, please contact me at Hagley Police Station.

ROY COLE

Geraldine, Andrew and Peter Cole would like to thank everyone for the kind messages of condolence we have received at this sad time. We are truly overwhelmed by the love and warmth we have encountered from so many people.

Thanks also to the fantastic team at Hagley Medical Practice whose support has been phenomenal.

Dear Editor

In response to your article about the community centre, I would like to write and share my experience of the Hagley Playgroup. I used to go there as a child many moons ago, and although I was only about 4, I still have many nostalgic memories. I can vividly remember sweet making day. To my 4 year old self this was as exciting as starring in Willy Wonka's chocolate factory ! Blissfully covered in cocoa powder and sprinkled liberally in the phenomenon that was 'hundreds and thousands,' we proudly handed our mums our precious confectionary complete with chubby fingerprints and the odd bite taken out!

It was really lovely to come back to the village 8 years ago - I was surprised to find the playgroup intact and overjoyed that I would be able to send my own children there. The playgroup care my children received went beyond an Ofsted report - the intrinsic qualities of patience, kindness and the way staff respond to children as individuals, was what made it so special.

I am still good friends with two of my fellow play-groupers thirty-something years later - I hope the boys will also keep their friendships and memories that they have made too - long may Hagley Playgroup continue!

HISTORICAL & FIELD SOCIETY

At our May meeting Paul Hudson spoke on the Work of the Worcestershire Archive and Archaeology Service. The focus of his presentation was the new Hive building in Worcester with its staggering twelve miles of shelving containing documents relating to 900 years of Worcestershire history. Central to the work of the Hive is the Historic Environment Record, a searchable database recording all the known archaeological sites, historic buildings and landscapes (around 26,000 of them!) in the County.

Paul had brought examples of documents relating to Hagley and fascinated us with some of the nineteenth century census records, extracts from parish registers, goings-on in the Quarter Sessions and trade directories (a kind of Yellow Pages of the time). We also saw a few local examples from the 80,000 photographs in the Worcestershire Photographic Survey and the thousands more in the archives. Members of the Society have worked with County Archive staff in the past and hope to be involved in the cataloguing of the Lyttelton papers later in the year. We are following up Paul's riveting presentation with a visit to the Hive in June and will enjoy a 'behind the scenes' look.

2nd July sees our Fiftieth Anniversary meeting (with birthday cake!), addressed by Anthony Collis on "The Inn Signs of Traditional Worcestershire". Visitors are welcome at all our events – see www.hhfs.org.uk for details and contacts.

Mentor Link

Mentor Link is local children's charity which recruits volunteers to help and support children of all ages. The aim of the charity is to provide one-to-one support for children who may be facing difficulties, with the aim of generating a more positive outlook on life both personally and educationally. We are asking local residents if they would like to make a difference to a young person by giving them just an hour of their time each week. Every child forms our future generation and we believe deserves the chance to become the best they can possibly be.

We also run a Charity Shop in Stourport on Severn with the help of volunteers, and currently we require more volunteers to help us so if you can spare a few hours a week you will find a great working environment with a friendly group of volunteers and a chance to help local children.

Please contact us via email Enquiries@mentorlink.org.uk or phone us on 01299 822336.

CLUB REPORTS

AFTERNOON W.I.

The decline of our high streets and the damaging effect that this is having on local communities is the Resolution that we, like every WI, discussed at our Annual Meeting prior to National AGM in Cardiff. For the benefit of new members, we also heard about the history of the WI - its achievements and how it has changed women's lives - and about ACWW - Associated Country Women of the World - an international organisation that supports and empowers women, especially in the developing world.

Over the last year, the Craft Group has made 5 quilts for Pro Linus and plan a further one to be raffled for charity. We have also enjoyed Afternoons of Poetry and Music - on various themes but always very social with tea and chat.

Looking ahead, on Monday 8 July Ned Williams' talk is on the Co-operative Society and, hoping for good weather, on Monday 19 August we will be having our annual Garden Party.

The monthly meetings are held on the second Monday at 2.00 pm in the Community Centre. It's a friendly group with a wide variety of interests. Do come along - you will be warmly welcomed.

Rosie Wynne

EVENING W.I.

Our recent meeting in May was extremely interesting. The WI as an organization regular campaigns against injustices such as the appallingly low prices paid by the wholesalers and big supermarkets to the dairy farmers whose cows actually produce the milk. Countryside matters have also featured in past campaigns recently for action towards the survival of the honeybee (and thereby one of the main pollinators of our fruit, vegetables and cereals). At our May meeting we discussed this year's main campaign which is for the survival of town centres with their ability to provide local employment, support local businesses and shopkeepers who provide a virtuous circle by spending their income locally. Town centres also provide a sense of cohesion within the community. Past campaigns have been successful - dairy farmers now get a better deal from the supermarkets and the Government is supporting research into the causes of the decline of the honeybee. Let us hope for similar successes with the campaign to bring back life into our town centres.

Soon we shall be going for a visit to Much Wenlock and the National Trust house Benthall Hall and plans are advanced for a weekend visit by several of our members to Denman House this Autumn.

Our next meeting is at 7.30pm on Wednesday 17th July, in the Hagley Free Church Hall. Do come and join us, you would be most welcome. For more information our contact numbers are Hagley 882829 or 720219.

HAGLEY ROTARY CLUB

On 26th June 2013, in an emotional ceremony held at the Stone Manor Hotel near Kidderminster, David Dewhirst took over from David Santus as the new president of the Rotary Club of Hagley.

The outgoing president has had a very successful year leading the club through an eventful year of charitable work, fundraising and fellowship. Amongst the fundraising events was the now traditional yearly cabaret night during which the public at a packed Hagley community centre enjoyed an evening starring comedian Dougie Parker as well as music from Ashcroft & Lewis. David's chosen charity was Fast-Aid community first responders, a team of volunteers trained by the Ambulance Service to a nationally recognized level to provide lifesaving treatment to people in their local communities. The club as usual helped Belarusian children who live in the area affected by the Chernobyl nuclear disaster come to the UK for a recuperative break that improves their long term health and life expectancy. As always, there were many opportunities for fellowship through interesting speakers invited to some of the weekly meetings, theatre breaks and week-ends away amongst others.

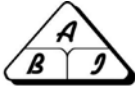

David Dewhirst takes charge for the second time, having previously been president in 1998 / 1999. He faces challenging times and has set himself the task of attracting new members to the club. David says: "I would like to organise good events, and thereby raise more money for local charities. We will have plenty of friendship and fun whilst putting something back into the local community". David's chosen charity is Diabetes UK.

THEATRE GROUP

Our Youth Section is now very busy working on our next show, the ever popular musical ‘Grease’ with rehearsals taking place three times a week. The show will be performed on 9, 10, 11, 12 October 2013 at the Community Centre with performances commencing at 7.30pm. There are several versions of this show. The film version, that most people are familiar with has a number of different songs. The version we are staging includes well known songs from the film although some aspects of the plot are different. This challenging show involves the making of the ‘Greased Lightning’ full sized car. This production will be popular and therefore we would suggest booking your tickets early. For advance tickets priced at £10.00 and £8.00 concessions please phone 07907 457217. Also please phone that number and leave a message if you would like to take part in any aspect of theatre including lighting, props, stage management, front of house and/or acting and directing. We look forward to hearing from you.

CLUB REPORTS

TREFOIL GUILD

In May we had a good birthday party for the class of '33. There was general 'bon homie' with bouquets, photographs and thank yous said.

These to Kate for hosting the event, Brenda for organising the food and a quiz and everyone really for just being there. Anne won the prize for the best 25 pence worth, though to be honest, her birthday card for 25 pence did look a bit battered – she allowed it to come from a remainder box in a local charity shop. The DSS can be surprised, nay proud of what their largesse provides.

For our July meeting on 11th, Chris and Ray have invited us to a barbecue. The rest of you can safely plan an evening in because we have yet to have good weather for this event – maybe this year!

E.O.Gingell

Playgroup

We are now recruiting for September 2013. If you have a child who is 2 yrs or over and you think they are ready for Playgroup, please give me a ring on 07899846669 or 01562 882433 at any time.

HAGLEY ART CLUB

ART CLUB

At our meeting on Friday 12th July, the visiting artist is John Pooler who will be giving the demonstration 'A Cityscape in Watercolour'.

As mentioned in last month's report we now have an Exhibition currently running at Harvington Hall in their Tea Room and Shop. Our pictures will be on display until the beginning of September, see notice last month.

Looking ahead to August, Sean Counley is making a return visit to further our knowledge of Digital Art.

Probus Club

Association of retired professional and businessmen.

Hagley Probus Club with a membership of 45 retired professional and business men who reside within a five mile radius of Hagley War Memorial, meet each month at the Granary Hotel for luncheon and a presentation of some description; the topics are very varied and are of general interest to the members, and every other month to their ladies, who visit the club.

Of recent time our presenters have included: a principal clarinetist from the CBSO, From Kidderminster to Beijing on a Bicycle Alone, The Kidderminster Hospital Chaplain and the Black Country's part in building the Titanic.

Occasional trips are other activities of the club; recently a party of 54 members and guests enjoyed a three course dinner totally created and prepared by the students at Halesowen Catering College.

Future planned trips are to Windsor Castle and a River Cruise, to Birmingham for War Horse, later followed by an evening with the CBSO including a back stage visit.

Last year's annual club holiday was to Normandy and this year it is to Belgium for a 4 night stay; thanks to Johnson's Coaches of Henley we again look forward to a very full and interesting itinerary. The June meeting was a celebration of the club's 32nd birthday, with a fine luncheon at the Granary Hotel. The ladies of our departed members and a few other invited guests were present and after luncheon we were entertained by Nonny James (late of BBC H&W) and her accompaniment.

JULY 2013

10 July – Friends Coffee Morning – 10.30 am St John's

July's Coffee Morning will begin with half-an-hour of organ music, played by Graham Rock, from 10.30 am, followed by a talk by Richard Scarth on his experience as a "Games Maker" during the London Olympics and Paralympics. As always, it promises to be an enjoyable morning. Do come along.

18 July – Mothers' Union Coffee Morning & Bring and Buy 10.45 am St Saviour's Church Hall. Everyone's very welcome for our quiet, said weekly service of Holy Communion in St Saviour's, or simply for the Coffee Morning and Bring and Buy afterwards in the hall. Please call Jacky Smith on 888404 for more information.

28 July – Compline and Music Night. One Sunday each summer we hold a Music Night – the ancient service of Compline at 6.00 pm, about an hour of music from 6.30 pm, and a glass of wine afterwards. Music will include piano and organ favourites, and may include flute and trombone items as well.

Stourbridge Food Bank

We regularly take collections of goods to Stourbridge Food Bank to help provide for needy families. If you wish to contribute through us, there is a box at the back of St Saviour's Church, along with a list of suggested items.

If they are not your cup of tea we also have the toe tapping sounds of the Big Swing as well as the acoustic voice of world renowned singer song writer Gretchen Peters

Artrix is also sporting some great new theatre with "Invisible" by Next Page productions, where normal life takes a turn when Jackie's eccentric sister claims they are invisible, and Out of the box's unusual take on a Shakespeare classic " A midsummer night's Scream."

And as always we are showing great cinema such as "I give it a year", "Good Vibrations", "The Great Gatsby", "In the house" and "Behind the candelabra" to name a few.

Hagley Catholic High School

We are delighted that finally, after much delay and with negotiation by Mr Karl Wilcox, the footpath between the school grounds and the railway station was opened at the beginning of June! For the first time, there is disabled access to the Stourbridge side of the station and we hope it will be well used by people in the village. This should also ease the pressure on the footpaths going from the schools to the station morning and afternoon.

The school has updated its security onsite with gates and Campus Wardens and we hope to be running this this month, in readiness for September.

The school hall has been refurbished and redecorated; a clear improvement on the previous situation and we hope to finish this project throughout the summer holiday.

During half term, there were two trips away, thanks to the generous support of staff: a Year 10 language and culture trip to France and the annual Year 12 Pilgrimage to Lourdes, which marked the culmination of months of fundraising and preparation to allow students to travel as part of the Archdiocese of Birmingham pilgrimage. Students experienced a wide and varied liturgical programme designed to enrich their Catholic faith. During the week students served their diocesan community through hard work in the roles of 'handmaids' and 'Brancardiers' serving the sick, disabled and elderly pilgrims. The experience was life changing, with some students beginning to clearly see their vocations and starting to make plans for future careers focused upon care for others.

Haybridge High School and Sixth Form

We began the Summer Term poignantly with the first annual rugby tournament in memory of Luke Chapman. It was an afternoon of skilful and highly competitive sport. Our thanks go to Mr Hughes for organising this very special event and to Mr Wragg and Mr Lightfoot for training the students. We have also enjoyed a plethora of musical and drama events in school and on Sunday 5th May we were once again very well represented at the Worcestershire Youth Music Gala Concert with Haybridge students in the youth orchestra, wind band and jazz band. Science has also been in the spotlight: on 26th April we had the latest in our series of lectures by eminent academics. We welcomed Dr Brian Foster from Oxford University and Professor Jack Liebeck from The Royal Academy of Music who amazed the audience of over 150 in their lecture on the links between Physics and Music. Once again, with the support of Miss Brooks, we have achieved considerable success in the national Biology Challenge, increasing our award winners from 42 in 2012 to 64 in 2013. This year students were awarded 3 gold, 4 silver, 5 bronze, 20 highly commended and 32 commended awards. This is an outstanding level of success. We are now looking forward to the annual tea dance for the older members of the community, and to our second 'Your Questions' event on 12th July, which promises to be a very interesting evening with some prestigious panellists already secured –look out for the posters!

Summer Reading Challenge comes to Hagley Library!

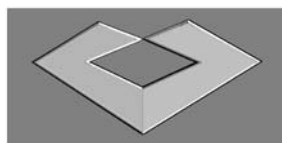

The Summer Reading Challenge at Hagley Library will be running from 13th July, and children aged 4 - 11 will be able to join.

This year's theme is "Creepy House" with suitably creepy artwork by children's writer and illustrator Chris Riddell and will provide the backdrop for a spine-tingling introduction to books with lots of spooky fun along the way!

Simply borrow and read any six books - including for the first time e-books, downloaded from the Worcestershire Libraries and Learning website. Collect spooktastic gifts along the way including stickers, bookmarks and key fobs for every 2 books read!

Help a gang of young detectives investigate clues to solve the creepy house whodunit and follow a trail through three different zones. Dare you explore the 'Awful Upstairs', can you brave the 'Gruesome Ground floor' and will you chill in the 'Spine-tingling Cellar'?

A certificate is attained on completion of the challenge followed by a medal ceremony at the end of the summer - that is, if you survive the challenge of the Creepy House... mwa ha ha!
