EDITORIAL

May 2014

'The loveliest of months!' May is always a pleasure, with the gardens and the warmth – plus the bank holidays of course! I hope everyone had a lovely Easter, whether you had two weeks or a long weekend. How lovely to be in the garden – we actually have a lawn now – a herald of Summer to come.

Good luck to all students about to sit their Summer exams, work hard to fulfil your potential and you can look forward with hope to the August results!

Village News Distribution

I am very hopeful that we have had an offer of interest in helping with the distribution of the Village News. This is a really important job and we are lucky to have had such a good manager in Jan Tandy for the last five years.

We will still need someone to assist the new manager – I hope that people would be sorry not to have the *Village News* dropping though your door each month, but would you do anything to help keep it going?

We are all volunteers at HCA; we all responded to an appeal for help at one time or another – and we are still here to tell the tale! It can't be too bad!

Contact the Editor or Jan Tandy to find out what is involved.

Thank you

HAGLEY PARISH COUNCIL

This month's update starts with a very warm thank you, good luck and best wishes to the Clerk to HPC on her retirement.

Catherine has been the Clerk since 2002 and will retire at the end of April 2014. Catherine has seen many changes to the Parish Council as well as many changes in its members. Many residents see Catherine as the face of HPC and I'm sure everyone will miss her as we will. I'm sure Catherine will enjoy her retirement and enjoy her well-deserved rest.

Alexandra Burkes will take over as Clerk to the Council and we will be recruiting an assistant in due course. Best wishes to Alex and congratulations on taking up the role.

Other matters in Hagley saw over 150 people attend the Hagley Library public meeting and almost 100 people attend the Annual Parish Meeting where Superintendent Kevin Purcell of West Mercia addressed the meeting. A detailed presentation was made in respect of the feasibility study into the boundary change between Hagley and Clent Parish Councils and the Hagley Village Strategic Plan. I hope these were informative and updated everyone with the latest positions. If you require any further clarification or information please do not hesitate to contact either the Clerk or myself.

Steve Colella

Chairman of Hagley Parish Council

THANK YOU

A big thank you to Olive Thomas aged 4 from Hagley Playgroup for the lovely Spring picture on this month's cover!

Dr. N.W. Turner B.D.S. – 30 years experience

Historical & Field Society

Colin Wooldridge is a respected local author and historian, who in collaboration with one of our members, Pat Dunn, has produced a series of books showing the past and present of Lye and Wollescote. He was the speaker for our March meeting and his subject was 'Reminiscences of Hagley and the Surrounding Area'. He showed us a selection of the 'then' and 'now' photographs of our area which he has collected over the past 20 years. His presentation, interspersed with Black Country humour, was well received and brought back memories to many of our members who have had a long association with Hagley.

There is currently much media coverage of the centenary of the start of First World War. This has concentrated mainly on the causes and horrors of the war. However, little has been said about how this war affected the daily lives people in rural Britain and how they coped with food shortages, rising prices and the anxiety of having loved ones fighting abroad and perhaps not returning. So, drawing on material from the Hagley Parish Magazines of the period, we are publishing a book in May. It will show how Hagley people rose to these challenges by fund raising, volunteering for territorial service, keeping up community spirits with local entertainments and growing additional food in newly created allotments.

Our next meeting on Tuesday 6th May at 8pm, is a social event with admission by ticket. This will include showing 'Videos of Old Hagley'. Ring 886549 for tickets.

CLUB REPORTS

AFTERNOON W.I.

It was with some curiosity that members of Hagley Afternoon W.I. awaited a talk by Charlie Homer on 'GAGA' which proved to be a Charity founded before Lady Gaga became famous! . Charlie became involved in 'Goodwill and Growth for Africa' on undertaking voluntary work after obtaining his degree. The talk was both instructive and moving on generating growth for children and communities devastated by HIV - AIDS and poverty.

Plans are well in hand for Hagley Group of W.I.s 'Not the Pancake Lunch' evening when eight W.I.s will each take part in an aspect of the entertainment.

The Spring Lunch was most successful resulting in £150 towards the 'Another Seat in the Sun' fund.

With much more to enjoy in the months ahead perhaps you may like to join us - meetings are on the 2nd Monday in each month, 2. p.m. at Hagley Community Centre or contact the undersigned for further information.

Megan Bury

EVENING W.I.

Our meeting in March was a talk about Spetchley, the Family and the gardens, which made us think about visiting next year.

Our WI was host for the Hagley Group meeting in March. Members turned up trumps and baked cakes and made sandwiches, prepared the room (with much help from Megan of Afternoon WI) all working very hard. The speaker was excellent, Karen O'Connor, an oboist with the Birmingham CBSO for 25 yrs. She is also a music psychologist, the only one in the country!

We met at the Old House at Home for lunch in March and next month it will be the Hadcroft. Pedmore Road.

This month is the end of our year and our Annual Meeting combined with discussion on the resolutions going forward to the National AGM in Leeds will happen on 21st May.

HAGLEY ROTARY CLUB

The Rotary World's Greatest Meal and Global Swimarathon projects have been phenomenally successful, raising over US\$1m for End Polio Now when matched funding from the Bill and Melinda Gates Foundation is added.

More than 30,000 people took part in the events, which were organised by over 1,000 Rotary clubs in 50 countries spanning six continents. The World's Greatest Meal alone raised over US\$ 500,000 with 300 fundraising meals taking place around the globe.

Mukesh Malhotra of the Rotary Club of Hounslow said: "These were very simple ideas which came from humble beginnings. With the extraordinary commitment and support of Rotarians all over the world and the use of social media, we have been able to break records, generate worldwide publicity and raise enough money to protect millions of children from polio. A big thank you to everyone who took part."

Rotary's next big fundraising push for End Polio Now will be on World Polio Day in October.

If you would like to learn more about the Rotary's local, national and international activities, please visit our website on www.1060.org.uk/hagley, or find us on Facebook and twitter.

On **May 13th** we are going by coach to visit the Shri Venkateswara (Balaji) Temple in Tividale. We leave Hagley Community Centre Car Park at 6.30pm promptly. Please contact Ann Pagett if you would like to join us, there may be a few places still available, on 882692. This should be a most interesting and informative evening learning about the Hindu faith.

On **May 27th** Dr Anthony Joseph will give a talk entitled In Search of Jewish Ancestry, tracing the history of the Jewish community in Birmingham. We have in the past enjoyed a visit to the Singers Hill synagogue in Birmingham.

Looking forward to June, we have our Own Evening on **June 10th**. This year we will be having a quiz prepared by the groups. Both these meeting are at St Saviour's Hall at 8.pm. Do join us.

HAGLEY ART CLUB

ART CLUB

On Friday 9th May we will be holding our AGM, which had to be postponed from the scheduled date of 14th March. This will be an important meeting as we are looking to elect at least two new members on to the Committee.

Looking ahead to June, this is going to be the occasion to celebrate the Club's 25th Anniversary Year when we will be welcoming Marion Canning, a 'Lady Toastmaster' for the evening.

More details next month.

Anne Garth

Girlguiding in Hagley

Guides' 'Back to the Future' Science themed trip to London.

In March 1st and 2nd Hagley Guides boarded a private train full of 400 Worcestershire Guides for a fun day out in London.

“Our trip with guides to London was an experience to remember and treasure. We met up with the rest of the units at the train station at what seemed too early in the morning! We met scientists and engineers aboard the train, and got thinking scientifically with activities on board.

In London we took several tube rides to get to the Crystal, an exhibition which showed us all what would happen if the world's population kept increasing at its already rapid rate.

We then headed through the lovely spring sunshine to the Planetarium in Greenwich, where the presenter showed us many interesting things.

Then we dashed to one of the stops to try to get the river bus and we went speeding along the River Thames. All of us were smiling as the ones who sat at the back in the open air section got lightly sprayed with water.

We headed to Trafalgar Square, where some of us made our Guide promises, whilst surrounded by lions and pigeons and overlooked by Nelson, it certainly made them feel very special!

Finally, we went back to Baker Street and then walked back to a Pizza Hut. We all had some pizza and some ice cream and then it was time it was time to go home, so we walked back to the station and got back to the train, all of us safe and having thoroughly enjoyed the day.”

Miranda

TREFOIL GUILD

The visit to Kidderminster Carpet Museum was a great success. The staff was very welcoming and a very informative couple of hours was enjoyed. One of our members said she felt she would like to see it all again soon. Recommendation indeed.

Marjorie is in charge of our May get-together. A fish and chip supper is planned. The date is Thursday 8th May. It would be helpful if you could let Marjorie know by 3rd if you intend to come

CLUB REPORTS

There's a treat in store for folk fans at Artrix this May, firstly with the appearance of Irish songstress Cara Dillon and then Julie Fowlis who will be singing tracks from her new album.

Other musical highlights include the stage production of The Simon and Garfunkel Story and The Searchers, who will be playing all the favourites such as 'Needles and Pins'. Rock and blues heroine Chantel McGregor, renowned for her electrifying performances, is also in the line up as are the Larry Miller Band and 70s icons The Real Thing.

Comedian Lee Hurst is back on the road to ask the audiences what winds them up and graduates from Artrix's very own Comedy Skool will be presenting some fantastic original material.

Academy award winner Sam Mendes will be directing the NT Live's production of King Lear and later in the month there will be a screening of the RSC Live's production of Henry IV Part 1. A not to be missed event for dance enthusiasts is Intoto Dance which showcases the work of up and coming choreographers in contemporary dance.

Cinema highlights include Her starring Scarlett Johanssen and The Grand Budapest Hotel.

THEATRE GROUP

Rehearsals are now well under way by for our Youth Section's production of the popular 'Les Miserables'.

There is some weight of responsibility on young shoulders as our Youth Section have been staging some great shows over the last twenty-five years that began with 'Bugsy Malone'. Since that show, which was a real eye opener on what the talented youngsters of Hagley could achieve, the annual Youth Section musical has been major feature of the Theatre Group's work. The Youth Section has always been prepared to take risks by producing different takes on shows. The forthcoming production of 'Les Mis' also promises to be a unique version of this well loved musical.

The show will run from 8-11 October 2014 at the Community Centre. More details will follow in future issues of the Village News. If you would like to order tickets and/or get involved in live theatre then please leave a message on 07907 457217.

Gardeners' Club

Members enjoyed an entertaining evening with Andy Pedric talking about 'Clematis' in his usual amusing way and he brought a wonderful display of clematis for sale to the delight of his audience.

On May 28th we are delighted to welcome Helen Weldon who is dedicated to rescuing her beloved Hedgehogs. Helen will capture her audience with the love and tender care she gives to these shy creatures and with luck she will bring along her pet hedgehog if he is still with us!

We are now taking bookings for our first Outing of the season on June 21st. We go to Broadway in the morning to browse around the interesting shops and have a coffee in one their inviting cafes, then on to visit 'Chipping Camden Open Gardens'. We arrive in time to have lunch and then you are free to visit the gardens at your leisure. There will be 20 plus gardens for visitors to enjoy and other exhibitions around the town also many delightful shops to tempt you. This should be a lovely day out; we just need the weather to be kind to enjoy it to the full. The cost: including coach, entry tickets and drivers tip is £17 per head.

Visitors are welcome to join us. Details: Judy Berrow 01562777014.

June 25th welcomes Ross Barbour (head Gardener) taking us on a 'Virtual Tour of Ragley Hall Gardens'

We meet at St Saviours Hall, West Hagley on the fourth Wednesday 8.00pm.

Hagley Catholic High School

The Summer Term is a busy time at school: the first half dominated by public examinations, and the second by many extra-curricular activities.

Recent Events A cohort of our KS4 pupils recently undertook a pilgrimage to Rome; highly anticipated by the pupils, it was a trip of a lifetime and one not to be forgotten in a hurry! We gathered together at school incredibly early (even before the caretaker was awake) and set off by coach to Gatwick Airport. The stress of remembering passports and tickets was soon forgotten, when we arrived in the capital of Italy. Despite early forecasts of rain, the weather wasn't too bad at all.

Highlights included: a trip to the 'Time Elevator,' an interactive 4D film detailing the history of Rome; early morning and evening visits to the Coliseum and Forum to discover the wonderful ancient architecture that the city has to offer; visits to the San Giovanni Laterano church, the original papal church of Rome and the Scala Santa, the steps which Jesus climbed up in Pontius Pilate's Praetorium be crowned with thorns and scourged and a trip to the Catacombs of San Callisto – early Christian underground cemeteries. The highlight of the trip was attending the Papal Mass on Palm Sunday at St Peters, led by Pope Francis; an experience we will never forget... similarly, eating the delicious gelato at the Trevi Fountain late at night will also be fondly remembered.

Upcoming Events

7 May: Presidential Election

12 May: Exams begin

26-30 May: Pilgrimage to Lourdes

B. McArdle

Haybridge High School and Sixth Form

We are delighted to announce that Haybridge has once again been successful in securing Teaching School designation for a further three years. The two most significant strands of this work are training new teachers for the profession and school to school support. This year we moved to working with the University of Birmingham as our partner for our initial teacher training work and have filled all our allocated places for 2014/15.

We are proud that in this changing world of education, the Arts continue to thrive at Haybridge. This term we enjoyed our school production, the first led by Mr Burt, and what a wonderful show it was, with talented students from Years 7 to 13 taking part. Monday 3rd March saw our first ever Creative and Cultural Futures Day, to mark National Careers Week. Sixteen different arts organisations and individual artists came into school to share their insights, work histories, skills and advice with students and staff from Haybridge and our partner schools.

Maths and Science also continue to thrive of course! Students recently part in the regional finals of the Team Mathematics Challenge, gaining 55 out of 56 marks in the most challenging round and going on to secure second place overall. Congratulations go to Jasdeep Mahal, Tom Fell, Sam Abrams and Megan Healey. We were also delighted to welcome to school for our Spring lecture a team from Oxford University who presented a series of exciting demonstrations under the heading, 'Physics is Cool with Liquid Nitrogen'.

L. Byford

Bromsgrove & District

We are a team of local volunteers who are affiliated to the British Heart Foundation and deliver basic emergency life support training in the area. We receive no funding apart from donations, and our members have a wide range of first aid experience, although none is needed to join as full training is given.

Over the past year we have given 26 demonstrations to a total of 339 people, belonging to local clubs, walking groups, hospital groups, colleges, schools, businesses and the Guides. We meet monthly in Hagley to organise and discuss our demonstrations and to train so that our skills are always up to date with current practices.

Demonstrations involve a minimum of four of our team visiting a venue to deliver training. The topics we cover are:-

- How to deal with loss of consciousness
- A defibrillator demonstration
- Recognition of someone having a heart attack
- How to perform CPR
- How to deal with choking
- Control of severe bleeding

These sessions are usually very lively and require active audience participation where everyone is encouraged to have a go using our specially adapted mannequins. At the end of the course certificates are issued to those who have successfully participated, followed by a Q and A session. We often get to hear of stories of how someone's life has been saved after they have received similar training, and that makes it all worth while.

So if you would like to know how to save a life or know of any group that would benefit from a training session then please contact Judy Hancox on 01562883832 for an informal chat about what is involved.
