At this time of year we are always delighted to hear from former students who contact us to tell us about their successes as they progress through and complete their university courses. This year we are delighted to congratulate a number of geographers, including Adela Cragg, who is graduating from Oxford Brookes with a First in Geography. She says: 'Haybridge equipped me well for university life. I had great teaching, I was used to working independently and to seeking out tutors when I needed extra guidance – same as uni really!' Eleanor Quinlan has also achieved a First in Geography at Sheffield; she starts her two-year Masters in Glaciology and Polar Environments at Stokholm University in August and her delighted parents have spoken of the 'inspirational teaching and support' she received' which contributed to her success. Congratulations also to Laura Read, another talented Geographer who has achieved a 2.1 from Aberystwyth, to Grace Carpenter on her First in Occupational Therapy and to Harry Taylor for his 2.1 in Politics.

Meanwhile, we have also heard from Phoebe Facer who is currently studying Mathematics with Business Management at Birmingham University. Phoebe is one of only five Ernst and Young scholars in the country, and is about to start her third internship in London. She says, 'I would encourage any Maths student to apply to Haybridge for Sixth Form; the teaching really is top class! If you want the best possible opportunities at Sixth Form, then definitely consider applying to Haybridge this year.'

### **Editor's note:**

Local Hagley musician and sportsman, Bev Pegg won the UK National Over 70's Racketball Championship event held at Edgbaston Priory Club on weekend 20th – 22nd June 2014

Bev won the Over 70s National Championship in 2012, but was unable to enter the 2013 event due to the date clashing with his band playing at The Upton Jazz Festival.

However, he regained his title on Sunday 22nd June by beating last year's champion, Rod Embley 3-2 in the final.

"Playing three long hard matches in under 22 hours is pretty strenuous when you are 72 years old said Bev. My body aches a little bit I must admit!"

# Historical & Field Society

Joe Hawkins is becoming one of the best known names in Hagley. His passion for the landscapes of England and his enthusiasm for the task of managing the restoration of the Arcadian features of Hagley Park is quite infectious. This was his topic for our June meeting and I suspect that for many of our members, this will not be the first time they have heard Joe's talk during the past year. However, this is not a problem because, as the restoration work has progressed in the Park, so the story has evolved. Even with much of the work complete, lost features are still being rediscovered and reinstated.

With the Park reopening in 2015 we will once again be able to see the follies, features and landscape which were largely the creation of George, 1st Lord Lyttelton. Hagley Park once considered one of the finest landscape gardens in England was visited by the nobility of the time. Its creation was inspired by ideas from 'Grand Tour' paintings and the works of some of the great poets of the period, especially John Milton's *Paradise Lost* and *Paradise Regained*.

Our next meeting on Tuesday 2nd September at 8pm, sees Ellie Targett presenting 'Another Man's Shoes'. She tells the extraordinary story of her father's flight to freedom from the Nazis, after she and her sister retraced his steps and reclaimed the shoes he wore on the epic 200-mile trek. Visitors are most welcome at all our events – see [hhfs.org.uk](http://hhfs.org.uk) for details and contacts.

**HAGLEY ART CLUB**

## ART CLUB

In June our 25th Anniversary Year Celebration was a great success, attended by past and present members. The cake, made by Jean Riley one of our members, was a "Work of Art" in itself, depicting an art exhibition in icing. Our visiting speaker, Marion Canning, a Lady Toastmaster, was excellent, very interesting and amusing. A most enjoyable evening.

On Friday, 8th August, our visiting artist Stan Kaminski will be giving a demonstration "Ballet Dancers in Gouache". A rare subject and medium for the Club, which we look forward to with interest. Any ballet lover in Hagley who would like to come along as a visitor will be very welcome. There is a small fee which includes refreshments. The evening starts at 7.30 pm in St Saviour's Church Hall.

Looking ahead to September, our visiting Artist will be Rob Waring, demonstrating "Portraits in Oil".

### AFTERNOON W.I.

Having had a lovely Spring Lunch at Barnt Green Cricket Club, visits to a production of High Society at Sunfield School and 'Oh What a Lovely War' at the Rose Theatre were also much enjoyed.

Andrew Crabtree entertained members royally at the June meeting with 'Songs from Broadway'. An accomplished Musician and a very good Speaker, Andrew gave the background to the various composers and lyricists and of how the ideas for the musicals came about. He played music from the shows such as Oklahoma, Carousel Anything Goes and the Sound of Music. Altogether a most interesting and enjoyable afternoon.

Members have several events to look forward to during August, one of which being a Picnic Party! Those attending will bring their own picnic and the Hostess will provide a cup of tea! Hopefully, the weather will be good but if not there will be an 'Indoor Picnic Party'!!

Meetings are held on the 3rd Monday in each month. 2 p.m. at Hagley Community Centre. Visitors and prospective members are always made most welcome and we would be delighted to meet you.

Please contact the undersigned on 01562 885215 for further information.

### EVENING W.I.

Our talk in June was on the bringing of the scouting and guiding experience to the children at Birmingham Children's Hospital. The late Mr. Briggs, of the Birmingham Scouting Association, had been the leading light in setting this up some ten years ago, requiring a lot of negotiations with the hospital authorities initially but now running with regular sessions. Although many children are only in for a short stay it was a means of bringing something to them that was not hospital related - also siblings and parents can be included, thus helping the family to relax together during the stressful time of a hospital stay. The local members of the Trefoil Guild joined us for the talk and refreshments.

One of our members was a land girl during WW2 and earlier in the month we had had a trip down memory lane with her to the Wodehouse in Wombourne. It brought the realization of what she and many others had gone through so much more clearly than seeing it on the screen.

During this month of August we are going to Bridgnorth and also to The Museum of Lost Content, a fascinating collection of 'I remember that!' ephemera. At our September meeting we shall be celebrating the 50th birthday of Hagley Evening WI and in October, on Wednesday 15th, we shall be meeting 'Hot Wheels, Cold Meals' by Rosemary Prosser. It promises to be an interesting evening so do come and join us, you would be most welcome. For more information our contact numbers are Hagley 882829 or 882875.

## HAGLEY ROTARY CLUB

### **Broken records at the Rotary convention in Sydney, Australia.**

A record-breaking climb across the Sydney Harbour Bridge raised enough money to protect 240,000 kids from polio. On 30 May, 340 participants ascended the bridge, eclipsing the record previously held by Oprah Winfrey for most climbers on the bridge. Waving 278 flags, they also broke the Guinness World Record for most flags flown on a bridge.

The World's Biggest Commercial, Rotary's public awareness campaign for polio eradication, set a Guinness World Record for largest photo awareness campaign. More than 100,000 people from 170 countries have uploaded their photos, including Archbishop Desmond Tutu, Bill Gates, Archie Panjabi, Jackie Chan, and many more.

While Rotary's work to end polio took centre stage at the convention, it wasn't the only Rotary initiative getting attention down under:

- Providing clean water. Collaboration and partnerships were emphasized at this year's World Water Summit.
- Promoting peace. Mwila Chigaga, former Rotary Peace Fellow and gender specialist at the International Labour Organization, spoke about ensuring decent work and equal opportunities for men and women.
- Fighting disease. Renee Saunders, of the U.S. Centres for Disease Control and Prevention, spoke about ways to achieve an AIDS-free generation. Professor Martin Silink spoke of the challenges he overcame — with Rotary's help — to make diabetes a United Nations resolution.

If you would like to hear what Rotary is all about, please visit our website [www.1060.org.uk/hagley](http://www.1060.org.uk/hagley), call Ted Rayment on 078649636224 or e-mail [ted@tedrayment.co.uk](mailto:ted@tedrayment.co.uk)

We meet every Monday, 19:15 for 19:30 at the Stone Manor Hotel, Kidderminster.

## **THEATRE GROUP**

No doubt the members of our Youth Section are hard at work in the summer break learning their songs and going over their moves for our forthcoming production of: 'Les Miserables: School Edition'. Although this version is called the 'School Edition' it is only slightly shorter than the main version. The West End producers of Les Miserables have had much to celebrate recently as it is now the world's longest running musical being in its 29th year.

We also have much to celebrate as our production sees the Youth Section completing 25 years of staging great musicals. This show will run from the 8-11 October 2014 at the Community Centre. Performances commence at 7.30 pm. Tickets are already selling quickly and we would suggest that you obtain yours as soon as possible. These are priced at £10.00 and £8.00 concessions (retired, children etc). If you would like to order tickets and/or get involved in live theatre then please leave a message on 07907 457217.

## 3rd Hagley Brownies

The Brownie sections of the Girlguides are celebrating 100 years of their formation. Brownies in Hagley, Clent and Belbroughton (which makes up Walton district) though, are not that old. The first Brownie unit to open was in Clent (which closed) but we are not quite sure of the date and the present 2nd Clent reopened not so long ago. Belbroughton too had a Brownie unit for many years but this unfortunately also closed 6 years ago. Hagley have three units, the oldest being 1st which last year celebrated 50 years; 2nd opened in 1966 with 3rd Hagley now 40 years old.

Brownies were founded by Lord Baden Powell and his sister Agnes in 1914, the year of the start of the First World War. At first they were called Rosebuds but the name was not liked so Lord BP renamed them Brownies after remembering a childhood story about little folk who came at night and did good deeds around the house. So Brownies grew and the girls were encouraged to be helpful, independent and to do it in a very unassuming manner. Today the Brownie section is the most popular in the Girlguiding movement with more girls having been Brownies than in any of the other section. They are so well known that we have come to use the expression when people help each other as “thank you, will gain brownie points”.

We are very fortunate in Hagley to have three very full units with many more on the waiting list; this is down to the dedication of the leaders in all the units we have had and still do, many who have run the units for over 20 years plus.

The Brownies have been celebrating this Big Birthday as it is known, in many ways. Some have been on a sleepover away, others have joined in a special event organized by Division and we held our own event in June - a Mad Hatter's tea party - with the Brownies decorating hats, making necklaces with a white rabbit's watch attached, playing croquet using inflatable flamingos and balls with themselves as the hoops and enjoying getting wet with the tea tray game. Of course there has also been a lot happening in the units' weekly meetings.

However you remember Brownies, and many do in a very fond way, whether it was as a Brownie or leader, we must all agree on the positive effect that the movement has had and continues to have on the individual and society: how many of us say “I learnt that as a Brownie”?

Well done and thank you to all the past and present leaders of all the Brownie units and a very Happy 100th Birthday.

Sue Hemmings  
District Commissioner (Walton District)

## CLUB REPORTS

### TREFOIL GUILD

For our June meeting we were the guests of the Evening W.I. to hear a talk on Guiding/Scouting in Birmingham Children's Hospital. While long-termism was not the name of the game, it was hoped that, when recovered, an interest may have been fostered and patients became participants in their local groups.

We had to find our party manners again later on in the month, when invited to the celebration of the Brownies' 110th Birthday. Those of us who had, in a previous life, been involved in running packs, found the whole event a delight. Thank you so much for asking us.

On Wednesday 13th August we have been invited to join the Lickey Trefoil Guild for the evening. Chris has the details for this. She is also organising the barbeque the next evening – 14th at 7.00pm. This way we save on 'phone bills. One call to Chris will give you all the information you need for both evenings. How's that for economy of effort? As long as you're not Chris, of course!

With summer in full swing, there's plenty on offer at Artrix this month for the whole family.

**Family Fun Festival** which runs from 1st to 15th August. There's lots to occupy the little ones as well as parents including a visits from **Magic Russ** and **Hugless Douglas** and an **Urban Dance and Free Running** class. The festival culminates on Friday 15th August with drop-in activities running from 10.30 am to 3.00 pm. There's a wide range of activities for all age ranges including a DJ Workshop session, a talent show and a creative dance workshop.

**Remi Harris**, an exciting young guitarist and composer, takes traditional gypsy jazz and swing characteristics and infuses them with a myriad of influences. Other treats for music fans include Quill. With strong vocal harmonies influenced by Fleetwood Mac and the artistry of violin and guitar, this band will captivate and entertain in a truly dynamic style. A group of professional session musicians formed **The Mods** 15 years ago and they have now evolved into one of the most exciting groups around, delivering entertainment full of humour and outstanding musicianship.

**Madcap Theatre** present **Twelfth Night**, combining music, dance, stage combat and physical theatre to re-tell the well-known Shakespearian tale of love and confused identities. Later in the month, Artrix's own Summer stage school celebrates some well-known musicals as a group of young performers lead us through favourites from the shows.

# Gardeners' Club

Members and visitors who visited Broadway and Chipping Campden in June had an interesting, colourful, enchanting, exhausting day with wonderful weather and many opportunities to wine and dine, shop until they dropped or visit 33 diverse gardens. A tired but happy troop returned to the coach but agreed they had enjoyed a wonderful day in the Cotswold's.

Our June meeting was an evening of joy, touring round the resurrected gardens of Ragley Hall. Ross Barbour shared his love and dreams of reinstating the once beautiful designs and plantings, which had been unfortunately neglected due to various reasons through the years. The slides through the seasons were tantalizing, particularly in spring plantings of crocus, daffodils, aconites, hellebores etc. It certainly tempts a visit in the spring.

July 23rd we visited Astley Towne House just outside Stourport-on-Severn, a garden full of unexpected surprises.

On **Saturday August 9th** our Outing is to Evesham Country Park followed by a visit to 'Langdale', Adrian James's outstanding garden in Offenham created in 5 years. Visitors very welcome.

More information from Judy Berrow 01562 777014.

**September 24th** – 7.30pm – **PLOUGHMAN'S SUPPER**. Our popular start to the autumn/winter programme. Tickets - Judy Iliff (01562 883568).

We meet at St Saviours Hall, West Hagley on the fourth Wednesday. 8.00pm.  
Happy Gardening

## Hagley Catholic High School

As we relax during the Summer Holidays, and patiently await our examination results, we reflect upon the final weeks of term and all that we achieved.

### Recent Events

At the start of July, a group of Y9 pupils contributed towards the 150th Anniversary of Our Lady & All Saints Parish, Stourbridge. As part of their celebrations, the parish invited the school to design a display for their Flower Festival. A group of pupils have worked on this design throughout the year, which incorporated the school badge, completely made out of flowers, the arts logo and our school motto, *Semper Fidelis*, meaning 'always faithful'. Pupils visited the church to install their design under the guidance of Mrs Morley, from our Sixth Form team, who is also a parishioner of Stourbridge. Pupils really enjoyed working on this project and contributing to one of our feeder parishes.

Year 12 students held their annual Garden Party and were blessed with sunshine to enjoy a sparkling drink and strawberries and cream. This is the first event organised by the new Sixth Form Committee who will steer the Sixth Form and school in many events over the next academic year.

Pupils in Y8 enjoyed an exciting week of PE in The Gower, Wales. The vast majority of the year group spent a week taking part in kayaking, mountain biking, open lake swimming and various other physical pursuits, set in the glorious Welsh countryside. A fantastic, if tiring, time was had by all!

Sixth Formers taking their Silver Duke of Edinburgh award undertook their qualifying expedition at the start of July to the Forest of Dean. The weather was kind and despite a few minor navigational errors, all students successfully passed the expedition – and a good time was had by all!

Year 10 also undertook their Bronze qualifying expedition at the Long Mynd before we broke up.

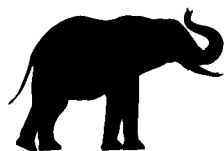

Enrichment week dominated the final week of term. Pupils throughout the school spent four days off-timetable, partaking in various events including jewellery making, enterprise, stained glass windows, trip to the Snow Dome, visiting a Sikh Gurdwara, batik, candle making, exploring Kenilworth Castle and many more activities. It was a fantastic end to another successful year.

During Enrichment Week, Year 12 students were given the opportunity to find relevant work experience, to enhance their Personal Statements and their UCAS applications.
