Hagley Parish Council

The Parish Council is always very pleased to report some positive news for Hagley; the positive news keeps coming with the confirmation that we have been successful in an application for 30 trees donated by the Woodland Trust.

The trees will include Silver Birch, Rowan and Wild Cherry and dependent upon delivery it is hoped that two of the Wild Cherry trees can be planted by local children at the War Memorial in time for Armistice Day.

Some of the remainder of the trees will be used to form a memorial avenue at the Parish cemetery with others planted around the Parish after discussion and agreement by the Parish Council. This is a fitting way to remember the fallen from Hagley from two World Wars and each one will be dedicated to a named soldier on the war memorial.

Reading medals were presented in the Library to children who had successfully completed the 'Summer Reading Challenge'. Many thanks to the staff and volunteers in the Library and congratulations to all the successful readers who have taken part.

'Christmas in Hagley 2016' takes a step closer and a really big thank you to the members and Clerks of HPC for their support. The evening for your diary is the 24th November. It will start at 5:30pm in the Free Church with a Nativity story where some of the children can join in and dress up as the characters (Open the Book). This will be followed by the Hagley Community Orchestra which Santa will lead, taking us to the Christmas Tree where there will be carols and the switching on of the tree lights at approximately 7pm. This promises to be a great evening and the shops will remain open until 8:30pm. Other attractions are being organised as we speak, it's free and a great way of launching into the Christmas spirit, supporting the businesses and the Hagley community.

Just as a reminder works on the Pavilion will be starting soon and access via Church Street through the playing fields may be restricted at times. Any disturbance will be kept to a minimum as far as possible whilst works are carried out.

VILLAGE INFORMATION

BROMSGROVE DISTRICT COUNCIL UPDATE

At the meeting of full council on the 21st September the members supported a motion to reinstate the Highways Forum and to make a formal representation, through the leader of the council to WCC Highways to highlight the District Council's concern with Highway's performance on strategic planning and major highways projects.

At the same meeting it was highlighted that the new Highways Traffic Model does not include Hagley i.e. A456 and A491. This is seen as a critical weakness in terms of impact assessment particularly from the proposed estimated 1,500 new houses in the Town. The assessment of the proposed housing in Whitford and Perryfields has been presented to ward councillors raising concerns of under representation of traffic impacts not only in the Town but in outer reaches of the district.

A recommendation to submit the Council's Medium Term Financial Plan to Government was defeated based on a number member concerns that there are serious risks that the Council's Efficiency Plan is flawed, there is excessive pressure on council reserves and the long term risk to the Council.

It was agreed to ask the Overview and Scrutiny's Finance and Budget Working Group to work with the Head of Finance to produce a viable and effective plan before the submission deadline. A meeting of the Group was followed by an extraordinary council meeting on the 13th October.

The Bromsgrove District 'Place Team' carried out a litter pick along the A456; this is to be followed by a co-ordinated 'tidy' of this route in conjunction with Worcestershire County Council.

Proposed enforced changes to health community services and primary care across Bromsgrove has recently been highlighted to members of the district council. This is as a result of cuts to Worcestershire County Council budgets and could have serious implications for NHS child care services in Hagley.

District Councillors

Steve Colella and Rachel Jenkins

HAGLEY LIBRARY

Congratulations to every child who took part in the Roald Dahl themed Summer Reading Challenge at the library – you are all Phizz-Whizzing! We really enjoyed meeting you and hearing about the books that you borrowed and we were amazed that nearly 120 children completed the challenge and read 6 books! Well done to all of you!

If you have discovered a love of reading and are 6-10 years old why not come to our Chatterbooks group once a month on a Thursday after school? You'll be able to see the new books that have just arrived and we play games and activities about your favourite books and authors. This month we meet on 3rd November.

If you are looking to learn a new skill indoors now that the weather is turning a bit colder, then take a look at our 3 hour calligraphy course that runs on Saturday 12th November. It's a workshop designed to inspire! Peter Lloyd, an experienced tutor and professional calligrapher from The Pigsty Studio in Abberley, will show you the diverse world of calligraphy through this introductory workshop for beginners and those with some experience. Learn how to hold a broad-edge pen, and how to construct the Foundation Hand alphabet and evaluate your own work together with tips which will allow you to continue with this addictive art.

If you're planning a holiday, then consider our Introduction to Italian course that starts in January which is ideal for those with little or no knowledge of Italian. You will learn vocabulary and phrases for common tourist situations in Italy and listen to spoken Italian.

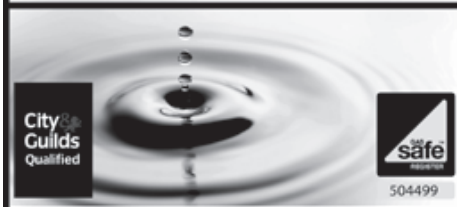

If you are interested in either of these sessions, please visit the library or book online at www.capublic.worcestershire.gov.uk/coursebookingpublic/

We supported World Osteoporosis Day on 20th October by fundraising with tea and cakes and a visit at one of our classes from Katie Hall Regional Development Manager for the National Osteoporosis Society.

We discussed of a diet rich in bone healthy nutrients – calcium, vitamin D and protein being most important for bone health along with safe exposure to sun shine to top up your vitamin D. The other important recommendation for the prevention and management of osteoporosis is regular exercise – the best form being 'weight-bearing, muscle strengthening and balance training' - which is EXACTLY what we do at our Tuesday afternoon classes at Hagley Community Centre!

Classes are filling up very quickly so don't miss out come along for your free taster session as soon as you can – ring us to book.

You may also like to know we have now started a new 'Happy Hearts' class at a venue near Merry Hill but if you feel this is something you would be interested in at Hagley then please ring and register your interest as we plan to start a new class at the community centre soon. It is an hour long class for anyone post retirement who wishes to improve their cardio heart health but prefers to do this away from a gym. Instructors are BACR IV trained (British Association of Cardiovascular Prevention and Rehabilitation) and therefore the class is suitable for people with controlled and stable heart and lung problems.

Artrix in November

A visit from Marcus Brigstocke, a Pink Floyd tribute act and a Jane Austen parody are amongst the highlights at Artrix this month.

Austentatious are saddling the horses again for a brand new Austen improvisation which happens before your eyes. There will be another Licensed to Rhyme, a new monthly spoken word event and ballet fans will enjoy the Encore screening of The Australian Ballet's version of Cinderella.

There's a huge variety of music at Artrix this month. Glenn Tilbrook, will be reprising his days from Squeeze and Robinson Stone will be performing a tribute to local songwriter Clifford T Ward. English folk singers Lady Maisery will be making an appearance, as will Raymond Froggatt, Think Floyd and the former Steeleye Span fiddle player Peter Knight.

November comedy highlights include Marcus Brigstocke, Jonathan Pie and Beth Vyse.

Films and screenings at Artrix Cinema this month include Bridget Jones's Baby, Kenneth Branagh's The Entertainer and Alan Bennett's Diaries Live.

Artrix's new café is open daily 11-2 for lunch and hot and cold drinks.

For further information on all the shows in September please visit www.artrix.co.uk or call the box office on 01527 577330.

Hagley Country Dancers

We meet every Monday up to and including Monday 12th December. Please do come along and join in at the Free Church Hall between 2 and 3.30pm on Monday afternoon.

We have about 25 members and attendance varies between 15 and 20. We dance a mixture of the Playford tradition dances, Community dances and dances composed more recently. We have a rota of five resident callers who bring their individual style to each afternoon. No experience is necessary and all dances are walked through before dancing.

The atmosphere is very relaxed and informal – anyone looking for some gentle exercise, some friendly chat and a bit of a laugh is very welcome.

CLUB REPORTS

Hagley Historical and Field Society

Fashions have changed over the years in the way in which we deal with our dearly departed. Cremation is now chosen by over 75% of us. However, in late Victorian times burial was almost universal and the Victorians had an obsession with conducting the most lavish funerals, often spending more on death than in life. Thus, on the wave of this obsession, in 1894 Newman Brothers completed a purpose built foundry and factory on the edge of the Jewellery Quarter in

Birmingham to make some 'brass' in both senses on the word.

Newman Brothers were brass founders and manufacturers of high quality brass coffin fittings which were distributed all over Britain. The story of the rise and fall of this business was the topic of our speaker this month, Simon Buteux. Simon is the Director of the Birmingham Conservation Trust responsible for turning the old Newman Brothers' works into Birmingham's newest museum. He told us that Newman brass fittings were used on the coffins of many high profile figures including Joseph Chamberlain in 1914, Winston Churchill in 1964 and the Queen Mother in 2002. They also made fine quality funeral cloths in which one would have been 'quite happy to be seen dead in' (Simon's quote). To keep up with trends in later years they made Birmingham City and Aston Villa football strips for ardent fans to be laid out in.

Our next meeting is on Tuesday 1st November. There will be a presentation by Sandy Cale entitled 'Elegant Georgian Worcester'. Sandy has been a Worcester Walks Green Badge Guide since 2000. She will give us a pictorial guided walk through Worcester in Georgian times, dressed in period costume.

Visitors are most welcome at all our events – see hhfs.org.uk for details and contacts.

Jeff Cope

Hagley Gardeners' Club

Our Harvest Supper was as usual 'Fit for a King' prepared by Judy Iloff and her energetic team. John's Quiz as usual bringing energy to the evening. A lovely welcome to autumn.

November 23rd - a return visit from one of our favourite speakers – Adrian James. He is going to talk about 'Newlyn – a Nostalgic Tour'. No details but Adrian always captures our imagination with his wonderful slides and enthusiastic tales. Don't miss another stimulating evening.

A reminder that we do not hold a meeting in December but the committee would like to take this opportunity to wish everyone a Very Happy Christmas.

We start off 2017 with our Annual Social on Wednesday January 26th at St Saviour's Hall. We will be starting with a lovely meal provided by outside caterers and then entertained by a return visit from Mary Bodfish with her Talk – 'Beer, Bets and Bull-baiting'. Tickets from Judy Iloff Tel: 01562 883568.

Garden Tip for November

In-fill pots for winter/spring.

Plant up many different plastic pots to fit inside various stone/ terracotta pots. Mark them clearly on the outside with a white permanent marker to identify which stone pot it fits. Once marked it is easier to exchange the dying display for a new one. Also plant up a range of 3" pots with miniature daffodils, iris, crocus, cyclamen and snowdrops to insert into a larger permanent display. This saves disturbing the whole pot. Using plastic pots saves the soil drying out and from freezing.

*Happy Gardening
Judy Berrow*

CLUB REPORTS

Hagley String Orchestra

I wonder how many readers of the Hagley News know that living in their midst in Hagley is a composer of international repute who is enjoying performances around the world and whose symphonies have been superbly recorded by the renowned Czech Philharmonic Orchestra. Andrew Downes has recently celebrated his 65th birthday with a highly successful concert of his music performed in Birmingham Cathedral.

Andrew's wife, Cynthia, is our Principal viola player, and we've been learning Andrew's Five Movements for Piano and Strings which he wrote in 1976. We've recently had the added bonus of rehearsing with pianist Tony Bridgewater and the music is now coming together very well. We also enjoy playing Tony's Humoresque which he composed especially for us.

Also in our autumn programme is a beautiful piece by Wagner and Three Divertimenti for Strings which Mozart composed when he was merely a lad of 15 – extraordinary!

We've been saving for the end of this term two superb Christmassy works: a Brahms Chorale Prelude 'Es ist ein' Ros' entsprungen' and Corelli's Christmas Concerto Grosso No. 8.

If you want to know more about us, please contact Haydn on (01562) 885252; sanhay50@gmail.com.

CLENT HILLS SINGERS

REHEARSALS for CHS AND ALSO FOR COME AND SING MESSIAH?

Clent Hills singers rehearsals are on Thursdays at 7:30pm in Hagley Free Church, and finish at 9:30pm.

Over the autumn term we will be holding a series of workshops, to sing some interesting works, ending with Handel's Messiah; anybody is welcome to join us.

From Thursday 17th November we will commence rehearsing for COME AND SING MESSIAH, which is to be held on Saturday December 10th in St John's Church Hagley. We are opening up these rehearsals to anybody who is interested. Rehearsals for Come and Sing Messiah will be held on November 17th, November 24th, December 1st & December 8th, there will be no charge for these rehearsals, but there is a charge of £12 for singers on the day.

Thursday December 8th will be our final rehearsal.

Hagley Community Orchestra

Hagley Community Orchestra will be playing at the Turning on of the Christmas Lights festivities in Hagley Village on November 24th. We will be playing popular Christmas Music in Hagley Free Church between 6pm and 6.45pm, just before the Christmas Lights are switched on. Do come along and hear us!

If you play an instrument and would like to join us, please phone 01562 886625 or 07564 276 404. We will be rehearsing in St Saviour's Church from 5.30-7pm each Thursday in November (3rd, 10th and 17th) before the event. On the day itself we will rehearse in Hagley Free Church Hall from 5pm.

Looking forward to seeing you at "Christmas in Hagley 2016"!

Hagley Tuesday Group

Formerly Hagley wives and Women's Fellowship

<https://hagleytuesdaygroup.wordpress.com>

On November 8th Dr Kate Round will be joining us to talk about "The History of Glass in Stourbridge". This will be a talk of particular local interest. Then on November 22nd we will hear about "The Joy of Bellingring" and we hope that our speaker Richard Scarth, Bell Captain at St John's, will bring some hand-bells for us to try. There has been a recent surge of interest in hand-bell ringing in the parish and the team now play at concerts.

Looking forward to December 13th when we shall have our customary Christmas Carol Service. An evening of Carols and Readings in St Saviour's church, followed by a Bring and Share Supper in the hall. This is always a popular event and a lovely start to the Christmas season so we do hope you will join us at 8pm.

All our meetings begin promptly at 8pm in St Saviour's Hall and we do hope you will come along and enjoy an evening of entertainment with us. Visitors are always welcome. For further information see our website or ring me when I will do my best to help. - **Toni Allison 01562 884079**

HAGLEY W.I.

The autumn session for Hagley WI began with an interesting and amusing talk by George Hook on Pearl Buttons. The title covered a wide variety of goods made from mother-of-pearl, abalone etc., with samples of the raw material in the form of shells for everyone to handle. George, as he said, is the "Chief Executive!" in his business of which he is the only member!!

The business was begun by his great-grandfather primarily to manufacture mother-of-pearl buttons but as that trade gave way to plastic the company branched out into making jewellery, spoons, mother-of-pearl handles etc. After the talk members were able to purchase items from the array of pendants, earrings and bracelets which were on display.

George was last at Hagley WI some 12 years ago but both new and old members found him very entertaining and informative and had been delighted to welcome him for a return visit.

Together with lunches, County Events and a Group Meeting to hear a very amusing speaker there are interesting speakers to enjoy at the regular monthly meetings. Subjects include Italian bread making, travel from Alaska to Argentina and the delights of "Magic Russ" at the 95th Birthday meeting in December.

Hagley WI meets at Hagley Community Centre 2pm on the 2nd Monday in each month - we are always delighted to welcome visitors and prospective members. Please come to a meeting or, on 01562 885215, contact the undersigned for further information. - **Megan Bury**

HAGLEY EVENING FELLOWSHIP

During the winter months (October to March) we meet in the Free Church hall every fortnight at 8 pm and listen to a variety of speakers.

The subjects cover a wide range of interesting subjects and there is something for everyone! In the past we have had slide shows from wild life photographers, a historical architect speaking about work on local sites (Witley Court and The Birmingham Back to Backs), we have laughed at Black Country comedians and enjoyed the work of a graphic artist plus much more.

These evenings are open to everyone in the village so why not come along and join us for a stimulating talk followed by tea, coffee and biscuits. You will be sure of a warm welcome. - **Liz Tew**

St. John's Hand & Tower Bellringers

We make what has been quoted "the nation's greatest wonder": the melodious sound of church bells. Much is made of the bells, the towers, the architecture and the expertise needed to ring. The most important facet though, is the ringers themselves. No bell-ringers, then one of our nation's greatest wonders gone!

We are at a cross-roads, as who & what bell ringers are. Fading away (regrettably) are the dedicated experts of the craft who have grown up with their families teaching them as part of the church fabric. Latterly you had to be invited to join the ringers. Only the best & keenest stuck to the course of the stern master ringers' rants about a misplaced striking of your bell.

Today the approach is different. The goal is still to get good striking, but we have to draw and keep new participants differently to 100 years ago.

This is what Robert one of our young teenager ringers has to say about why he enjoys ringing.

"Bell ringing is completely different from anything else I do. We have a lot of fun in in the tower and everyone in the band is really nice. It's very relaxed and there is no pressure to do every practice which makes it easy to fit around other activities".

Why not consider having a go? Wednesday evenings at St. John's from 7:30 pm

CLUB REPORTS

HAGLEY ROTARY CLUB

Hi, my name is Julie Stepney and I have taken over from Hassan Paraiso as the contributor on behalf of Hagley Rotary Club and we send our thanks to Hassan for the contributions he has made.

So much has happened since our last report, but it is with great sadness that we announce the loss of our fellow Rotarian and good friend, Barry Nicholls who gave so much to Hagley Rotary club and the community over many years. Our thoughts go to his wife Carol and her family at this very sad time.

Local historian, Ray Griffiths visited as a speaker and recounted his experiences of the last major battle of the Second World War in Germany at the Teutoburger Wald, 28th March to April 8th 1945 where he lost his friend and fellow soldier, Cedric Holdnall. Ray tirelessly searched for Cedric's burial place and thanks to a chance meeting and the internet achieved his goal. Cedric is remembered on the war memorial in Mary Stevens Park, Stourbridge and on the memorial window in Christ Church, Lye with the other local men who lost their lives.

In August, Ann and Hassan Paraiso and their family generously hosted a fantastic BBQ in honour of Ann Becke and the children of Chernobyl. It was great seeing the kids. Ann's charity raises money to bring them over for 4 weeks of recuperation. The children's lives will be forever affected by the aftermath of the Chernobyl nuclear disaster in 1986 and the time spent in the UK really helps their health. Hagley Rotary Club is proud to support this initiative.

Our thanks to both Jo Glaze, who raised monies when she ran at The Black Country Run and my daughter Natasha Stepney who did a sponsored parachute jump.

Thanks to everyone who supported our cabaret night on Friday 21st October 2016 at the Hagley Community Centre. The entertainment from BMOS Musical Theatre Company and their music, songs and comedy had us all laughing and singing along.

Julie Stepney

At our meeting on 11th November visiting artist Tom Shepherd will be demonstrating in acrylics "Animals and Birds".

Looking ahead to December, this will be our Christmas Social Evening. More details next month.

Reminder: Our small exhibition in the tea Rooms at Harvington Hall is on until 18th December so there is still time to visit.

Visitors are always welcome and our meetings take place on the second Friday each month in St Saviour's Church Hall at 7.30 pm. - **Anne Garth**

SCHOOL REPORTS

HAGLEY RC HIGH SCHOOL

The first half of the Autumn Term flew by, without our feet barely touching the ground. Pupils are well settled into their lessons and new staff into their roles within our community.

October began with our annual Family Mass. This was an opportunity for families who are new to the community to come into school, for an informal occasion, to celebrate Mass together before meeting the parents of their child's new friends. Mass was followed by light refreshments and was a delightful evening. Our Macmillan Cake Sale raised over £250 and saw many people flock to the Sixth Form building to enjoy a slice of homemade cake on a cold break time morning. The Sixth Form community here at Hagley regularly decide and lead their own fundraising initiatives, and they are proud to support Macmillan with their fundraising.

After the girls' success last year, reaching the finals, our boys' tennis team are currently competing in the Aegon Tennis Championships. They have qualified through the first round of knock-out stages and are due to compete against Repton School in Derbyshire. Fingers crossed for their success!

Residents from Halas House in Halesowen joined us once again in October for an evening of playing the Drums. Our guests, who all have learning disabilities, enjoyed a fantastic night of drum banging and being treated like VIPs by our pupils.

Y11 pupils undertook their statutory Work Experience just before the holiday. Placements ranged far and wide, including: accountancy, law, child care, dental laboratories, educational establishments, corporate finance & the Army; to name but a few. Pupils were exhausted at the end of the week and were glad there was only one week of lessons to go until half-term (welcome to the 'real' world, guys!)

HAYBRIDGE HIGH SCHOOL

In September we were pleased to welcome our first larger cohort of students into Year 7. 190 students joined us this year. They have settled in very well indeed and already getting involved in the life of the school. Many of them recently acted as very confident tour guides in the Open Evening.

Inspired by her visit to Japan in the summer, Mrs Hoddinott challenged the students to come up with one word to represent the ethos of the school for 2016/17 which could be represented by a Japanese kanji. The decision was made by a democratic vote, and we were delighted that students chose the word 'respect' for our school kanji which will be displayed around the school throughout the year to remind us all of this important quality.

Finally, I would like to share with you an email we received from St Basil's, a charity working for homeless youth:

"I just wanted to drop you an email to thank you for educating a lovely young girl called Bethan Standing. Bethan and some of her friends from Haybridge recently organised a sleep out for us. Bethan and her friends slept out to raise money so the young people we support can sleep safe and raised £70 which was fantastic. I just wanted to let you know that we are truly thankful for what they did and are touched by the kindness shown by the students at Haybridge. You really are educating some wonderful young people there."

What a lovely email to receive.
