VILLAGE INFORMATION

Happy New Year to all our customers – we wish you a healthy and active 2020.

New Year is a time for new resolutions but how often do we falter at the first hurdle? Actually it doesn't take too long for something to become a good habit, we just need to stick at it for a few weeks for it to become a change in our behaviour. The same applies to exercise and with the over indulgences of the festive season and sitting watching far too many repeats on TV why not take those bones for some exercise?? We aim to make our classes enjoyable and beneficial so that you want to come back for more each week. Before long you start to feel the benefits as well as enjoy the company – so don't delay contact us today to discuss a class to suit you.

We are at the community centre with strength and balance classes on Tuesday and Thursday afternoons with classes at two levels. There are classes for the more active or recently retired person and also classes for those that need a less challenging option. We also have a Tai Chi for Health class later on Tuesday afternoons if you feel like trying this modernised version of the traditional form.

You have nothing to lose and everything to gain as a taster session is FREE but please pre-book. We look forward to hearing from you. Tel 07512 546480.

Classes resume after the festive break on Tuesday 7th January and Thursday 9th January.

HAGLEY ART CLUB

ART CLUB

French Mussel Pickers by Graham Madders

At our Meeting on Friday, 10th January, Colin Ross Jack, visiting Artist, is coming to demonstrate 'Japanese Style' painting.

Do hope you enjoyed our Annual Art Exhibition in November. I am pleased to report this was a very successful event, our sales were well up on last year, and the rearrangement of the Hall seemed to please everyone. Having the tables in the main Hall meant we could enjoy the lovely refreshments while still being able to see the pictures.

I can now give the results of the voting for the Best Liked Pictures:

- 1st. No 85 "French Mussel Pickers" Graham Madders
- 2nd. No 108 "Who Loves Ya Baby" Lesley Moore
- 3rd. No 77 "The Pinnacles of Teallach" Graham Lockett

Congratulations to these Artists. They will receive their Awards at the AGM in March and Graham Madders will receive The Alan Pritchard Trophy to keep for the year.

Looking ahead to our Meeting in February, Graham Wilson, visiting Artist, will be demonstrating 'Line and Wash'.

Happy New Year to all

HAGLEY U3A

U3A (University of the Third Age) is a National Organisation with local groups of retired or semi-retired people who meet to continue educational, social and creative interests in a friendly and informal environment.

Hagley U3A meets in the afternoon of the 1st Wednesday of the month (except August) at St Saviour's church hall. Doors open about 1.15 and the meeting starts at 1.45. We usually have a speaker for an hour and then time for tea and a chat. There will be no meeting at all on 1st January as it is a Bank Holiday.

There are also around 30 special interest groups. The groups are of varying number and meet at different venues including the Free Church hall and group leaders' own homes. Please see our website for a full list.

Do think about joining us – for more details contact our Membership Secretary Ian Powick : email ian.powick@gmail.com, phone 01562 883822. Alternatively come to one of our monthly meetings or check the website www.u3a.org.uk/hagley.

Carolyn Buckle

Hagley Historical and Field Society

Our next meeting at St Saviour's Church Hall is on Tuesday 7th January we welcome Mary Bodfish who will be presenting 'Easy as ABC'.

Every time we pick up a pen, or put a finger to keyboard, we link back to the priest-kings of ancient Mesopotamia. A journey of over 5,000 years via Babylon, Egypt, Phoenicia, Greece and Rome shows how our writing system reached this country and how we have been using it since.

Mary spent her working life in bookselling and then in university administration, but days off frequently found her rummaging happily in record offices and libraries. The world of the past has fascinated Mary from her earliest memories; and exploring it continues to absorb her in retirement. Mary is now the chairman of the Smethwick History Society and teaches history research and palaeography for the University of Birmingham's School of Continuing Studies.

On Tuesday 4th February we once again welcome Terry Daniels presenting 'Made in Oldbury: Industrial History Based on Ten Objects – Part One'.

We enjoyed Part One last year, and it is interesting to speculate on which objects he will choose this time with such a wide variety of trades and manufacturers to choose from.

Terry has spent all his working life in the plastics industry in Oldbury. He is chair of Langley Local History Society and Oldbury Local History Group. Writing and lecturing on the history of the area, he has also produced a number of books.

Visitors are most welcome at all our events. See hhfs.org.uk for details and contacts.

We would like to say a massive well done to everyone involved in the bonfire on 9th November. We raised £11,000 profit – pretty impressive considering the two weeks of solid rain beforehand, the ankle deep mud and then the torrential sleet and freezing temperatures on the night. You've only got to Google 'cancelled bonfire 2019' to see how many other events failed to happen.

We had over 2000 guests through the gates and so long as they wrapped up warm and came in welly boots they all had a great time and were well fed and watered by our stalls!

We are getting settled into our new Hut which is open for the general public to hire when not in use by Scouting/Guiding.

Hagley Parish Council Update

My New Year wishes go to you all on behalf of everyone at HPC. Not only a new year but a sparkling new decade! I'm sure you'll share in my hopes that we'll see some return to normality in these confusing uncertain times. News headlines are far too often filled with bad news, suffering and disasters so I'm going to start this year off with positive news from Hagley.

It's been no secret that it's been a difficult year as regards the changing room re-build and the playing fields. The latest position is that six separate bids have been submitted to grant providers requesting help to meet the project shortfall. I hope for support from these bids to recommence the project. The playing field is not to our satisfaction and so we're not allowing STW to leave until it is.

Positive news in 2019 is that the Scout Hut re-build has been completed. It's a fantastic legacy for Hagley, to the leaders and those involved. The dial-a-ride remains well used and an essential part of enabling people to continue to get out and about.

We move forward with the playing field and changing room and there are early plans to support the Royal British Legion with a 'party in the park' celebration of 75 Years of VE day. All in all it's not a bad place to live and it all starts again soon but until then I wish everyone a very Happy and prosperous 2020.

Councillor Steve Colella Chairman Hagley Parish Council

Hagley Neighbourhood Watch

As you read this we're in the deep mid-winter when days are short and dark nights are long. By taking a few simple steps it can be a crime free winter. If in doubt and you're not expecting a call don't answer the door until you're sure. Make sure your property is well lit and doors and windows locked. Check on neighbours, they don't have to be elderly to appreciate the occasional call to check if all is well and always be suspicious of phone calls or visits from people you don't know. No genuine caller will complain if you just put the phone down or don't answer the door.

Car crime is still a problem and we still suffer spates of car theft or car break-ins. Keep valuables out of sight and always lock your vehicles.

It's always been the plan to have greater and more frequent engagement with the Policing Team in Hagley. There are plans to have the Policing Teams come and visit you, in your street. To this end the team will be bringing the neighbourhood Police vehicle to Hagley and park in places where it makes it easy for you to either pop out or to invite them in for a chat. Watch out for more details when known.

Happy New crime free decade.

Joint co-ordinators Steve Colella and Roger Seabury.

BROMSGROVE DISTRICT COUNCIL UPDATE

We begin by wishing you a very Happy and prosperous 2020 and hope that you've had a very happy Christmas with plenty of cheer.

Despite the optimism that a new year brings we have been very conscious of the continued traffic and congestion problems on many of the roads in Hagley. We have continued to press WCC Highways very hard on these issues and to make the authority aware of the impacts that the traffic causes. So much so that a motion was tabled at the November Full Council meeting which called for BDC to take urgent action to tackle rising congestion and poor air quality. This is now with the relevant Portfolio Holder who has made a commitment to take this up with Worcestershire Regulation Services.

Our sincere thanks go to BDC's Place team for carrying out a number of path sweeps across Hagley, removing wet and slippery leaves from the pavements as well as removing fly-tipping on Brake Lane and carrying out litter picks and further sweeps in Hagley. The guys in this team have been marvellous and deserve an enormous amount of thanks.

I'd also like to thank BDC's 'Centres Manger' for her fantastic support in organising the recent Christmas in Hagley event. We are both very happy that Hagley has had this support and the efforts of these officers has really helped to keep Hagley tidy and to bring a lot of enjoyment at Christmas.

Councillor Steve Colella (Hagley West) and Councillor Rachel Jenkins (Hagley East).

Guiding Hagley

We celebrated the festive season with lots of fun activities, parties and visits. Here are the highlights....

2nd Hagley Rainbows made glass tree decorations with a visit from the Red House Cone team and made extra long paper chain decorations. 1st Hagley Brownies decorated baubles at Coffee and Clay. 3rd Hagley Brownies made wooden 'Santa Stop Here' signs using tools and paint. 2nd Hagley Brownies also made glass decorations with the Red House Cone and went to see Frozen 2.

1st Hagley Guides made a variety of decorations and will be having a January Christmas party. 2nd Hagley Guides had a fun pyjama disco. Blakedown Brownies and Guides made decorations and held a collection for the Kidderminster Food Bank.

1st Hagley Rangers took the train to Worcester Cathedral to see the annual Christmas Tree Festival. Five girls from Rangers have been selected for international projects in the summer of 2020. They spent the festive season taking part in craft markets, accompanying Santa on his sleigh and even offering their services as present wrappers to raise money for their trips. Thank you to all who have supported them so far.

I would like to take this opportunity to thank Fiona Drewett for the years of hard work she has given to the role of District Commissioner. We all hope that she enjoys a rest from this role whilst remaining an important part of the District Team running both a Rainbow and Brownie unit.

VILLAGE INFORMATION

Hagley Country Dancers

Following our Christmas break, we restart on January 6th at 2 p.m. as usual and on Monday afternoons until Easter.

If you have thought that you should try something different in the New Year, or that you should try to meet more people and get some gentle exercise, Hagley Country Dancers could be just the thing for you. We are a very friendly club and all newcomers are given every help if they have never tried the delights of English Country Dancing. None of our dances are terribly strenuous and none are over complicated, and each of our callers tries to present an interesting programme. Why not try a new activity for the New Year?

There is plenty of parking via Chapel Street.

There is no charge for a first visit, subsequently the cost is £2 per person.

For more information, ring June Waterhouse, 01562 700639

HAGLEY W.I.

We start 2020 with a New Year Social Time on Monday 13 January. We will also discuss the resolutions for the National AGM, including ending modern slavery, female crash test dummies and protecting precious (and non-renewable) Helium.

The following month on Monday 10 February we have a talk about the Rose Theatre, Kidderminster before seeing a performance there.

At the County Annual Meeting there were speakers about the pollution of the oceans and being a contestant on the great British Sewing Bee; and there was an Art, Craft and Cookery Competition: Saving the Planet with thought-provoking entries relating to re-cycling, pollution and destruction of the environment.

We enjoyed a fascinating talk on the History of Christmas by Philip Bowen and learned many new and interesting facts. As I write this in November we also plan a Christmas Lunch at Barnt Green and a Party in December. There is a Carol Service with other local WIs and we look forward to Blakedown WI's Panto – always great fun! And for the local Women's Refuge we are collecting what they need for Christmas.

We meet on the second Monday of the month at 2.00 pm in the Community Centre. Come and meet new people, make new friends, hear interesting talks, learn new skills. We are a friendly group and visitors are always welcome. We look forward to seeing you!

Local Independent Optician supporting Hagley Primary School Library

When Hagley Primary school approached local businesses about funding for their new reference library project, Robinson and Sproson Opticians were delighted to get involved with financial support. “As the local optician in the village we are keen to support local causes and this is a wonderful project at the Primary School,” said Ian Robinson. Mr Nic Sproson and Ian Robinson visited the school on Wednesday 13th November, to make a presentation of their donation of £200.00 to Assistant Head Teacher Lise Hyland. The funds will go towards resources for the Health and Well Being reference section of the library. Mr Sproson said, “As Hagley’s local independent optician we are delighted to encourage reading amongst children. It will benefit children in creating a wonderful learning zone and the school can take great pride in this initiative. We sincerely hope that the school is able to meet their target and would encourage other local businesses to support Hagley Primary School’s exciting and creative place to learn”.

Hagley Hub by Phase Trust

We meet on Mondays at Hagley Community Centre from 7-8:30pm and it's for high school children during term time. We have a tuck shop, Xbox and usually a set activity each week like inflatables, craft, outdoor sports etc.

It costs £1 entry and a little money for the tuckshop.

Hagley String Orchestra

We began our Spring Term 2020 on Tuesday 7th January. Over the next 12 weeks we'll be playing very different styles of music from 1700 to the present day, some pieces straightforward and some more adventurous, so that everyone can enjoy the challenges.

We are a mixed ability group ranging from Grades 5/6 to music teachers and most of us are retired from our career jobs. We love playing together and experiencing new repertoire without the stresses of giving public performances. Only a few of us live in Hagley, the others from as far afield as Birmingham, Solihull, Droitwich, Worcester, Stourbridge, Bewdley and even Telford.

We rehearse on Tuesday mornings 10.00 a.m. to 12.00 noon in the admirable hall of Hagley Free Church. Currently we have 14 violinists, five viola players, five cellists and two bassists, and would love to increase as a bigger ensemble enables a wider repertoire.

If you know of string orchestral players beyond Hagley Village, do tell them about us and encourage them to join. For information, contact Haydn Thomas 01562 885 252; sanhay50@gmail.com

VILLAGE INFORMATION

Hagley Gardeners' Club

We learnt a lot about mistletoe from Dr Michael Jones at our November meeting, for instance its special diversity and curious lifestyle, its importance in druidic ritual and its role in alternative medicine. It was a fascinating subject in the lead-up to Christmas, and an excellent talk.

The first meeting in 2020 will be on 22nd January when the speaker will be retired engineer Glynne Bowsher and his subject A lifetime of photography. Glynne was given his first camera, a Box Brownie, when he was 12 and that triggered a lifetime interest in photography. He currently uses a hi-spec digital camera and sophisticated computer techniques to edit and print his photographs.

The AGM will give an overview of the Club - its membership, activities, financial position, etc. A new Chair will have to be elected as Sue Stevens is leaving the district some time next summer. Her successor will preside at the annual social evening to be held at St Saviour's Hall on Wednesday 25th March. Tickets costing £19.50 per head will be on sale from Judy Iliff at the January and February meetings. More about that in the next issue.

Local care company Home Instead is rated “Outstanding”

Local company Home Instead Senior Care (Stourbridge, Hagley and Halesowen) have shown following a recent inspection from the Care Quality Commission (CQC) that they are setting a new benchmark for high quality care. With a rating scale similar to schools, Home Instead have been rated overall “Outstanding” which has been given to only 3% of home care providers nationally.

Established in 2012 with an office in Hagley, Home Instead say they offer a different sort of service which is tailored to each individual person rather than the usual focus on fast visits and high volumes. Whilst Home Instead can offer personal care and specialises in dementia care, many clients just want some help around the house and with the same CAREGivers visiting each week, they seem more like part of the family who can visit simply for good company, to reignite old hobbies or to get out and about in the local area.

The inspection report explains “People received outstanding care. Without exception, people were extremely complimentary about the caring attitude of all the caregivers who supported them.” One person said, “The carers are all very good and I cannot fault any of them. All wonderful to be honest, so caring and kind.” Another person said, “I can’t speak highly enough about any of them. They will do anything for me and are so nice and caring in the way they do things.”

St. John's Bellringing

We slip into another year having bid the old one goodbye – where did 2019 go?!! New year's resolutions are now upon us and people often look to reassess their lives. Might you be looking for something different? Yoga or tai chi? Baking? Running, or joining a garden club? Ever thought of bell ringing? There are many reasons why we've chosen to ring. It's a chance to learn a new skill. It's a link with past traditions, treading in the footsteps of all those who have worn down the stone steps up to the ringing chamber (40-odd stairs, so a calorie-burning bonus!). It's a chance to meet people from all walks of life, some school-age, some working, some retired. I personally started ringing partly to escape the children's maths homework and partly to dust off the little grey cells with a new venture of my own.

Whatever your reason, come and have a go! Wednesday evening is practice night, 7.30 up at St. Johns by Hagley Hall. You can always bow out gracefully if it's not for you, but you may find that it gets under your skin.....! Happy New Year, and all the best for 2020.

**LIFECENTRAL
CHURCH
HAGLEY**
A place to discover life

*New Year Greetings from
Lifecentral Church*

“This Is My Year... I Promise!”

As we're in January 2020, are you a dreamer or a realist when you think about the New Year?

Dreamers say, "This is my year!"
Realists say, "You said that last year!"

Dreamers say, "Wow!"
Realists say "How?"

Instead of thinking of the New Year in terms of dreams or pessimism, how about thinking about it in terms of possibility? Possibility fuels the potential for a better future.

To the Realists: Possibility helps you avoid becoming a pessimist.

To the Dreamers: Possibility helps you avoid never taking action.

If you don't think it's possible, you're correct. If you do think it's possible, you're correct.

What do you think is possible for you in the New Year? Instead of the normal 'external goals' we set, how about thinking about the inner qualities we show: **Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.**

At Lifecentral, we aim to bring a little of that love, joy and kindness into everything we do, so are delighted to continue the following activities throughout the year:

Little Treasures - (Stay and Play for children under 5)

Community Centre, Hagley. Thursday mornings 10.00am – 11.30am | Term time only.

Crews - Youth club for years 7-13

Wednesday evenings 7.30pm – 9pm | Haybridge School | Term time only.

Sunday Church Service at Haybridge School

4.00pm – 5.15pm Every Sunday | Please contact Jo Gregory on 0121 502 3542 for more details.

VILLAGE INFORMATION

Broome Fairfield church Broome

The civil parish of Broome is a small rural parish in the north-east of the county, an area a little under two square miles, and with a population of under 300. It comprises two old settlements, the village of Broome and the hamlet of Yieldingtree. The ecclesiastical parish is much larger, with over twice the population, and extends right into the village of West Hagley to the north.

The village itself lies hidden from the major roads and is as pretty a village as one could wish, with snowdrops and daffodils along the verges in spring, a pond with waterfowl, many fine trees, and well-kept gardens with flowering shrubs. The school, which closed in 1933, was converted into a village hall.

The little red-brick church, dedicated to St Peter, was built in 1780. In its beautifully cared for interior is the original font, and on the walls some interesting memorials, including an early 19th century memorial tablet carved by John Flaxman. It has a beautiful open churchyard.

Revd Canon Susan Oliver is our parish priest. Telephone: 01562 701076

Church Warden: Michael Clarke. Telephone: 01384 373015

We wish everyone a warm welcome to Broome.
