### Hagley Library Healthy Walking Group

Our walks have been cancelled until further notice, but we hope our walkers are still managing to get outside for some fresh air and exercise and to enjoy the sights and sounds of nature (always obeying the Government exercise and social distancing rules, of course). We shall look forward to welcoming walkers, old and new, as soon as we are permitted to resume our walks.

### Evening Fellowship Outing

The outing to Stratford on Wednesday 24th June is cancelled.

We are hoping that we will be able to start up again in October but will keep you posted. Best wishes to everyone. Stay safe! Liz

## VILLAGE INFORMATION

# Village Ladies

Hello ladies I am hoping you are all well and coping in these very strange and difficult times.

This group, who were formerly known as Young Wives, has proved its worth during the coronavirus, we are all supporting each other as much as is possible with emails and telephone calls and knowing when you are down there is always someone you can ring either in your group or any member just for a friendly chat.

At the start of this lockdown I decided we had to be able to keep in touch not knowing when we would be able to meet again and so I started the Village Ladies Newsletter to coincide with the dates when we would have met together. Initially it was just me putting stuff together but now I am delighted to say that members are contributing articles of interest, jokes, poems and family news and many members have been telling me how they look forward to reading each edition and are now submitting their own news.

We are now on the 4th edition of the newsletter which contained items about V.E Day and some members sent in their memories of the war and the actual VE Day (although many were still children at the time). We had been due to have a party at that meeting on the 12th May but obviously couldn't so this was the next best thing. We also have items on how our children and grandchildren are coping with the situation living and working abroad.

A few of us have been making scrub bags for the Q.E. Hospital in Birmingham which have been gratefully received. A simple task making out of old pillow cases and cutting up sheets and duvet covers. Just something that we "oldies" can contribute in a safe way.

Like many other societies we do not know when we can meet again (hopefully September) but in the meantime we shall continue to "meet" on-line and by phone and everyone knows there is always someone who will listen. I love this group of ladies and am so thankful that we are still strong and WE WILL MEET AGAIN, this virus will not stop the group continuing for another 60 odd years!!!

Stay safe everyone – love Sue

## VILLAGE INFORMATION

### Hagley Gardeners' Club

The early weeks of the coronavirus lockdown were made more bearable for gardeners by a long run of sunny weather. We rely so much on our gardens for refreshment of the eyes and the spirit, for fruit and vegetables too when commercial supplies are elusive.

Gardens take us into the fresh air, connect us with nature, and distract us from the dangers and difficulties of the situation.

Local plant nurseries and garden centres are helping to take the sting out of the lockdown by adapting their trading methods to new rules. Most are now open with visiting restrictions and some enable customers to order and pay for what they want (including plants in a few cases) over the phone, with the goods being collected or delivered. It's a patchy picture, one that calls for resourcefulness.

The lockdown seems set to mutate into a rather less restrictive regime - but few of us will be able to look back on the Spring of 2020 without a shudder.

Chris Morrissey

### Hagley String Orchestra

With all music ensembles coping with this potential fatal Covid-19 virus, we had to cancel our last three Spring Term rehearsals, and our current Summer Term now doesn't exist. Our planned future repertoire is an enticing mixed-bag of goodies, and I very much hope that by September 'We Will Meet Again'.

My life has been enriched by HSO since I was invited to direct the orchestra seven years ago, and I value the reasons why belonging to HSO means so much to us all. Firstly, it must be the social gathering of such friendly people. Meeting on Tuesday mornings, most of us have retired from full-time employment (thus our age-bracket makes us 'high risk' to this ghastly virus) and each of us has a wealth of life and musical experience to share. We are a mixed-ability group and are happy and understanding with this – we 'Gel'!

Secondly, I believe we miss HSO because we meet simply to enjoy playing together and learning new music, without the strains and stresses of giving public performances. We've all done that in the past, but here we can relax and just have fun. Of course we work hard in rehearsing to get as much pleasure in achieving the meaning of the composer's music as possible, resulting in group satisfaction.

More players please. Our Hagley contact is Haydn Thomas 01562 885 252; sanhay50@gmail.com

We so want our future to begin!  
**Jeremy Patterson, Conductor**

### HAGLEY U3A

U3A (University of the Third Age) is a National Organisation with local groups of retired or semi-retired people who meet to continue educational, social and creative interests in a friendly and informal environment.

Hagley U3A meets in the afternoon of the 1st Wednesday of the month (except August) at St Saviour's church hall. Doors open about 1.15 and the meeting starts at 1.45. We usually have a speaker for an hour and then time for tea and a chat.

There are also around 30 special interest groups. The groups are of varying number and meet at different venues including the Free Church hall and group leaders' own homes. Please see our website for a full list [www.u3a.org.uk/hagley](http://www.u3a.org.uk/hagley).

Although we're unable to meet at the moment, do think about joining us – for more details contact our Membership Secretary Ian Powick : email [ian.powick@gmail.com](mailto:ian.powick@gmail.com), phone 01562 883822.

Personally, I have been delighted to find new friends and interests in retirement.

## Hagley Parish Council Update

At the time of writing government Covid plans are being to be relaxed with a few tentative steps being taken during June. What effect these small but welcome steps have on stopping the spread of the virus and getting society moving again will only be seen over time. Whilst some of the Parish Council's activities have been constrained we have been able to hold at least two virtual on-line meetings using 'zoom' as a means of holding public meetings.

My sincere thanks go to our clerks, Alex and Louise and to fellow councillors for continuing to work under very difficult circumstances. I'd also like to take this opportunity on behalf of everyone at HPC to thank all the front line workers, volunteers and support services for their extraordinary commitment in these difficult times and of course the people and businesses of Hagley for following government guidance during the epidemic and supporting neighbours friends and relatives.

I am pleased to report that we have been offered a further £150,000 from the Football Foundation towards the completion of the Pavilion. We have been going through due diligence, contract reviews and working on a medium term financial plan which is necessary before the grant can be agreed.

We are expecting a formal report from Severn Trent Water on how it intends to bring the playing field back into full use. We have been very patient with the utility but this patience has run out and a formal complaint has been lodged with the STW CEO.

**Cllr Steve Colella Chairman Hagley Parish Council**

## HAGLEY W.I.

Hagley Community Centre

Still in lockdown and, like everyone else, we have no idea when we'll be meeting again. We are so looking forward to actually seeing each other – keeping social distancing of course. Meanwhile we keep in touch by Newsletters from the county and our WI either by email or post, as well as phone calls +++ and zoom.

We have been busy making pairs of knitted pink or red hearts - one to be given to the Covid-19 patient and the other to the family while visiting isn't possible and Trauma Teddies for the police to give to children who have witnessed physical or domestic abuse. And there are many super-tidy gardens full of embryonic veg as well as bees of all sorts and the birds singing away.

If you are wondering what to do after lockdown is lifted, how about giving the WI a try? You can look us up on Facebook.

Meanwhile, there is something you can do – this is urgent so please read and pass on. **DO NOT WASH YOUR HAIR WITH SHAMPOO IN THE SHOWER.** Many people use shampoo in the shower but when doing so the shampoo runs down the body. It is printed clearly on the shampoo label: **FOR EXTRA BODY AND VOLUME.** It is no wonder people gain weight. Stop using shampoo – **START USING DISHWASHING LIQUID!** Its label reads: **DISSOLVES FAT THAT IS OTHERWISE DIFFICULT TO REMOVE!** Problem solved for all the cakes we have made - and had to eat - in lockdown.

We are really looking forward to when we can again meet face to face and making that something very special to celebrate.

Meanwhile, we hope everyone is keeping well and safe.

5 Shelduck Grove, Kidderminster, Worcestershire DY10 4EF  
☎ 01562 827 225 E-Mail [qshare.qe@gmail.com](mailto:qshare.qe@gmail.com)

During our March 2020 meetings, it became apparent that our Monday Meetings could no longer continue during the Covid 19 lockdown, and we agreed to suspend our weekly meetings whilst continuing to contribute to the needs and aspirations of the local community during these troubled times.

Rotarian Janet Wicks found her vocation when she involved herself in the "worcestershireforthe loveofscrubs" a national project with each County organizing itself.

The Worcester Hub was set up and our member Janet was involved in getting Kidderminster involved. The need for Personal Protective Equipment was in short supply and the NHS were struggling to find supplies. The group in Kidderminster was formed when a number of sewing folk and small businesses decided to get together and help to fill the need.

Funding was an immediate problem and Janet asked if Hagley Rotary Club would buy a roll of material (cost around £70) which the Club agreed but went further and with assistance of members and friends the club has currently donated £1075. Our district has contributed another £250.00 towards the cause.

The group has grown and as of the 27 th April the group has made 398 scrubs, 8108 laundry bags, 4087 headbands and 904 scrub hats,

The Rotary Club of Hagley continues to support good causes through its members, group and district with simulated screen conference and social media.

We look forward to returning to the the Lyttleton Arms eventually so if readers would like to have fun with a purpose, consider joining our club who will be meeting at 7.00 pm for 7.30 pm on Monday evenings by visiting our website at

## Local care company Home Instead is rated “Outstanding”

Local company Home Instead Senior Care (Stourbridge, Hagley and Halesowen) have shown following a recent inspection from the Care Quality Commission (CQC) that they are setting a new benchmark for high quality care. With a rating scale similar to schools, Home Instead have been rated overall “Outstanding” which has been given to only 3% of home care providers nationally.

Established in 2012 with an office in Hagley, Home Instead say they offer a different sort of service which is tailored to each individual person rather than the usual focus on fast visits and high volumes. Whilst Home Instead can offer personal care and specialises in dementia care, many clients just want some help around the house and with the same CAREGivers visiting each week, they seem more like part of the family who can visit simply for good company, to reignite old hobbies or to get out and about in the local area.

The inspection report explains “People received outstanding care. Without exception, people were extremely complimentary about the caring attitude of all the caregivers who supported them.” One person said, “The carers are all very good and I cannot fault any of them. All wonderful to be honest, so caring and kind.” Another person said, “I can’t speak highly enough about any of them. They will do anything for me and are so nice and caring in the way they do things.”

For more about Home Instead Senior Care, visit [www.homeinstead.co.uk/stourbridge](http://www.homeinstead.co.uk/stourbridge) or phone 01562 885589.

## SUNDAY SERVICES JUNE 2020

"At the time of writing this everything is turned upside down as far as forward planning is concerned. It appears likely that all services and mid-week activities are not going to resume for some time. May we not be selfish but offer to help our neighbours as much as we can, particularly those who are self-isolating. Let us pray for those at the sharp end, particularly doctors, nurses, paramedics together with all the support staff and volunteers.

Services will resume as soon as allowed - check our website and notices on the front of the church. Hopefully it won't be too long before we can resume our life together.

We have a prayer group who pray separately yet together on Fridays 3pm - 3.30pm. Why not join them.

### June 2020

At the time of writing, in the light of Government guidance the Church of England has suspended all public worship until further notice, and we are no longer able to keep our churches open. However, we can all continue to pray – and to love and care for one another.

While this situation continues, we will produce a service sheet for each Sunday, which we will put on our website. Each Sunday members of the churches in Hagley and Clent will also worship together with one another on **Zoom**, using the service that is on the website. If you would like to join us from your own home, please send your email address to the Parish Office and we will send you an email with a link. Alternatively, we can send you the service sheet directly and/or our weekly church Pewsheets. The national Church of England website has a wide selection of prayers to use at this present time.

Keep us, good Lord,  
under the shadow of your mercy.  
Sustain and support the anxious,  
be with those who care for the sick,  
and lift up all who are brought low;  
that we may find comfort  
knowing that nothing can separate us from your love  
in Christ Jesus our Lord.  
Amen.

*New Year Greetings from  
Lifecentral Church*

## **"This Is My Year... I Promise!"**

As we're in January 2020, are you a dreamer or a realist when you think about the New Year?

**Dreamers** say, "This is my year!"  
**Realists** say, "You said that last year!"

**Dreamers** say, "Wow!"  
**Realists** say "How?"

Instead of thinking of the New Year in terms of dreams or pessimism, how about thinking about it in terms of possibility? Possibility fuels the potential for a better future.

**To the Realists:** Possibility helps you avoid becoming a pessimist.

**To the Dreamers:** Possibility helps you avoid never taking action.

**If you don't think it's possible, you're correct. If you do think it's possible, you're correct.**

What do you think is possible for you in the New Year? Instead of the normal 'external goals' we set, how about thinking about the inner qualities we show: **Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.**

At Lifecentral, we aim to bring a little of that love, joy and kindness into everything we do, so are delighted to continue the following activities throughout the year:

**Little Treasures - (Stay and Play for children under 5)**

Community Centre, Hagley. Thursday mornings 10.00am – 11.30am | Term time only.

**Crews - Youth club for years 7-13**

Wednesday evenings 7.30pm – 9pm | Haybridge School | Term time only.

**Sunday Church Service at Haybridge School**

4.00pm – 5.15pm Every Sunday | Please contact Jo Gregory on 0121 502 3542 for more details.

CHURCH  
HAGLEY

A place to discover life!

## Update of the community response by Lifecentral church during lockdown

We were so concerned about the effects of lockdown for folks in the communities in which the church is based ( Halesowen, Hagley and Rowley Regis ) we quickly set up and mobilised a team of 45 volunteers from Lifecentral church who have been helping folks in the communities ever since.

We have had around 200 requests for help , ranging from going shopping and delivering food , picking up prescriptions and befriending folks and delivering food bank parcels for those who are unable to come and collect them.

We have been able to help people in real need – some who didn't have enough food to feed their families, some who have been caring for others and have not been able to help them because they were self – isolating themselves. We have been able to get vital medicines to folks who are self-isolating or are being shielded because of their own health issues. We have been able to support people who are lonely and need someone to talk to in this really difficult time .

We have been working with Black Country Foodbank and Councillors from both Halesowen and Hagley who have been sign posting people to us and enabling us to help those who have needed extra support during lockdown.

We would also like to take the opportunity to thank everyone that has donated to our Foodbank during this period. There have been a number of local businesses in Halesowen and Hagley that have partnered with us to help feed people in need. We have seen the number of people using Foodbank dramatically increase during lockdown and we are very grateful for the support. We are also very grateful for Hagley Parish council for partnering with us during this time and signposting volunteers from Hagley to be part of our volunteer teams.

As we move into another stage of the country's response to dealing with the corona virus we would like everyone to know that we are still able to respond and have volunteers who are able to continue to help the community in the ways that we have been doing; **food shopping and delivery, delivery of food bank parcels, prescription pick-ups and befriending for those who need a friendly ear to listen.**

Visit the church's website for details. [www.lifecentralchurch.org.uk](http://www.lifecentralchurch.org.uk) and it also has a **Facebook** page.

# Be Alert for Asian hornets!

Asian or yellow-legged hornets (scientific name *Vespa velutina*) were accidentally introduced into France in around 2004. Now they have spread through much of Western Europe. They are serious predators of honey bees, and also attack bumblebees, solitary bees and other insects.

They defend their nests aggressively and will attack anyone who gets too close: **never approach a nest**. Since 2016, there have been sightings of the Asian hornet in the UK, and a few nests have been found.

## Asian hornet *actual size*

Asian hornets are generally smaller (25-30 mm head to tail) than our native hornet, the European hornet (*Vespa crabro*), which is 30-35 mm head to tail (but can seem much bigger!). They are easy to distinguish because Asian hornets are mostly dark brown/black, with yellow 'socks' and an orange-yellow band near the tail. Native hornets look like very large wasps, with brown legs and bright yellow and black/brown markings. Native hornets fly both night and day, while Asian hornets fly only during the day.

**If you see this insect  
PLEASE REPORT IT!**
