Welcome to June

We think we can safely say that we have now entered the glorious season of summer! English summertimes are so special and hopefully after the month of 'No Mow May' our lawns are splendidly overgrown and crammed full of all things bright, beautiful and wild as can be!

As always there has been plenty going in the Village - not least the hugely succesful celebrations for the Kings Coronation 'Party in the Park'. Well done to all who took part and a big thankyou to Hagley Parish Council for organising another fabulous event for all the lovely peeps of Hagley to enjoy.

In this months issue we bring you up to date with exciting news of the extensions, alterations and refurbishment of the Community Centre. Turn to pages 8, 9, 10 and 11 for in depth reporting, plans and images of how it will look. This will most definitely be another fine asset for our community to benefit from immensely.

Whilst remaining on the subject of the Community Centre - Steve Colella, as chairman of the HCA will be bringing us regular updates. Head over to page 18 for his introductory write up on this and also his report on the success of second Village Market.

And a mention for the menfolk of Hagley if we may. It's Father's Day this month and it goes without out saying that we'd like to wish a good one to all those lovely Dads out there. Most certainly those fine gentlemen deserve a refreshing ale or two - and we have some damn fine establishments in the Village that can most certainly and happily cater for that. Get out there - fill those beer gardens and have a cheeky one (or three) with Dad!

Have a lovely month folks. Take care and we'll be back with you in July

HAGLEY HISTORICAL AND FIELD SOCIETY

Local historian and retired master at Bromsgrove School, Philip Bowen will be presenting a talk about a fondly remembered decade 'Britain in the Fifties, The Optimistic Decade' on Tuesday 6th June. The 1950s were a time of unparalleled prosperity for many people. Harold Macmillan famously said, 'most of our people have never had it so good', in July 1957.

The comments of the prime minister quickly came to represent the spirit of the day, encapsulating the optimism of a country. However, like many political quotes it is often misunderstood, Macmillan meant them not as an expression of complacency, but as a warning. 'What is worrying us,' he went on, 'is it too good to be true?' Philip's illustrated talk will rekindle memories for those of a 'certain age' and tell the story of a decade of social and technological change, shopping, teenagers and of course, rock and roll!

On 4th July we once again welcome Dr Gillian White presenting 'Queen Victoria: A Life in Portraits'. Queen Victoria is popularly remembered as an austere, dowdy, and petite widower (she was only 4ft 11in), however,

she succeeded in projecting different and memorable images using paintings and photographs throughout her long life. This lively and entertaining talk will take us on her journey from daughter to empress, by way of wife, mother and dog-owner, with her ever-changing role on Britain's stage carefully captured and controlled for both public and private consumption. We will follow her story in a selection of these portraits – some familiar, some perhaps surprising – and see a winsome toddler develop into a symbol of the nation.

The society's meetings which are held at 8pm in St Saviour's hall on the first Tuesday of each month. Visitors are most welcome at all our events.

EXTENSIONS, ALTERATIONS AND REFURBISHMENT DESIGN AND ACCESS STATEMENT

The Community Centre was built during 1969 and opened in September of that year. It has served the community well for over 50 years and has been continuously well used by a broad spectrum of local users with varying age range from toddlers to seniors. It is an integral part of the village and village life.

The Community Centre was built during 1969 and opened in September of that year. It has served the community well for over 50 years and has been continuously well used by a broad spectrum of local users with varying age range from toddlers to seniors. It is an integral part of the village and village life.

It is situated on the northern edge of the playing fields and recreation area (sometimes called 'The Park') adjacent to the pedestrian way, which passes through the area to connect the village centre with the rail station and secondary schools and is also close to the Library.

Access to the Community Centre is from Worcester Road via the shopper's car park and the dedicated community centre car park. The building is orientated on an east/west axis with main (south) elevation and primary entrance facing the playing field. This connection is useful when major events are held utilising both the playing field and the community centre. There is a secondary single width entrance in the east elevation facing the car

park giving access to it. This restricted entrance is the most commonly used for convenience on a day to day basis. For many residents of the village the Community Centre is within walking distance.

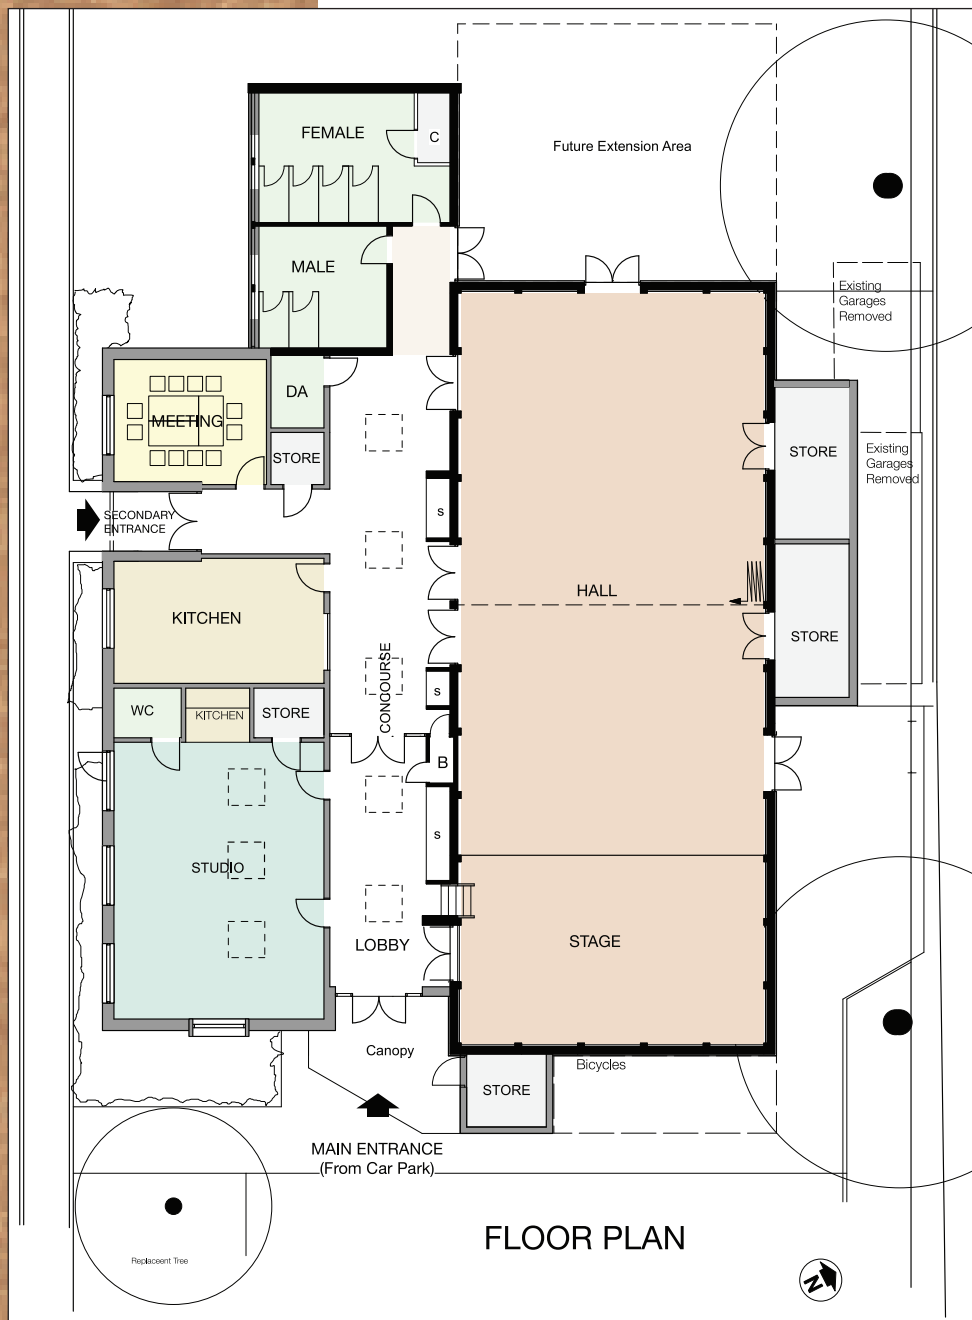

Although the Building has been reasonably well maintained over the years, it is now showing its age and is somewhat 'tired' in appearance with the fabric needing serious updating. Also, the building lacks flexibility in use as it is only really suitable for a single let at any one time.

The Community Association have given lengthy and in depth consideration over the past few years to various options for replacement or rebuild and reached the conclusion that refurbishment and extension was the best option and way forward. A scheme design has been progressed and produced for this and the Community

Association are applying for planning permission to extend and refurbish the centre.

The Community Centre

FLOOR PLAN

The Community Centre

The proposals are -

Retain part of the existing building: the Hall, Stage and Toilets. To renovate, refurbish and update these areas with new pitched roofs, upgraded thermal insulation and external cladding.

Demolish the remainder and rebuild an extended area to form new Studio, Kitchen and small Meeting Room with a wide concourse between this area and the Hall, which can also be used as exhibition space. The Main Entrance relocated to be from the car park which will improve and maintain level disabled access into all areas of the building. A secondary entrance from the path at the side of the playing field will be provided and will also be suitable for disabled access.

Possible installation of sliding folding divider at mid-point in the Hall to allow dual use.

Additional storage to be added on the north side with access from the Hall.

Installation of solar panels on the main roof.

Upgrading of heating and ventilation system.

Revised car park layout providing 3 more spaces giving a total of 21 spaces including disabled provision, dedicated to the Community Centre.

Provision of cycle rack.

Removal of dilapidated garages previously used by Theatre Group for storage.

The proposed extensions will add a further 128 square metres to the overall floor area.

The appearance of the building will be updated and improved as follows –

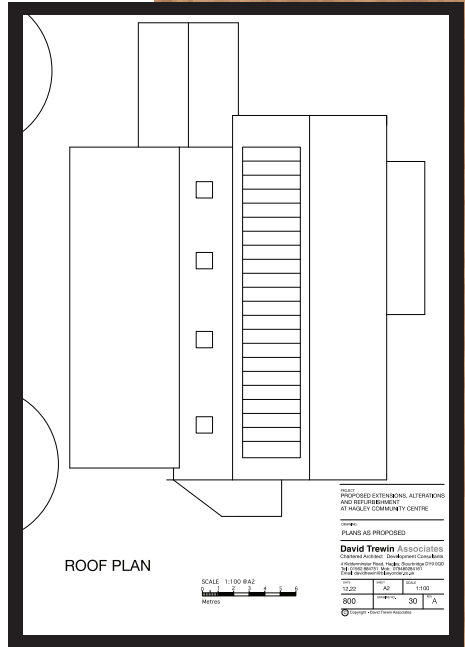

New pitched roofs of dark grey standing seam zinc finish, with matching fascias, soffits and gutters and rainwater pipes,

The existing walls and new stores overlaid with treated and fire-resistant vertical cedar board, Aluminium framed, doubled glazed entrance doors and windows, all with integrated security roller shutters coloured coated to match.

Ivory coloured render with anti-graffiti finish to the walls of the new extension.

These proposals will provide additional space, an upgrade of the structure, mechanical and electrical services, building fabric to improve 'green' eco credentials, sustainability and reduction of the carbon footprint and allow greater flexibility in use and letting, revitalising the building to extend the life of the Community Centre in to the next fifty years.

VILLAGE LADIES

Well, spring has definitely sprung and we are nearly at the first day of summer on June 21st. Hooray!! Looking back to April, on 11th, we heard how Alan Rimmer and his wife chose to spend 'The Grey Gap Year' managing, for a season, a ski chalet in the French Alps. An inspiring story for all over 60's. In complete contrast, on 25th April Andrew Lloyd, a well-known florist from Stourbridge, came to demonstrate his wonderful flower arranging skills. He produced beautiful arrangements with gorgeous flowers and foliage and four lucky raffle ticket winners went home with smiles on their faces nearly as big as the arrangements they carried.

This month, we look forward to 13th June when Phillip Wilkinson will be telling us all about 'Great British Brands'. On 21st June we have an extra treat when we are going on a

trip to Trentham Gardens. Let's hope it's a dry day but not to worry if not as there's plenty to do even if it's pouring. We round off June on 27th when we have 'Our Own Evening'. This is always a very enjoyable meeting with much laughter and chat involved.

WALTON DISTRICT GIRLGUIDING

After a short break for Easter Girlguiding units have embraced the lighter nights getting out and about for Bluebell Walks and practising their football skills in the park ready for the Girlguiding focus on football in 2024. 2nd Hagley Rainbows have begun to work towards the Brilliant Bees Challenge badge. 2nd Hagley Brownies enjoyed a talk from the RLNI about water safety and 3rd Hagley Brownies and 1st Hagley Guides have both enjoyed nights painting pottery at Coffee and Clay.

All units have done something to celebrate the King's Coronation and at the time of writing we are looking forward to being involved in the village celebrations at the Party in the Park. Blakedown Rainbows, Brownies and Guides have contributed to decorating Blakedown Parish Church for the Coronation.

We are thrilled that two members of 1st Hagley Rangers have been selected to be part of

the INTOPS programme for 2024. Both girls attended a section weekend in Malvern. They will be travelling to Mexico to be volunteers representing Girlguiding working on a turtle sanctuary. They will be looking for sponsorship and doing lots of fundraising in the months ahead. Well done Grace and Annie.

We are pleased to have welcomed some new volunteers to Girlguiding in Hagley over the past few weeks. HAGLEY STRING ORCHESTRA

Jean-Philippe Rameau (1683-1764) was a French opera composer and contemporary with both JS Bach and Handel. He became famous during the reign of Louis XV, composing pieces for the keyboard. We are playing a string arrangement of Rameau's Second Concert of four movements in G major for three equal violin parts with viola and bass.

Way back in 1965, I was lucky to be invited to play viola for a staged production of Rameau's opera Hippolytus and Aricia at Birmingham University Barber Institute, the young cast headed by Dame Janet Baker, memorable in the tragic role of Phaedra, Theseus's second wife, who kills herself after falling in love with her stepson Hippolytus. I remember arriving early for a performance and hearing Janet Baker singing her 'warm-up' exercises – wonderful memories!

The history books tell us that Rameau was a tall, thin man with a raucous voice 'a walking organ-pipe!' The music he wrote, however, is immediately attractive to both performers and audiences.

Currently HSO has five each of 1st and 2nd violins, four violas, three cellos and two double basses. We'll give a huge welcome to everyone who wishes to join us. Don't be shy – we're very relaxed and thoroughly enjoy playing and chatting.

HAGLEY COMMUNITY CENTRE

Welcome everyone to what will be regular Community Centre updates. You may know that I have recently been accepted as the new chairman of the Community Association. I'm honoured to be following in the footsteps of some very dedicated and committed people in this role, including most recently Roger Seabury who has stepped down after many years in the chair. Roger has accepted the prestigious position of President.

My meetings have been to get to understand the workings of the Association and what are the pressures that the centre faces. Over the coming months we will be reviewing a few things including the website and the future refurbishment of the centre building itself. The community centre is strategically in the centre of the village and plays an important part in

community cohesion. Its affiliated members regularly use the centre and bring large groups of people together. The relationship between the affiliated groups and the centre is very important and I hope to be able to meet these groups as soon as possible. The Village News is also a very important part of the Community Centre's activities and praise should be heaped upon Alison (Editor) for her continued magnificent work in producing the VN, every month to over 3,000 households. The revenues received from the advertisements are an essential part of the income stream for the centre.

Each month I'll be bringing you updates, so please look out for them. I would welcome any feedback that you might have.

**Steve Colella - Chairman
Hagley Community Association**

HAGLEY COMMUNITY MARKET

The 2nd Village market continued the success of the launch market with over 600 people visiting us during the morning. The hall was full of recognised faces as well as some different independent traders. We hope to bring a selection of different traders each month as well as some of the regular local produce and services. The feedback continued to be positive, and we hope to build further on this with the introduction of a summer extension either on the community centre carpark or the playing fields as well as maintaining the indoor market stalls. As way of a reminder the members of the Community Market are volunteers and the

proceeds from the market stall pitch fees go to the repair and maintenance of the community centre itself. We also hope that by having independent traders come to the market not only supports them but helps bring people into Hagley and take the opportunity to shop in our brilliant 'High street'.

Lookout for the next Community Market on 27th May - we plan to have additional stalls outside on the community centre carpark. We look forward to welcoming you there.

PATIENT PARTICIPATION GROUP (PPG) HAGLEY DOCTOR'S SURGERY

The group welcomed two new members to our last meeting which was attended by a senior Hagley Surgery clinician and the surgery management team.

High on the agenda was the continuing issues with the Pharmacy and the difficulties being experienced. We discussed the matter fully and were informed that the surgery has been in contact with the Pharmacist's regional manager in respect of the reoccurring issues. As a group we agreed that we too will be contacting the Pharmacist's head office as well as the regional NHS Pharmacy support.

The discussions with the surgery management also highlighted that the spring Covid booster vaccination programme had commenced and was progressing well. The surgery has been in

touch with those eligible and appointments with the nursing team have been made. A very enlightening discussion was had with the surgery management team in respect of the continued pressure from new patients as well the issues that the surgery would face from increased housing growth and what affect that might have on the surgery in Hagley.

The group are keen to be kept up to date with how the practice is managing against the many performance indicators it must report on. It was agreed that the group would receive regular performance output indicators.

TUESDAY TEA CLUB

The Tuesday tea club is enjoyed by a group of ladies and is run by a team of willing volunteer helpers who are finding it difficult to put out the tables and chairs. Is there was anyone in the village who would be prepared to help. We meet in the Free Church Hall on the first and third Tuesdays of the month and would need the tables and chairs putting out at around 1:30. It would take about 15 minutes.

We would be so grateful if someone would help. For further information please contact Sheila Munden **01562 636333**

ACTIVE SENIORS

A lot of older adults that contact me to enquire about classes have never really done much by the way of exercise and really don't know what to expect if they are thinking of giving it a go – perhaps their doctor, nurse or physio has suggested it a way of improving their health or to further improve their progress after an illness or injury. I know starting an exercise class can be quite daunting and questions such as “what will I be expected to do?”, “what happens if I can't manage it?”, “will it hurt?”, “what do I wear?”, might come to mind. I always like to have a good chat on the phone before someone comes to a class to discuss the persons aims and reasons for thinking about a class and to just explain that it's ok to start slowly and gradually do more as your strength, stamina, balance and

coordination improve. Its ok to take a break if you need one or to miss out something that doesn't suit you and your instructor is there to help and guide you to get the most from your efforts. We want you to enjoy coming to class and to make it part of your weekly 'habit' so you continue to benefit in the long term. So if you have questions about what class might suit you or just want some details about the classes then do give me a call on 07512 546480 for a chat.

HAGLEY COUNTRY DANCERS

May, of course, was dominated by the King's coronation, and with the additional Monday holidays we only met twice during the month. However, June is a full month for us with four Mondays for dancing before we break for the summer in July with our traditional garden party in the middle of the month. It is most encouraging to see new members joining each term, and particularly encouraging that they stay with us. Numbers can be lower than normal during the summer months as people take their holidays, but we always have sufficient to make an enjoyable afternoon. There is plenty of parking via Chapel Street. There is no charge for a first visit, subsequently the cost is £3.50 per person. For more information, ring June Waterhouse, **01562 700639**

HAGLEY U3A

The University of the 3rd Age is a nation-wide organisation run by volunteers on a local basis. No qualifications are required and there are no exams. Members draw upon their knowledge and experience to teach and to learn from each other...for pleasure and to stay alert! At our last AGM it was decided to halve the annual membership fee to £12.50 and we welcome all from the surrounding area to take part in a varied programme of courses and events. Full meetings are held in St Saviours on the first Wednesday of every month, 1.30 for 1.45. Refreshments are provided; visitors (and new members) are always welcome. On 7 June Chris O' Grady

will talk about Antiques. 7 July is reserved for our Summer Party. We have also arranged an outing to the fascinating Stonehouse Cottage Garden in Stone at 2.00 on 29 June.

Stay up-to-date too by keeping an eye on our website at <https://u3asites.org.uk/hagley/> welcome For enquiries, contact our Chair, Jane Mottram (**01562 888219**), or our Membership Secretary, Ian Powick (**883822**).

HAGLEY CAMERA CLUB

We are one of the smaller, more relaxed camera clubs welcoming everyone from beginner to seasoned enthusiast to take part in a varied program of interesting photography activities including guest speakers, studio and practical nights (still life and models), location shoots, club outings, member presentations, competitions (internally and against other clubs), tuition and appraisal evenings, workshops and much more.

Our Diary for the month of June starts with our 'open' print competition meaning members can enter prints in any category to gain points towards our annual awards. We continue with an outdoor model evening with members gaining more experience in portraiture followed by an editing evening where we will delve into the world of Photoshop. There are potential works going on at our meeting venue so our diary for the month could be a little 'fluid.' Please do make contact beforehand if you are thinking

of coming along to ensure the club meeting is at the venue on a particular date. We hope 'normal business will be resumed shortly'.

NEW MEMBERS ARE ALWAYS WELCOME

Contact us **chair@hagleycameraclub.co.uk** or just come along to St Margaret's Church, 123 Hagley Road, Hasbury, Halesowen B63 4QD on Tuesday evenings from 8.00pm. Try us out as a 'no-obligation' visitor for a few weeks then if we suit you sign up as a member to enjoy all the benefits. ART CLUB

So, we're galloping apace towards the summer with our programme starting in June with An Introduction to Landscapes in Acrylics with Adrian Clamp. Adrian came to us last year showing us how to develop a portrait in charcoal, so this is bound to be as impressive.

We had our second "sketch out" at the end of April on a glorious sunny day at Lakeside, Withymoor, hosted by Hazel Gilliard, with beautiful views of the lake and glorious grassy mounds and daisies, accompanied by mallards and squawking Canadian Geese.

Next "Sketch Out" Saturday June 24th venue and times to be posted on Facebook

And remember if for some reason you find yourself having to visit Russells Hall Hospital, be encouraged by the club's exhibition in the main corridor from 14th May until 12th June.

NEW MEMBERS ARE ALWAYS WELCOME

Contact us at **hagleyartclub583@gmail.com** or turn up at Hagley Community Centre 2nd Monday of every month 7.30pm start. (£5 guest fee) If you love all things arty you won't regret it. Why not join at £25 per year and a small entrance fee, we are incredible value without compromising on the calibre of visiting artists

WYRE FOREST & DISTRICT CENTRE NATIONAL TRUST

YOUR LOCAL SUPPORTER GROUP BASED IN BLAKEDOWN

As summer approaches, we hope, we are having a break from our monthly meetings at Blakedown Parish Rooms to take part in an array of outings to places of interest. The first one is an outing to Tyntesfield in North Somerset. A near complete Victorian country house which had been transformed from a Georgian Country house into a Gothic Revival masterpiece by its owner William Gibb. Extensive work has been done to preserve it for the nation in recent years. Having visited the house myself in the past, I'm sure it will be an interesting day out for everyone. The house is fascinating and it has

extensive grounds too with its own very large chapel which is attached to the house so that staff could easily go to it without the need to go outside.

PILATES AT THE HAGLEY COMMUNITY CENTRE

These are daytime classes for those that would like to start participating in a weekly exercise class of Pilates. There will be two new classes opening, a beginners and an intermediate class, both classes will first and foremost concentrate on the principles of Pilates. Paying particular attention to body posture, exercise technique, quality of movement and correct breathing technique.

Week by week participants will gain body strength through the core muscles, and all other major muscle groups of the body. An increase in flexibility and range of movement through joints will be experienced enabling participants to achieve a better posture, and

a reduction in stiffness. All exercises carry adaptations of movement when needed, allowing all participants to perform the exercises, no matter what their personal strength and abilities may be. Pilates exercise sessions carry all the usual benefits of exercise both physiologically and psychologically for the individual participant.

Classes will be held on Tuesdays, Intermediates from 10am til 11am and Beginners from 11.30am til 12.30pm. To find out more information and to ask any questions you may have related to the class, please text or call Wayne on **07969 797709**

HAGLEY VILLAGE ALLOTMENTS

Welcome to June! It's a key month on the gardeners calendar as it signifies the midpoint of the year: End of spring, and the beginning of Summer.....Hooray! Here are a few jobs for June, for those keen green fingers;

Continue to spread mulches such as garden compost, bark chippings and my favourite, Grass clippings! Not only will they help in suppressing those weeds but also help to delay evaporation, if the earth is dampened before you apply.

Keep up with watering little and often, rather than a good soak once or twice a week. Little and often promotes good root growth and structure as the roots will dig deeper in the hunt for damp soil.

Net over your soft fruits, peas, cabbages and other brassicas....The pigeons won't think to leave you any of your wonderful efforts ;-)

The longest day of the year is on the 21st and with that comes more hours of glorious sunlight and steadily rising temperatures. Fingers crossed!

For those at home gardeners and struggle with the onslaught attack from slugs, a few ingredients from the kitchen cupboard maybe of service....First off is Garlic granules. A healthy sprinkle around the base of your plants and beds at regular intervals will help but my favourite is a homemade garlic spray. Peel and chop a handful of garlic cloves and infuse in tap water for around a week. Strain and transfer to a spray bottle. Liberally on an evening, give the base of your plants especially those hostas, a good spray. Reuse your already chopped up cloves and infuse for your next batch.

HAGLEY WI

Who can believe we are halfway through the year? Summer is here.... The days are getting longer. June gives us blue skies and allowing us to spend more time outdoors, whether it's walking more or sitting in the garden.

At Hagley WI we are looking forward to a get-together for a walk through Wyre Forest then enjoying having lunch together afterwards. Time spent with friends is special.

Friendship is what Hagley WI is all about.

We are all different with varied interests, but we have friendships in abundance and our aim is to help nourish and grow them.

Hagley Village market is proving to be a huge success and the WI Ladies are happy to be a part of it. After you've browsed round the market, I'm sure you're all ready to sit down with a cuppa with a lovely slice of homemade cake, so put your bags down and let our ladies look after you.

This month Nicola Capel from Our Village Green, who you all know from Hagley Village Market is coming along to talk to us about her Eco-Friendly Products and how her products help our environment. Something that is becoming more and more important for us and generations to come.

If you would like to come and visit us, no obligation, we meet at Hagley Community Centre Monday June 12th.

If you would like to know more get in touch Judi Priest, judipriest1@gmail.com

HAGLEY PROBUS CLUB

At our meeting held on Monday 24 April, members and their guests were all at sea as they were regaled by a former serving member of the crew, Charge Petty Officer David Rushforth, to stories of life aboard the Royal Yacht Britannia.

A project to replace the previous Royal yacht "Victoria and Albert" was proposed in 1936 but delays caused by the abdication of Edward VIII and the Second World War meant that work on a new ship, christened "Britannia" at launch, did not start until 1947 and was completed in 1953, by which time Queen Elizabeth II was on the throne. The build cost short of £21 million. The Yacht was also capable of serving as a hospital ship, if required. It was crewed by 230 officers and ratings.

Petty Officer David described working life on the yacht and detailed the many voyages made by it and pointed out the revenue generated in acting as a shop window for British industry. Sadly, the yacht was finally decommissioned in 1997 and went on permanent exhibition, open to visitors in the Leith area of Edinburgh.

Hagley Probus is open to retired professional businessmen. If interested, please contact our Hon Secretary, Alan Hess on **07967 590219**

WORDSLEY AMATEUR DRAMATIC SOCIETY - WADS

Well, the Vicar has visited and retired to Dibley! It was a great pleasure to bring the committee and their doings to you, and it was wonderful to see so many there. We hope to continue to bring something dramatic your way, more of which anon.

We also had great fun meeting you on the day of the Coronation party at the community centre. We managed to dress up and have a wander, indulging in excellent refreshments and making an impression on the most theatrical way.

Which brings us to the future. Our next venture will be a new version of Frankenstein, in a new version of Mary Shelley's novel by M.A. Edwards. We are looking to stage this in October in time for Hallowe'en – I know it seems rather early to think of the Winter when Summer hasn't properly appeared, but when things have to be created it is best to plan well ahead. It will be staged at Crestwood School in Kingswinford as well as the Community Hall, and we hope that you will join us for this new and exciting theatrical event.

Next year sees the centenary of another creation – 2024 sees 100 years of WADS, and we will soon be releasing details of our plans to celebrate this auspicious occasion. We are looking to stage a wide range of plays and events throughout the year to show our talents, and to prepare our way for the next hundred years!

We invite everyone to join us – either as part of our audiences, or on stage with us if you would like to join – all comers are welcome, and if you wish to talk to us about becoming a member, please feel free to contact us either through our Facebook page, our email address **wordsleyamdram@outlook.com**, or by calling on Liz Green on **01384 270228**

Best wishes to you all!

The competitive badminton season has finally restarted post covid, with a good win for our mixed team over manor badminton club. We are looking forward to a good season on and off court, with Friday club nights thriving and a number of social events planned.

BLAKEDOWN & HAGLEY TENNIS CLUB

The Club continues to thrive and is looking forward to the start of the Summer League, having performed well in the Winter matches. Each year we enter teams in the Hereford and Worcester League and the Kidderminster League. There are Ladies, Men's and Mixed teams and it's a great way to meet players from other clubs and enjoy competitive tennis played in a friendly spirit. Our Junior payers have been making their presence felt too with 6 year old Harry Allsop being selected for the County Squad and 15 year old Alfie Zimmerman being awarded the John Neale Trophy by the Kidderminster League for his good conduct and sportsmanship. Well done to both of them. We're a very friendly club with social mix-ins

available on Friday and Sunday mornings 1000-1200 and Monday evenings 1800-2000. You simply turn up with your racquet and join in the games. Individual and group coaching is also available. If you're interested in finding out more just go to our website
